the Word is Holy. So, fuck you and die bushite
nazi traitors to American Justice, those of
them who refuse US open free words to resolve
their war criminal behaviors as is done in
godless Israel today against INNOCENT
Christians. Done before another innocent other
has our homes stolen, or is murdered by the
lawless grunting bushite dumfuk enemies of
Jesus Christ. I am King already, always have
been, always will be. Live with it. The Koran
is filled with great understandings on this
relationship. Christ is mentioned more than
Mohammad - and Mary can be understood as the
mother of all being before we are. a virgin.)

Look humans, you've
had your fun murdering yourselves, now the wise
people will compete for bettering ourselves by
understanding. Who the fuck are these illiterate
monsters at CTV national television? and how can
they willingly keep our soldiers in the dark dying
that way by simply smiling? Are they experts in
anything? are they respected researchers? writers?,

politicians?, civil rights lawyers? - do they even respect ourselves enough to be warned of vaccines? NO, instead they LIE with such contempt for Humanity I am surprised Canadians, don't speak out more.. perhaps they do, it's just CBC, CJOB, and the Winnipeg Free Presses of our World make no attempt to inform ourselves about it. They don't take my thousands of calls, how about Yours?

Life is real to know, if you seek, and not go so freaked out as Living is as it always has been. Knowing God is cool, 'amazing', yeah, whatever, but we are of too this real world suffering for our lack of respect for a wise person speaking. I WANT FREE PUBLIC DEBATE FOR JUSTICE AS ALL INCLUDED. Now really, is that too much for US to ask freely? What say you Googler? Afraid I will truly make your banker gods look like fools?, the gods we all give more than half our lives to for nothing? Don't want to look truly dumb as deathly ignorant, so censor US all themmers you are too in command of your Fate. So be it. See? Stand in. I didn't even really do anything there, yet it's written, it's done. A Miracle! Imagine: your Christ! YOU. now what are you going to do.. time is ending for you remember, now what are you going to do? Will you pick up your magic phone and call likewise for Justice denied, or will you crawl up on your cross and die in silence for the glorious Zionist aligned with trillioniare private bankers and Satan? Christ is of all peoples. Your on a mountain.. You've raised yourself from death already, and your here to do something greater for the love of God.. what's your plan for the common man? Welcome to the real world my friend.

Morpheus 'Nobody can tell you what the Matrix is, you have to see it for yourselves. .. all I am offering is the truth Neo, nothing more'

Lawless Police to Defend Who Again?

They Call it Terrorism

"Israeli nazi enemies call bombing people, like they do without apology, terrorism. What can't you figure?"

CNN TODAY

/ / Stand down 'Christian' nation. It's not your babies. Ethnic cleansing is not a 'sin' as long as the 'chosen ones' of Israel do it. \ \

Israel, the nazi enemies of God nation broke the ceasefire on November 4th. Now, as demon liars claim they want to honor a ceasefire again to further steal ourselves from the Love of Justice. Why do the godless Zionist do this always as first degree murderers? Because they can't win an open debate on their treasons against God and Man. The private bankers DO NOT cover our loans. Again, these SATANIC ENEMIES OF GOD dropped seven million land mines on Lebanon while target killing JEWS. INNOCENT JEWS. Targeted. Northern Lebanon, look it up. Israeli MURDERED Jews. Innocent Jews as targeted for more stolen charity. I again, beg you to support my call for war crime trials against the bushmob, including CNN demons who report a total contempt for YOUR life dying. Your call loser.

ISRAEL: No civilian casualties in Gaza!
http://uk.youtube.com/watch?v=RlZd3vR6Kzk

Satanic enemies of God as anyone included. Think: who buys these demon lies to steal further from our innocent Humanity? Zionists do at CBC and CNN, who will murder America by openly lying to destroy freedom. Example: CNN reports Georgian nazis who targeted children schools, churches and threw grenades into our homes to murder as minions for Satan are called freedom fighters. Just like the Third Infantry, the new lawless police officers of California, who can't be charged with rape for example, because ONLY Rumsfeld can okay such prosecutions. Hey who cares for Iraqi Rights right?, for TV America's CNN with FoxNews and George Norry doesn't, for it's only American women and children now right nazi enemies? And WE ALL KNOW, cowardly America refuses to even raise their phones for these dying concerns. How can George Norry continue to live happily dying America for the neocons? How? they let them. Alex Jones thinks George Norry is just fantastic, so no, don't encourage the NWOers to demand free communications, because if we did, Alex Jones and the like, would factually look like the idiots he is. (better to die

America than face this foolishness?) The banker doesn't cover our loans, we do Alex. So giving them trillions in American worker wages is a bank robbery in progress. Simple. NOT a diabolical ingenious plan, we, the simple folk can't figure without the Alex Jonesers geniuses of thought control developed by the CFR, builderberg, the Boners and NASA.

Obama stated all lawless soldiers who war for godless Zionism are heroes, which includes South African death squad goons who murder my nigger friends. AEGIS. I call them lawless enemies of God, deserving death sentences to save the lives of their next innocent victims, Obama calls them heroes warring for the escape of the neocon traitors responsible for 911. Who are you going to believe?

==> HAMS IN AUSTRALIA ASSIST WITH MASSIVE BUSHFIRES

In the Australian state of Victoria, Amateur Radio operators have been
activated to provide communications links into towns that have had their
normal communications destroyed by the bushfires that have decimated the
state. Members of the Wireless Institute Civil Emergency Network in
Victoria (WICEN (Vic)) <http://www.vic.wicen.org.au/> -- Australia's
version of ARES -- were activated on February 8, with members being
deployed to areas with loss of power and other facilities.

According to the Wireless Institute of Australia (WIA)
<http://www.wia.org.au/> -- that country's IARU Member-Society --
authorities and resources in Victoria have been "stretched to the
limit." WICEN has been on high alert since the fires started on January
```

28. On February 11, WICEN (Vic) Secretary Mark Dods, VK3XMU, said, "It now appears that WICEN's role in this emergency is going to be a long hard marathon over an extended period."

The fires -- some of which are believed to have been deliberately set, while at least one fire began due to a lightning strike -- have so far claimed 201 lives, including one firefighter; local police say they do not expect the death toll to go much higher. Covering more than 1100 square miles, the fires have destroyed more than 1800 homes; officials estimate at least 7500 people are now homeless due to the fires. Victoria Premier John Brumby, in speaking about the bushfires, said, "Out there, it is hell on earth" <http://www.premier.vic.gov.au/index.php?option=com_mymedia&Itemid=29%C3%83%C2%A2%C3%82%C5%92%C3%82%C2%A9=en&media_id=364&task=text>.

On February 12, Dods said that "WICEN was given the task of establishing a link between Narbethong and the Municipal Emergency Coordination Centre in Alexandra. Initially, the Narbethong-Alexandra link will be on HF. The two WICEN operators that were on standby for deployment to Buxton have been dispatched to Alexandra to join a column that will be moving down the Maroondah Highway to Narbethong this afternoon. An extra WICEN operator is being deployed to the Alexandra MECC to assist the operator already there with expected extra traffic from Narbethong Three WICEN operators are now working 8 hour shifts at the Alexandra Incident Command Centre (ICC), operating CFA/DSE radios. We will be providing operators for this task until further notice."

Dods said hams would make "temporary repairs" to VK3RTN, the 6 meter repeater on Mt Gordon that suffered damage during the fire, making it usable until they can get and install a new repeater. The Mt Gordon repeater is being used as a link between Alexandra and Narbethong. The WICEN station in Narbethong closed Saturday, February 14. "The Alexandra WICEN station will continue to operate after the closure of Narbethong," Dods said. "Their role includes guiding relief operators into the town, maintaining an HF link to Melbourne and a listening watch. Operators in the Alexandra ICC have reported increased radio traffic overnight and emphasised the need for concise, prompt and accurate handling of the traffic despite the sometimes tense environment."

Dods recounted that there was what he called a "flurry of activity" on the evening of February 14: "WICEN received a request from DSE [Department of Sustainability and Environment] to provide operators at Woori Yallock ICC. We were asked to cover the night shift last night and the next four nights. Being a Saturday night, it was difficult to contact operators with many being not at home, and others having their mobile phones diverted to voice mail. Two operators agreed to be deployed at short notice, however. They travelled to Woori Yallock only to find that there had been an administrative foul-up and that they were not required. Those operators have returned home with my thanks and apologies. This false start at Woori Yallock does give us a 'heads up' that DSE and CFA [Country Fire Authority] resources may be beginning to

stretch thin, and lead to more ICC deployments."

On February 17, Dods said that two WICEN operators will be going to "McAdam's Hill, east of Lake Mountain, to provide health and welfare communications for the firefighters at a Base Camp being set up there. Initially, the primary operating frequency will be 3.6 MHz, so there may well be a need for stations monitoring that frequency to relay traffic. Deployment of a portable 2m repeater to support the McAdam's Hill station is under consideration."

The WICEN HF Net continues to operate on 3.6 MHz at 1000 and 2130 hours (UTC + 11) daily. "As well as keeping a check on the welfare of operators in the field, the Net is being used to pass updated activation information, and also for amateurs in remote areas of the state to check their communications," Dods said. "It is reassuring to hear stations from all over the state and interstate on the Net, demonstrating that we can, if necessary, establish communications independent of hilltop infrastructure. It has been very handy to have other amateurs monitoring 3.6 MHz when they can to relay when fading occurs. Many thanks to those operators who have relayed traffic so far."

Dennis Dura, K2DCD, ARRL Emergency Preparedness and Response Manager said: "The work the Australian hams have been doing and the issues WICEN have been facing are not unlike what ARES personnel encounter here. The long hours and duration of the disaster response and the dwindling availability of amateur volunteers take a toll. Yet Amateur Radio still is able to complete the mission. The flexibility we bring is key to meeting the emergency communications needs of those the amateur community serves. Our hearts go out to all those that have lost loved ones and whose lives have been forever changed by these fires. Our colleagues in WICEN make the Amateur Radio community proud in the work they are performing in these very difficult conditions."

==> HAMS CAN STILL HELP WITH DIGITAL TV (DTV) CONVERSION

Even though the mandatory conversion date for television stations to switch from analog signals to digital has been delayed by four months <http://hraunfoss.fcc.gov/edocs_public/attachmatch/FCC-09-9A1.pdf>, hams are still assisting the FCC and their communities by providing technical support to those who need assistance <http://www.arrl.org/news/stories/2008/12/10/10499/>. Although many TV stations won't turn off their analog signals until the new deadline, the law allows stations to apply to switch on the original date -- February 17 -- or any time before June 12.

According to the FCC, there are nearly 1800 full-power televisions stations in the US. Of these, the FCC said that "220 will have terminated their analog signals before Tuesday [February 17] and another 421 will terminate their analog signals on Tuesday [February 17] before 11:59 PM, for a total of 641 stations, or about 36 percent of all full-power stations nationwide." The FCC has posted a list of stations making the conversion on or before February 17 on their Web site

<http://hraunfoss.fcc.gov/edocs_public/attachmatch/DOC-288530A2.pdf>.

ARRL Media and Public Relations Manager Allen Pitts, W1AGP, said he has been getting e-mails and phone calls from Amateur Radio operators concerning the digital TV conversion, now set to take place on Friday, June 12. "People are asking what's happening with the DTV conversion -- especially now that it's been delayed -- and wondering what we as hams can do to help," he said. "There has been considerable confusion concerning the extension of the date, but the role of Amateur Radio is simply to be helpful to the people in our communities."

Pitts advises those hams that are helping to provide technical educational assistance keep in mind the following troubleshooting pointers, provided by the FCC:

* Check Your Connections
Check that your digital-to-analog converter box (or digital television) is connected properly. Make sure that your antenna is connected to the antenna input of your digital-to-analog converter box (or digital television). If you are using a digital-to-analog converter box, ensure that the antenna output of the converter box is connected to the antenna input of your analog TV. If you are unsure of the proper connections, refer to your owners manual.

Make sure that your components are plugged in and turned on.
If using a digital-to-analog converter box, tune your analog TV to channel 3. You should see a set-up menu or picture on your screen. If you do not see this, re-check your connections.

* Perform a Channel Scan
Digital-to-analog converter boxes (and digital televisions) have a button -- usually on the remote control -- that is labeled "Set-up" or "Menu" or some similar term. Press that button to access the set-up menu. Using the directional arrow buttons on your remote, scroll to the option that allows you to perform a "channel scan." The channel scan will search for digital broadcast channels that are available in your area. If you are unsure how to do a channel scan, please refer to the owners manual for your converter box or digital television (whichever applies).

Once the channel scan is complete, you will be able to tune to the digital channels received by your antenna.

* Adjust Your Antenna
As many hams know, small adjustments to an antenna can make a big difference; digital TV is no exception. If you have an indoor antenna, try elevating it and moving it closer to an exterior wall of your home. After adjusting your antenna, perform another channel scan to see if your reception has improved.

While adjusting your antenna, it may be helpful to access the "Signal strength meter" on your converter box or digital television set to determine whether your adjustments are improving the signals' strength.

You can probably find your signal strength meter via the "Menu" function on your remote control, and your owners manual will provide detailed information on how to perform this function. Remember to do another channel scan after you have adjusted your antenna.

Make sure that you are using an antenna that covers both the UHF and VHF bands and that is connected properly (depending on what channels are in use in your area).

Late last year, the FCC requested assistance from the ARRL in providing educational support to local communities regarding the digital TV conversion.

"I really appreciate the willingness of the ARRL to actively participate in helping Americans with the transition to DTV and your helpful suggestions," said George Dillon, FCC Deputy Bureau Chief for Field Operations (now retired). "The DTV transition will be an historic moment in the evolution of TV. Broadcast television stations can offer viewers improved picture and sound quality and new programming choices. All-digital broadcasting also will allow [the FCC] to significantly improve public safety communications and will usher in a new era of advanced wireless services such as the widespread deployment of wireless broadband. Our goal is to engage the amateur community on a cooperative basis to help with the DTV outreach and to educate consumers."

The FCC said that it is seeking to ensure that even where all or most stations in a market are terminating analog service, consumers who are unprepared for the switch will continue to have access to critical local news and emergency information. In a statement released by the FCC, the Commission "examined each market in which stations planned to end analog service to try to ensure that at least one affiliate of the four major networks -- ABC, CBS, Fox and NBC -- would continue broadcasting in analog after February 17. Many had such a station, but in those instances in which there would be no top-four affiliate remaining in a market, the FCC attempted to ensure that analog local news and emergency information would remain available -- generally through what is being called 'enhanced analog nightlight' service. Under 'enhanced analog nightlight,' the top-four affiliates must keep at least one analog signal on the air to provide programming that includes, at a minimum, local news and emergency information" <http://hraunfoss.fcc.gov/edocs_public/attachmatch/DOC-288530A1.pdf>.

FCC Acting Chairman Michael Copps said that the Commission is "trying to make the best of a difficult situation. While this staggered transition is confusing and disruptive for some consumers, the confusion and disruption would have been far worse had we gone ahead with a nationwide transition on [February 17]."

==> "THE DOCTOR IS IN" THE ARRL LETTER

This week, ARRL Letter readers are in luck! The ARRL's very own Doctor, author of the popular QST column "The Doctor Is IN," answers a question from his mailbag:

Scott McCann, W3MEO, of Queenstown, Maryland, asks: I am fairly new to SSB and CW on VHF and was surprised during the September ARRL VHF contest to have worked W2SZ, the RPI Amateur Radio Club station on Mt Greylock in Massachusetts. I was running 2 W CW to a homebrew four element beam 20 feet off the ground. The boys on the mountain were running a lot bigger station than I was.

This station was well over the horizon. I wonder what propagation mode supports this beyond line-of-sight (LOS) communication? I worked several other stations that were also well over the horizon.

The Doctor Answers -- The propagation mode is most likely troposcatter, in which VHF signals are scattered by the troposphere, the lowest region of our atmosphere extending about 7 miles to the border with the stratosphere. Troposcatter is in common use by the military and some commercial users for paths up to a few hundred miles -- generally using high power and high gain antennas.

Troposcatter is also the mode that results in a commonly occurring type of long distance TV transmission. W2SZ -- the Amateur Radio club at Rensselaer Polytechnic Institute in New York -- uses big power and antennas from a fantastic location, making this mode a common occurrence. You can find out more about troposcatter and the other propagation modes supported by the troposphere at this Web site <www.oe1cwj.com/literature/troposcatter.htm>.

Do you have a question or a problem? Send your questions via e-mail <doctor@arrl.org>; or to "The Doctor," ARRL, 225 Main St, Newington, CT 06111 (no phone calls, please). Look for "The Doctor Is IN" every month in QST, the official journal of the ARRL.

==> WORLD AMATEUR RADIO DAY TO RECOGNIZE AMATEUR RADIO'S ROLE IN DISASTER COMMUNICATIONS

Each year on April 18, radio amateurs celebrate World Amateur Radio Day. On that day in 1925, 84 years ago, the International Amateur Radio Union (IARU) was founded <http://www.iaru.org/>. In 2009, the theme of the event is Amateur Radio: Your Resource in Disaster and Emergency Communication.

"It is not by coincidence that last year's meeting of the IARU Administrative Council (AC) <http://www.arrl.org/news/stories/2008/06/26/10186/?nc=1> chose this subject at this time," said IARU International Coordinator for Emergency Communication Hans Zimmermann, F5VKP/HB9AQS. "While the Amateur Radio Service has traditionally made its contributions to emergency and disaster response ever since its very beginnings almost 100 years ago, this role has gained a lot of importance just in the recent past."

Citing the fact that natural, as well as manmade disasters are on the rise, Zimmermann pointed out that today's modern communication technologies are "increasingly complex, infrastructure-dependent and therefore also increasingly vulnerable. The Amateur Radio Service puts two equally valuable assets at its disposal for emergency and disaster prevention, preparedness and response: A large number of very flexible and mostly infrastructure-independent, local, national, regional and global networks, and a large number of skilled operators, who know how to communicate with often very limited means and to establish communications even under the most difficult circumstances."

Zimmermann said that the tools available to Amateur Radio operators "range from the most robust means such as battery-operated stations operating in Morse code, to links through Amateur Radio satellites and interconnectivity with the Internet, in voice, text, image and data modes. They range from local VHF networks of fixed, mobile and portable stations to shortwave networks that span the globe. All these networks are operated on a daily basis by men and women who are thoroughly familiar with their technology and their intricacies."

"Telecommunications have become a commodity that society takes for granted," Zimmermann stated, adding that "the sudden loss of that service is often felt in a similar way to the loss of shelter, food and medical support. When disasters occur in regions that do not have good coverage by public networks -- or when existing communications infrastructures have just been disrupted or destroyed by such events -- the Amateur Radio Service comes to the rescue. Amateur Radio operators provide communications for the rescuers and relief workers and their organizations and they help to provide communications for those affected by a disaster."

Zimmermann continued: "In fact, contributions to emergency and disaster relief are a major argument for the preservation and the extension of the privileges the Amateur Radio Service enjoys in international and national regulations. This is one of the reasons why more and more Amateur Radio operators -- through their clubs and their national societies -- prepare very seriously for their role in emergencies; however, their skills can be put to use only if they are known by other first responders. Effective response to emergencies can only occur with the work of volunteers in all the various fields, from search and rescue to medical assistance and those who can provide food and shelter. Communication skills are a new, but equally vital commodity."

==> JOHN KANZIUS, K3TUP (SK)

John Kanzius, K3TUP, of Erie, Pennsylvania, passed away February 18 in Florida from pneumonia. He was 64. Kanzius was best known for his research into finding a cure for cancer using radio waves, specifically 13.56 MHz.

In 1966 at age 22, Kanzius came to Erie, Pennsylvania to work for JET Broadcasting. After 24 years as a broadcast engineer, he was appointed vice president and general manager of the company in 1980. After

retiring, Kanzius was diagnosed with leukemia in 2002. He summarized his chemotherapy in a February 2008 article in QST as "Hoping we kill the cancer before we kill the person"<http://p1k.arrl.org/cgi-bin/topdf.cgi?id=109317&pub=qst>. In October 2003 -- thinking there had to be a better treatment -- Kanzius had the idea to kill the cancer cell with radio waves, not a new idea. But Kanzius went a bit further: Instead of using needles, as was currently used, why not "trick" the cancer cells into absorbing a metal target -- sent by RF -- into the inside of the cancer cells, leaving the healthy cells alone?

In 2005, Kanzius teamed up with cancer researchers at M. D. Anderson (part of the University of Texas health system in Houston) and Rice University (also in Houston). Using nanoparticles -- metallic objects measured in billionths of an inch -- heated by RF using a machine that Kanzius invented, the researchers were impressed: "The research scientists at Rice were stunned to see that my device could heat nanoparticles at the 13.56 MHz frequency," Kanzius said.

Kanzius credited his father for his inspiration: "Trying to build an array that would heat particles one billionth of a meter in length was challenging. But building equipment all of my life was inspired by my dad, W3NRE, who was licensed in 1934."

Kanzius told ARRL Media and Public Relations Manager Allen Pitts, W1AGP, that if it were not for his Amateur Radio background, "and all the days of experimentation to improve my station, this new procedure for treating cancer, which continues to show such promising results, would probably not be on the cutting edge at the largest cancer center in the world [M. D. Anderson]."

But Kanzius did more than just try to find a cure for cancer. In 1991, he was Top of Honor Roll in the ARRL DXCC program; at his death, he had 347 countries confirmed. In the March/April 1987 issue of NCJ, Tim Duffy, K3LR, described K3TUP as "a relatively new contest call," but said Kanzius had been DXing for many years: "As he has caught the contest bug, John has taken a station which was designed for busting DX pileups and converted it over to have the flexibility and brute force required to compete in Multi-Single contesting." Duffy described the station as sitting "situated on a high ridge that overlooks Lake Erie. The station is well secluded from city-type radio noise and the rural setting allows John to run several temporary beverages for low band receiving." Both Duffy and Randy Thompson, K5ZD, have operated from Kanzius's station.

Pitts recalled that in 2007, he received an e-mail from a ham, asking if he was aware of the research Kanzius was attempting: "I looked at the attached video clip and I was skeptical. But I became more curious about this kitchen table tinkerer-ham and investigated the claims. I learned two major things: First, this was not a harebrained scheme -- it really worked (!), and -- even more important for me -- John Kanzius was a true gentleman. Bright, polite and enthusiastic without being overbearing, I

liked him. Over the next months as I wrote the QST article about his work, I came to know him and his true desire to help other cancer victims. Since then, we stayed in touch by phone and e-mail. I enjoyed his delight as each step in the process of bringing his machine and concept to human use was proven by M. D. Anderson and other cancer research facilities. Some people just make your world better by being there. John was one of those people. Though I never met him in person, it was always good to hear from him and I enjoyed the friendship. Losing him makes the world a little colder. I will miss him."

Kanzius is survived by his wife Marianne, two daughters -- Sherry Kanzius and Toni Palmer -- and two grandchildren. Calling hours are Sunday, February 22 from 2-5 PM and 7-9 PM at the Duskas-Martin Funeral Home <http://www.dusckasmartinfuneralhome.com/>, 4216 Sterrettania Rd, Erie, Pennsylvania. A funeral service is planned for 10:30 AM on Monday, February 23 at the Episcopal Cathedral of St Paul <http://www.cathedralofstpaul.org/>, also in Erie. Memorial contributions may be made to the John Kaznius Research Fund <http://www.kanziuscancerresearch.org/>, Palace Business Center, 915 State St, Erie, PA 16501.

==> DIETER SCHLIEMANN, KX4Y (SK)

Dieter Schliemann, KX4Y, of Scottsboro, Alabama, passed away February 9 after a battle with cancer. He was 68. According to Amateur Radio on the International Space Station (ARISS) <http://www.rac.ca/ariss/oindex.htm> International Chairman Frank H. Bauer, KA3HDO, Schliemann was instrumental in leading and supporting many key activities in AMSAT <http://www.amsat.org> and on the ARISS program. "Those that knew Dieter recognized that he was a 'class act,'" Bauer said, "a great gentleman and colleague who will be sorely missed by all."

Schliemann, an ARRL Life Member, was involved with ARISS, leading the school contact IRLP/EchoLink initiative. Through this Amateur Radio VOIP system, Bauer said Schliemann and his team "substantially extended our reach of the school contacts. And through his efforts, tens of thousands of school students and ham radio operators, worldwide, could listen to other school contacts, enhancing education and giving all a better understanding of what it is like to live and work on ISS. Dieter's diplomacy, teambuilding skills and attention to the details were impeccable and were well respected within the team. He rose to the challenge when I asked him to lead the IRLP/EchoLink team. At the time, there were strong, divergent opinions on the use of IRLP and EchoLink on ARISS. He singlehandedly developed a cohesive team that is producing great results and is enjoying working together."

Bauer said that Schliemann had been fighting cancer for a few years: "A month ago, all of us thought he was on the road to recovery. Unfortunately, that did not come to pass. Through it all, Dieter remained the gentle, caring person that we all have grown to love. During his illness, he remained dedicated to his AMSAT and ARISS causes and responsibilities. When he received the surprising news from the

doctors that he had only two weeks to live and despite being weak from a long hospitalization, Dieter got on e-mail and worked on a transition plan to ensure that IRLP/EchoLink capabilities on ARISS continues. What a great, compassionate, loving human being."

Rosalie White, K1STO, fondly remembered Schliemann. "As team members reported on what a great person Dieter was, and the ways he had helped ARISS, more and more came to light regarding so many things he had accomplished without many others knowing," she said. "He shunned the spotlight, yet he quietly took the initiative, never shying away from solving problems. The ARISS Team will miss Dieter terribly -- a wonderful friend and dedicated volunteer."

==>SOLAR UPDATE

Tad "Love comforteth like sunshine after rain" Cook, K7RA, this week reports: We saw a sunspot on February 11-13, then it was gone. Typical of sunspots recently, it was only seen briefly; this one was a relic of Solar Cycle 23, according to its magnetic signature. For at least a couple of years now, we've been expecting Solar Cycle 23 to bottom out and new Solar Cycle 24 spots to emerge, but the sunspot minimum drags on. Most projections are based on past cycle activity, so according to the timing of past solar minimums, we keep thinking surely soon there will be an explosion of new solar activity, but the Sun seems to tease us. Sunspot numbers for February 12-18 were 11, 11, 0, 0, 0, 0 and 0 with a mean of 3.1. The 10.7 cm flux was 69.7, 70.1, 70.1, 69.6, 69.5, 70.6 and 69.8 with a mean of 69.9. The estimated planetary A indices were 4, 3, 14, 10, 3, 1 and 2 with a mean of 5.3. The estimated mid-latitude A indices were 1, 2, 9, 6, 2, 1 and 1 with a mean of 3.1. For more information concerning radio propagation, visit the ARRL Technical Information Service Propagation page <http://www.arrl.org/tis/info/propagation.html>. ==>IN BRIEF:

* This Week on the Radio: This week, the ARRL International DX Contest (CW) is on February 21-22. The AM QSO Party and the REF Contest are also February 21-22. Next week, the Russian WW PSK Contest is on February 27-28. Look for the UBA Contest (CW), Mississippi QSO Party, North American QSO Party (RTTY), CQ WW 160 Meter Contest (SSB) and the CQC Winter QSO Party to be on the air February 28-March 1. The High Speed CW Contest is March 1. The North Carolina QSO Party and DARC 10 Meter Digital "Corona" are both March 1-2. All dates, unless otherwise stated, are UTC. See the ARRL Contest Branch page <http://www.arrl.org/contests/>, the ARRL Contest Update <http://www.arrl.org/contests/update/> and the WA7BNM Contest Calendar

* ARRL Continuing Education Course Registration: Registration remains open through Sunday March 8, 2009 for these online course sessions beginning on Friday, March 20, 2009: Amateur Radio Emergency Communications Level 2, Antenna Modeling, and Radio Frequency Propagation. Each online course has been developed in segments -- learning units with objectives, informative text, student activities and quizzes. Courses are interactive, and some include direct communications with a Mentor/Instructor. Students register for a particular session that may be 8, 12 or 16 weeks (depending on the course) and they may access the course at any time of day during the course period, completing lessons and activities at times convenient for their personal schedule. Mentors assist students by answering questions, reviewing assignments and activities, as well as providing helpful feedback. Interaction with mentors is conducted through e-mail; there is no appointed time the student must be present -- allowing complete flexibility for the student to work when and where it is convenient. To learn more, visit the CCE Course Listing page <http://www.arrl.org/cep/student> or contact the Continuing Education Program Coordinator <cce@arrl.org>.

* Get Ready for the ARRL International DX CW Contest this Weekend: This weekend will be a busy one for CW operators as the 2009 ARRL International CW DX Contest takes center stage. First started in 1929 as the ARRL International Relay Party, the ARRL DX CW Contest is the longest running contest in Amateur Radio. Stations from all around the world -- from Australia to Zimbabwe -- should be active for this great event that takes place on 160-10 meters (no contest QSOs are permitted on 12, 17, 30 or 60 meters). Stations in the US and Canada work only DX stations (Alaska and Hawaii are considered DX for this contest), and DX stations only work the US and Canada. DX stations will be trying to make as many QSOs with all US states and Canadian provinces as they can. The contest exchange is simple -- US and Canadian stations send a signal report and their state or province, while DX stations send a signal report and the amount of power with which they are transmitting. The ARRL International CW DX Contest runs from 0000 UTC Saturday, February 21 through 2359 UTC Sunday, February 22, 2009. Complete rules and forms can be found on the ARRL Contest Web site <http://www.arrl.org/contests/rules/2009/intldx.html>. Electronic logs should be e-mailed <DXCW@arrl.org>; paper logs can be sent to ARRL DX CW Contest, 225 Main St, Newington, CT 06111. Logs sent via postal mail must be postmarked no later than 2359 UTC Monday, March 23, 2009.

Care to hear yourself -drunk again- on the voice mail, n8wwm?

You keep wishing someone will put their boot in your ass, doug. (besides
the judge that has done it repeatedly) I enjoy watching your criminal
meltdown, and I'm sure someone will eventually oblige you.

I tried too but you were too scared to come out of your slum. eh?

Just like you will posting here while I'm at the Toledo hamfest again, just
like last year.

You can't ever leave your roach motel, n8wwm.

I own you.

A open letter to CBres

Lets keep are linear amplifiers turned off for the next sun spot
season.

Just imagine a day when you can turn on your radio (Durning sun spot
season) and not hear 9db plus of noise. Hearing the sound of millions
of CBers keying up with High Power, poorly tuned and over modulated
radios is not what I call a fun way to enjoy a hobby. I would like
to suggest a better way of operating your CB equipment. Instead of
using the brute force method of CB Operation (High Power, over tuned
and over modulated radios). I suggest using the radios as they were
intended, outputting the Maximum legal power and staying out of the
radios. Using linear amplifiers ruined the CB experience for everybody
else. linear amplifiers splatters RF to adjacent frequencies,
Interferes with other services (aviation and emergency services) and
can even be hazardous to your health. The modification of CBs (Freq
and Peek) is also a concern. I can't tell you how many times I have
opened a radio I bought from ebay or the ham swap to see all of the
tunable components hacked or tuned with a 1/4 inch flat screwdriver. I
don't understand how someone would think you can tune a radio better
then at the factory, after all the factory only has the best possible
electronic test equipment to calibrate the radios. Sure, I understand
that these radios are not tuned to output the maximum possible RF
output that the circuit can supply, But instead set to the FCC
maximums.

I just think people should take pride in there RF Signal. CB would be
a much better place with out the noise makers, profanity, linear
amplifiers and all the other stuff that makes CB a joke. Are you proud
to be a CBer? CB radio was a starting place for my career(and Life) in
technology. I eventually earned my ham ticket than went to college to
get my degree in electrical engineering. I hope someday CB will be a
place were young people will spark there interest in technology .

Keep your RF level down so we can all enjoy the band.

Thanks

KGK5417 (My CB call sign circa 1971)

Bah! Many of the new export radios are 75-150 watts out of the box, no linear needed.
Not all linear amplifers "splatters RF to adjacent frequencies"
as linear amplifiers are used with great regularity on the 10 meter band
with no adverse effects as you claim. As well, the use of a linear
does NOT automatically mean it interferes with emergency services or any

other service for that matter. 100 watts or so doesn't necessarily do any of the things you claim. You will never get the Espanol-speaking countries to abide American laws. Radio waves do not stop at the border of US soil. You want a quiet band, stay on the hammie freak-whine-seas. CB today is wide open and anything goes. Don't shoot the messenger, this is just . . . the way it is.

A retired Twisted, enjoying life to its fullest extent and shooting skip with the best of them.

MURS does not require attachemnt FRS does and indeed on the right
ground my small half watt 2m and 440 MHZ radio could heard 20 miles
away on the attached radio anttena you have to have eveidence and it
would help if you knew your stuff

and how does one tell the range froma recording you don't know where
he was transimitting from

the FCC can track these things down if they want to

if he is doing something I encourage to contact the FCC and get them
on the case and stop playing radio vigilante justice is never done

==> ARRL NATIONAL CONVENTION TO FEATURE RICHARD GARRIOTT, W5KWQ

Richard Garriott, W5KWQ, will be attending the 2009 ARRL National
Convention -- hosted by the Dayton Hamvention -- as a special guest of
the ARRL and AMSAT. Garriott, who took off for the International Space
Station (ISS) on October 12, became the sixth private citizen to fly
with the Russian Federal Space Agency (RKA) for a short-term mission on
the ISS <http://www.arrl.org/news/stories/2008/10/09/10382/?nc=1>. Not
two hours after he arrived on the ISS on October 14, Garriott was making
ham radio contacts, just as his father, Owen Garriott, W5LFL -- the
```

first ham to make QSOs from space -- did in 1983 while aboard the space shuttle Columbia on STS-9. Both Richard and Owen are ARRL members.

"We are so excited to have Richard be a part of our National Convention this year," said ARRL Sales and Marketing Manager Bob Inderbitzen, NQ1R. "He will spend some time in the ARRL EXPO exhibit area, meeting convention attendees and signing autographs <http://www.arrl.org/expo>. He's also been confirmed as a Hamvention forum speaker." The ARRL EXPO is a large exhibit area located in the Ballarena Hall (near the 400-numbered booths) at Hara Arena.

"This mission to the ISS fulfilled a lifelong dream to experience spaceflight, just as my father first did 26 years ago," Richard said. "It's an honor to be the first American to follow a parent into space." While living on the ISS, Richard conducted scientific experiments and environmental research -- but he also had a chance to do quite a bit of Amateur Radio operating, including sending slow-scan TV (SSTV) images.

Richard said that after his first QSOs with Earth, he understood how "well-networked" the global ham community really is: "I received specific reports back through Mission Control-Moscow about the technical aspects of my work and how the [amateur] community was enjoying the transmissions. This redoubled my enthusiasm to do quality work for the Amateur Radio legions around the world, as I realized how much it meant to those with whom I had the chance to talk. By late in my flight, I had contacted many hundreds of hams by voice and I have good records of these contacts."

For the past 26 years, ham radio operations from aboard the space shuttles and the International Space Station have helped to spotlight the innovation and experimentation that are benchmarks of the Amateur Radio Service. Richard Garriott's story as a private astronaut embodies that same "can-do" spirit. "We are absolutely delighted that Richard has agreed to take part in the 2009 ARRL National Convention. His biography reads like an adventure novel -- one that spans global expeditioner, explorer and entrepreneur," Inderbitzen said. "Like many radio amateurs, Richard has an innate fascination with science and technology. He has written very enthusiastically about his experience using Amateur Radio from aboard the ISS. He found it particularly gratifying to find hams around the globe eager to make radio contact with him at any time of the day or night. Throughout the mission, he made hundreds of radio contacts with individuals and classrooms full of children. When we greet Richard in Dayton, we'll welcome him as one of our own!"

==> BSA UPDATES RADIO MERIT BADGE REQUIREMENTS

The Boy Scouts of America (BSA) has updated the requirements needed to earn the Radio merit badge. The new requirements became effective with the publication of Boy Scout Requirements 2009. While no new content has been added to the program, the new merit badge pamphlet features lots of new information -- including color pictures and updated charts and text -- that reflects the changes in the Amateur Radio Service since the last

pamphlet update in 2002. Approximately 4000 Radio merit badges are earned each year.

According to ARRL ad hoc Scouting Committee member Larry Wolfgang, WR1B, the new Radio Merit Badge pamphlet had been in the works for some time. "BSA has been replacing all merit badge pamphlets with new booklets using color graphics and more modern presentations," he said. "With attractive color photos and clear text explanations of the requirements, the new merit badge pamphlet is a pleasure for the Scouts to read. The new text is due in large part to the efforts of longtime Radio Merit Badge Counselor and K2BSA National Jamboree Staff member Mike Brown, WB2JWD. I am looking forward to using the new pamphlet to teach Radio merit badge at our Council's Merit-Badge-O-Ree this spring, and to having a supply of the new books available for Scouts during the 2009 summer camp season."

Wolfgang said that the requirements for the badge have been shifted around: "The old Part 4 of Requirement 7(b) Broadcast Radio was pulled out and placed in the main body of the requirements as Requirement 8. In addition, the old Requirement 8 (to visit a radio installation and discuss what types of equipment, how it was used, what types of licenses are required to operate and maintain the equipment, and the purpose of the station) was moved up to Requirement 7, so that now the three options appear as Requirement 9. The main result is one additional full requirement."

ARRL Rocky Mountain Division Director and Chairman of the League's ad hoc Scouting Committee Brian Mileshosky, N5ZGT, called the Radio Merit Badge "a perfect avenue to introduce Scouts and Scouters to the wonderful world of ham radio. Ham clubs across the nation should locate a local Boy Scout Troop, secure permission from their Scoutmaster and/or committee to teach the merit badge and deliver an exceptional Radio merit badge class. What the boys -- and their leaders and parents -- will learn in the process is a fair amount of what is part of the Technician license exam, so the next logical step after a merit badge class is an all-out recruiting effort to get that Troop involved in Amateur Radio. They'll meet new friends and have a great way of communicating while in transit to and from the field, as well as additional peace of mind through an effective means of emergency communications while in the backcountry."

For a complete overview of the Boy Scout Radio merit badge, see the Radio merit badge page on the BSA Web site <http://www.scouting.org/boyscouts/advancementandawards/meritbadges/mb-RADO.aspx>.

==> ARRL DX PHONE CONTEST BRINGS DX IN FULL FORCE TO HF BANDS

With the 2009 ARRL International DX CW Contest now history <http://www.arrl.org/news/stories/2009/02/11/10644/?nc=1>, the first full weekend in March brings the next round of competition: The 2009 ARRL DX SSB Contest

<http://www.arrl.org/contests/rules/2009/intldx.html>. Like its CW predecessor, this event focuses on DX stations working all US states and Canadian provinces, while US and Canadian amateurs try to work as many DX countries as possible over the 48 hour contest period.

"While the origins of the ARRL DX Contest go back to 1929, the first Phone weekend wasn't until 1937," said ARRL Contest Branch Manager Sean Kutzko, KX9X. "AM was the voice mode used at that time. The rules may have changed since the event was held back in the 1930s, but the premise remains the same: How many contacts with stations in far-away locales can you make?"

Just as in the CW contest a couple of weeks ago, US and Canadian stations send a signal report and their state or province, while DX stations send a signal report and their transmit power. Remember that for this contest, Alaska and Hawaii are considered DX stations -- this means stations in KH6 and KL7 focus their efforts on working Stateside and Canada.

How can you participate? Kutzko said you're only limited by your imagination and willingness to get on the air: "Even though we are at the bottom of the 11-year solar cycle, there will be plenty of chances to work DX, even for stations running 100 W and a dipole or vertical antenna. If you live in an area where antenna restrictions exist, take your contest effort on the road! Operate from your car, set up a portable antenna in a park or campground or see if a friend's station is available. If you have a station and won't be using it, consider opening your doors to members of your club to try their hand at working some DX. If you make 100 QSOs, you're eligible to purchase a commemorative pin for your efforts."

The ARRL DX Phone Contest runs from 0000 UTC Saturday, March 7 to 2359 UTC Sunday, March 8. Complete rules and forms are available online <http://www.arrl.org/contests/forms/>. Why let all this DX pass you by? Get on the air and have some fun!

==> QEX: THE MARCH/APRIL 2009 ISSUE

The March/April issue of QEX is coming soon, and it is full of theoretical and practical technical articles that you don't want to miss <http://www.arrl.org/qex>.

In this issue, Gary Steinbaugh, AF8L, introduces us to "A Cybernetic Sinusoidal Synthesizer." The initial part presents some interesting history and theory of feedback control. The system includes an oven-stabilized crystal-controlled oscillator, a PLL frequency synthesizer with a low phase noise sinusoidal output, a variable gain RF amplifier for automatic power level control and an RF power meter with a digital readout in dBm and an analog voltage output. Subsequent articles will describe these circuits in detail. Ron Skelton, W6WO, takes us "Exploring Near-End-Fed Wire Antennas" by modeling his design using EZNEC, and then building a 40 meter version to verify the modeled

performance. Ken Grant, VE3FIT, describes "A Versatile Two-Tone Audio Generator for SSB Testing." This handy piece of test gear could be a valuable addition to your test bench.

Thomas Alldread, VA7TA, continues to describe his "NimbleSig III" dual output DDS RF generator. This circuit provides signals over a range from 100 kHz to 200 MHz, with 1 Hz resolution. In this part of the series we learn about the control software design, computer interface, MPU programming and initial testing. Rudy Severns, N6LF, presents more of his research in "Experimental Determination of Ground System Performance for HF Verticals." Part 3 compares the performance of antennas using ground-surface radials and those using elevated radials. If you use vertical antennas on HF, or have thought about using vertical antennas on HF, you will want to read all of the articles in this series. Roger Monroe, K7NTW, introduces the process of programming a microcontroller in "Some Assembly Required." As a practical application, he describes how he used a microcontroller in the design of a QSK amplifier keying interface for use between his Ten-Tec Omni IV+ radio and his Heath SB-220 amplifier.

Ray Mack, W5IFS, continues his software defined radio column. In this installment of "SDR: Simplified," Ray looks at signals in the time domain and the frequency domain, and introduces the concept of Fourier transforms. He also explains the Nyquist criterion for sampling signals in analog to digital conversions as well as the filtering requirements for digital to analog conversions. Mark Spencer, WA8SME, has been sending results of his further data collection based on his article, "SID: Study Cycle 24, Don't Just Use It" from the September/October 2008 issue of QEX. The "Tech Notes" column in this issue includes some graphs of Mark's data, as well as a re-designed SID receiver and interface. The "Reader's Page" includes photos of two different GPS-derived frequency standards. Readers are encouraged to submit photos of their projects, to show off their handiwork.

Would you like to write for QEX? It pays $50/printed page. Get more information and an Author's Guide <http://www.arrl.org/qex/#aguide>. If you prefer postal mail, send a business-size self-addressed, stamped envelope to QEX Author's Guide, c/o Maty Weinberg, ARRL, 225 Main St, Newington, CT 06111-1494.

Editor's Note: Due to production difficulties, the March/April issue of QEX will be arriving about two weeks later than normal. Readers should expect to see their copies in their mailboxes in mid March. We regret any inconvenience this may cause.

==> TRAIN THE TRAINERS COURSE DEBUTS AT ORLANDO HAMCATION

The inaugural Train the Trainers course -- supported by a grant from the ARRL Foundation -- made its first appearance on February 13-14 at HamCation <http://www.hamcation.com/> in Orlando, Florida. Led by ARRL Education and Technology Program Coordinator Mark Spencer, WA8SME, 12 participants -- primarily from the ARRL Southeastern Division -- completed the course. HamCation is the ARRL Southeastern Division's convention.

According to Spencer, the focus of the Train the Trainers course is on course development, instructional techniques and instructional resources -- not on the technical content of the course. The objective of the course is to develop and validate a model program that could be used to provide instruction to volunteer ham radio licensing course instructors, helping to improve their teaching effectiveness.

ARRL Chief Development Officer Mary Hobart, K1MMH, attended the Train the Trainers course: "When I agreed to attend the Train the Trainer sessions at Orlando HamCation, I intended to be a fly on the wall. But as a volunteer instructor myself, I found that I was caught up in the enthusiasm of those who signed up for the course. Each of the participants came with a set of teaching experiences, and left with even more -- and some made dramatic changes in their philosophy and approach to teaching licensing classes. I found the hours I spent under Mark's leadership rewarding and very, very useful. Kudos to Director Sarratt and the HamCation team for their support of this pilot project. I hope that this is just the beginning of something that can enhance our teaching of ham radio licensing."

Spencer commended the Orlando Amateur Radio Club (OARC) <http://www.oarc.org/> -- HamCation's sponsor -- for their "exceptional job of providing a venue for the class. ARRL Southeastern Division Director Greg Sarratt, W4OZK, and his primary point of contact, Ed Tyler, KI4GKS, did an excellent job of advertising the course, accepting applications from interested volunteer instructors and vetting and selecting the final pool of participants."

Spencer said the response from the course's participants was enthusiastic. Here are a few comments:
* The course provided some great insights to different approaches to subject matter, including out-of-the-ordinary presentation strategies and considerations for class preparation.
* Participations were able to compare real-life classroom experiences.
* I expected new techniques, and I got them. Rearranging the material in a logical manner was something that made sense, but I had not given any thought.
* The other (more important?) way the class exceeded my expectations was the caliber of the "students" themselves. They were engaged, brilliant and motivated for this to work. I like to think of myself as a really good instructor, but I learned quite a number of useful and interesting things from the classroom discussions just with the students.
* The most valuable feature of the class was the opportunity to "face down my fear" and present in front of an audience of top-notch people

who were there to critique my work -- scary, yes; on the edge, yes. But a very powerful motivational and quality-oriented tool to really pay attention to the lessons and put forward one's very best effort, and then learn from those critiques.

==> 2009 WINTER SECTION MANAGER ELECTION RESULTS

ARRL members in the North Texas Section have elected a new Section Manager. Jay Urish, W5GM, of Flower Mound, received 740 votes; his opponent, incumbent Section Manager Tom Blackwell, N5GAR, of Dallas, received 678 votes. Blackwell has served as Section Manager since 2005. In Arizona, members re-elected incumbent Tom Fagan, K7DF, of Tucson. Fagan, who has been Section Manager since 2005, received 1016 votes; Robert Spencer, KE8DM, of Yuma, received 205 votes. Ballots were counted and verified at ARRL Headquarters on Tuesday, February 24.

Iowa will have a new Section Manager starting in April. Tom Brehmer, N0LOH, of Muscatine, was the only candidate to run for office when veteran Section Manager Jim Lasley, N0JL, of Chillicothe, decided not to run for another term. Lasley has been the Iowa Section Manager since 1994. Brehmer is presently the ARRL Official Observer Coordinator in Iowa and a Volunteer Examiner. He is serving as the Secretary/Treasurer of the Muscatine Amateur Radio Club.

In Wyoming, Garth Crowe, N7XKT, continues as Section Manager for the April 2009-March 2011 term of office. Crowe was appointed in January to take the reins from LeeAnne Sachau, WY7DTW, who decided to step down after she was the only nominee for the next term of office.

The following incumbent ARRL Section Managers did not face opposition and were declared elected for their upcoming terms of office beginning April 1: J.M. Rowe, N5XFW, Arkansas; Jim Brooks, KY4Z, Kentucky; Malcolm Keown, W5XX, Mississippi; Doug Dunn, K7YD, Montana, and Carl Gardenias, WU6D, Orange.

* ARRL Continuing Education Course Registration: Registration remains open through Sunday, March 8, 2009 for these online course sessions beginning on Friday, March 20, 2009: Amateur Radio Emergency Communications Level 2, Antenna Modeling, and Radio Frequency Propagation. Each online course has been developed in segments -- learning units with objectives, informative text, student activities and quizzes. Courses are interactive, and some include direct communications with a Mentor/Instructor. Students register for a particular session that may be 8, 12 or 16 weeks (depending on the course) and they may access the course at any time of day during the course period, completing lessons and activities at times convenient for their personal schedule. Mentors assist students by answering questions, reviewing assignments and activities, as well as providing helpful feedback. Interaction with mentors is conducted through e-mail; there is no appointed time the student must be present -- allowing complete flexibility for the student to work when and where it is convenient. To learn more, visit the CCE Course Listing page <http://www.arrl.org/cep/student> or contact the Continuing Education Program Coordinator <cce@arrl.org>.

* Field Day Station Locator Service Returning for 2009: First introduced in 2008, the ARRL's Field Day Station Locator Service was a popular addition to the Field Day toolbox. This service -- an interactive map that helps amateurs or those interested in Amateur Radio find a Field Day <http://www.arrl.org/fieldday> site near them -- is free to clubs or individuals who will be operating public Field Day stations. Stations can also be listed by state or province. If your group would like to be

a part of the Station Locator Service, it's easy to get started -- just go to the Field Day Station Locator Web site and follow the instructions <http://www.arrl.org/contests/announcements/fd/locator.php>. ARRL Field Day is the most popular on-the-air operating event in Amateur Radio. On June 27-28, join tens of thousands of Amateur Radio operators as they gather for a public demonstration of our Service.

* RAC Elects New President: Radio Amateurs of Canada (RAC) President Dave Goodwin, VE3AAQ/VO1AU, announced he was resigning his post, effective immediately, at the RAC Board of Directors teleconference meeting on February 24. At the same teleconference meeting, the RAC Board elected Bob Cooke, VE3BDB, as RAC President. Cooke will serve until December 31, 2009, the end of the current term. According to RAC Vice President for International Affairs Daniel Lamoureux, VE2KA, Goodwin indicated that his decision was motivated by his inability to devote enough time to RAC affairs, due to a recent increase in personal and professional responsibilities. Goodwin became RAC President on January 1, 2008 at the end of President Earle Smith's, VE6NM, tenure. Cooke has a long history of working with RAC. His involvement started in the early 1990s as an Assistant Director; he was served as RAC Ontario South Director from November 2001-January 2005. He was then elected by the RAC Board as Vice President for Field Services, serving from January 2006-February 2009 when he resigned to accept the appointment as President. -- Information provided by RAC

* EMCOMMWEST to Include ARRL Pacific Division Convention: EMCOMMWEST 2009 -- an ARRL specialty convention devoted entirely to emergency communications -- will host this year's Pacific Division Convention (Pacificon) at the Circus Circus Hotel Resort in Reno, Nevada May 1-3. Supervisor of the ARRL's Field and Public Service Team Steve Ewald, WV1X, will host an emergency communications forum and deliver the keynote address. Riley Hollingsworth, K4ZDH, former Special Counsel of the FCC's Enforcement Bureau, will be the speaker at the Saturday evening banquet; Hollingsworth will also present a forum on the legal aspects of emergency communications. Other forums in the works include an introduction to the work of Public Information Officers (PIO) and the PR-101 Course <http://www.arrl.org/news/stories/2009/01/22/10578/?nc=1>; how to create an effective ARES team (and even how to create an ARES team from scratch); how to work with ARES from an Emergency Manager's view; packet software and operations for emergency communications; practical emergency communication functions for ATV; how to creating a Section-wide intercom using EchoLink and VoIP, and more! SKYWARN and storm spotter training will also be offered. ARRL Pacific Division Director Bob Vallio, W6RGG, and Vice Director Andy Oppel, N6AJO, will lead the ARRL Forum. Registration is now available online via the EMCOMMWEST Web site <http://www.emcommwest.org/>.

* ARRL Sweepstakes and RTTY Roundup Set New Records: The lack of good HF propagation didn't seem to affect participation in the 2008 Sweepstakes or the 2009 RTTY Roundup contests. According to ARRL Contest Manager Sean Kutzko, KX9X, both contests were record-breaking events. "We have

received 3298 logs for the November SSB and CW Sweeps combined in 2008," Kutzko said. "That is -- at bare minimum -- a 5 year high. The 2009 RTTY Roundup in January saw 1564 entries, also a 5 year high." Kutzko said he attributes some of the increase to the hoopla surrounding the 75th running of Sweepstakes: "The excitement over the new Triple Play Award <http://www.arrl.org/awards/#tripleplay> was likely a large factor in the RTTY Roundup increase. Interest in contesting in general is on the rise."

* WSJT Monthly Sprints to Begin this Weekend: The first monthly WSJT Sprint contest will be held this Saturday, February 28 between 4 AM and noon (local time). WSJT <http://www.physics.princeton.edu/pulsar/K1JT/> is a popular software suite created by Joe Taylor, K1JT. It is used to make digital contacts by reflecting signals off the ionized trails left by meteors (a technique known as meteor scatter). The same software can be used to make contacts by using the moon as a radio reflector (moonbounce). WSJT Sprint points are based on the distances worked. Participants are allowed to make random or assisted contacts (skeds via Ping Jockey <http://www.pingjockey.net/cgi-bin/pingtalk>). Enter as 6 meter only, 2 meter only or Combined class. Simultaneous 6/2 meter operation is permitted in the Combined class. Complete rules are available online <http://www.ykc.com/wa5ufh/>; click on "Sprints" in the content bar on the left.

* FCC Revokes License of Indiana Ham: On February 25, the Federal Communications Commission revoked the license of Lonnie L. Keeney, KB9RFO, of Greencastle Indiana. According to the FCC, Keeney's 2002 conviction of child molestation, a Class C felony, renders him "lack[ing] the requisite character qualifications to be and remain a Commission licensee." Keeney has 30 days to appeal the revocation <http://hraunfoss.fcc.gov/edocs_public/attachmatch/DA-09-456A1.pdf>.

it is the range, dumbass...talking 20 or more miles highly suggests
that it aint 2 watts and antenna attached to the radio itself.

Sounds to me like someone is over due for a Amateur Radio License, for
the CB Radio is just that - Children's Band Radio with people Running
Amps that they don't need them for the sun dose all the work.

Before I had an Amateur Radio License, I talked all over the US and some
parts of the world without Amps on CB, just a 4 watt radio and a good
Antenna system. In the past CBer's didn't run Amps or the FCC would be
at your door, so we had to learn how to sound good without them, the
Antenna is key.

If you have a good antenna system you'll out talk those with amps and if
you have an amp you'll sound even better then those with the same size
amp due to a good antenna system.

The CB in my area has gone down hill with people fighting and all so I
got an Amateur Radio License and love it. The Code requirement now gone
it's easy to make your way to the HF Bands and lots of other former
CBer's that too got fed up with all the fighting and moved up to Amateur
Radio to talk too. ;)

Now thats not to say we don't have our share of problems, but unlike the
CB, Amateur Radio is policed still by the FCC when things get out of
hand by those like our resident Spammer KB9RQZ... ;)

INTERPOL REJECTS CALL FOR ARRESTS OF WAR CRIMINALS

/ / INTERPOLï¿½s Constitution strictly prohibits the
Organization from making ï¿½any intervention or
activities of a political, military, religious or
racial characterï¿½. \ \

Then, what the fuck are they good for to not speak
against clear war crime injustices against God and
Humanity? Who pays for this without thought to
question? YOU DO.

Alex Jones is a Bushwhore

Alex Jones stated today the reason why Ron
Paul constantly LIES to America, is because
he needs to play politics. Yes, he like Alex the
censor of Truth, does not have the intellectual
skills to ACTUALLY defend his silence of a
grunts lawless position. 1441. American grunts
in Iraq are dying for the escape of the Neocons,
as NOT police officers trying to "police the
world". Understand: Ron Paul actually sells bin
Laden is the target for the crimes of 911. And
Alex Jones, who we know knows better, refuses to
defend Freedom's cause for Justice. No, today he
told US he sides for a Con because he doesn't
want America to openly communicate the facts
to save our souls. Again, a bushwhoire who
believes Mr. Bush is above all the laws of
the Universe as the Conservative bigot's false
deity. Again, Mr. Bush closed 911 investigations
as godless traitor.

Zionist Nazis CHOSEN for Public war crimes trials.
War crimes warranting death by Jewish firing squads.
Only Black Jews will be asked to pull the triggers

Zionist NAZIS confess to have broken the truce, to have

satanic mass murder against God ourselves, the Innocent.
Trying to have ourselves blame all Jews, instead of
the demonic zionist threat against Humanity. These be

them which say they are Jews, and are not, but are the

took those towers down as widely captured.
It's an inside job. The questions are always
cool, (though sometimes wasting time) and
by challenging our conceptions on what it is
that we can prove is vital if we're ever
going to understand that by Bush simply
closing criminal investigations on 911, he's
"officially" assisting in the escape of
those truly responsible for mass murder in
New York City. Why? Well it seems the Neocons
had this planned all along with those in NATO,

and the Chiefs of Staff, to con the dumb grunts
for criminal greeds. You know, a repuglicon.

This stuff is excellent! They are playing
the odds exactly like the bookies do. It
is actually illegal to do that now when I
think of it.. ! We'll need to discuss this
internationally to gain a better focus.

Your Car Has Been Repo'ed

The derivatives recordings sound fascinating.
I know the banksters don't cover our loans, fraud
from the get go, but these available estimates
going as high as into the tens of quadrillions
are a mathematical impossibility. But for the
the 'value' of something speculated with
OUR assets as truly worthless to be an "investment
vehicle" for our futures. (Like Hedge Funders.) The
"toxic assets" are the crime scene evidence of
monster fraud, where for the sales of paper
arbitrarily determined to be worth zillions,
they took the real deposits as commissions in
the trillions, just like a bookie does but
usually far more fairer. At least that is how
I see it with my limited knowledge on this one
particular scam of the Capitalist Free Market
System of Lawless Corruption Due a Failure in
Real Leadership. - worthless pieces of paper
America has paid trillions already as dahh..
LuCkY WinNaaAhhs. Do you People even know what
a Hedge Fund is? They hedge US out of the Markets
by nickel and dooming everything to undermine the
Market in it's entirety. And, some of these
people have "earned" as much as a trillion
dollars personally in the span of a short few
years under repuglicon misrule. Geniuses? Hardly.
What every Bookie does as a felony warranting
unjustly Life probably. They trade bets,
and take their cuts, paying themselves with the
money the private Investment banks hold, leaving
derivatives as balanced collateral, BUT, a
derivative can have no actual value. It's just
the rules on how the cash will be divvied on this
next go-around with the suckered. As according

too to a 60 Minutes spot on this very specific issue. Now, the bushmob with Obama, CNN, FoxNews and some of MSNBC have been issuing the blind acceptance, that buying these "toxic assets" was a better investment, than publicly challenging ourselves on where all the actual money went? and for wHaT?? Manufacturing has been purposefully outsourced by the Bushmob as treasonous SABOTAGE, while now, to make up for a small percentage of the massive job losses, they, to FOOL YOU, include those who flip burgers as the new Manufacturing Jobs created to make the numBerts look not so bad - but for Christ's sake, who even cares enough to demand CNN to count our Lives as worthy of defenses? ..besides, the Private Investment Fraudsters told US already. Bonuses paid by Public Welfare in the trillions to actual billionaires, with one CEO bragging all he needed to do was fudge his books, and he then immediately qualified himself for 272 million! IS FOR REAL. It was in the Washington Post. No, nobody was arrested, yet, in fact, I wouldn't doubt he's going to try for a second Public Cash infusion to bolster his 'credit' that you can't/don't/won't know: the magical Banksters never even cover our loans YOU left for robbed dead victims - So, needless to say, these new Inter-National Trillioniares, that expect Ourselves to pay them back for minimum fifty long generations, have been going on one hell of a shindig binge of excessive excesses, but what about the continuing "CRISIS" of PUBLIC Banking left undefended by looting? Giving the banksters any public money is totally crazy when we think aloud, but more?? is a recognized crime in progress. Giving public money to banksters to do what they will with our investment is nuts okay? - even if they lent it back, of which they have formally refused, but even if they did, it would still be nuts because where is the public's interest being defended where they pocket privately by defrauding near all at 99 percent there also? It's like you EARNING a thousand dollars, to then be told by the banker, he's going to charge you a thousand dollars plus interest for cashing YOUR check at the only bank available for fifty miles. (Your car has been repo'ed.) Answers: The depositor should be recognized as the shareholder - and there should be no private interests existing to take in between our exchanges for goods and services. Banks need to be separate from the Casino frauds which comprise much of what the Market is

today., and a tax for every buy and sell needs to
be re-introduced. Obama, and the Repugs want US to
religiously accept the Banker Buildings rule our
Reality by giving of ourselves blindly in huge
error. We can work it out. Ego must be chucked
- facts are facts - and Justice is measured as
Freedom is cherished. In other words: No evidence?
Person innocent.

Trillionaires, whatyahfingureeh?

are still being recognized as heroes. American

for raping, and/or torturing INNOCENT PEOPLE TO DEATH.
Erstwhile committed criminally, to assist in the
'escape' of the neocon traitors for the crimes of
massive banker fraud, 911 and Iraq. Bush personally
worked to close FBI 911 investigations, immediately
after the terror attack occurred. Criminal. Torture is
still illegal if you didn't know so as an American
victim silenced by Coast to Coast censorship on your
personal value system being sacrificed. Pick up a

for All is Freedom won. Speak for US demanding
international 911 arrests of those directly
responsible for mass murder in New York City.

Autism & Vaccines: U.S. Court of Claims

The PROVEN fact here is that, without DOUBT,
Mercury causes brain damage one hundred percent
of the time. NO DEBATE. But Alex's NWO will blame
anyone but themselves for this communications
failure. NOT DEMANDING arrests against those in
government LIKE BUSH, who have consciously allowed
this massive criminal assault against all children,
continuing against our better judgments. Realize:
Alex Jones actually believes George Noory is anything
but a willing traitor who boosts in tale, propaganda
lies of death through terror to sacrifice American
GI Teens, all for the escape of the 911 perpetrators.
So again, I ask all to question, what is Alex's point
in not mentioning the crimes of the Bush Administration?
The Courts are being told to rule on whether a proven
connection can be found from vaccines to Autism, where
OUR Court should instead be ruling, mercury is a neural
toxic heavy metal causing irreparable brain damage.

Alex Jones is a Fraud

/ / A bank that received $1.6 billion in bailout
money just spent a fortune last week in L.A. hosting
a series of lavish parties and concerts with famous
singers ... \ \ While CNN with George Noory can be
only happy here watching America robbed and left for
more dying victims? Yup. Who cares? Alex doesn't for,
George Noory is a 'good guy', and what ever you do,
never encourage the truthers to organize for public
debate against the evil enemy forces of the Satanic
LIAR Coast to Coast radio programmingers. Why, because
Alex Jones THE LIAR, would lose, and Americans would win.
Again, never forget, it IS Alex and George who silence
those who truly speak for Justice in America. "Bush is a
puppet" is the call of a hypno mugger, who cowardly,
refuses to fight against those who PROVABLY commit lawless
acts of murder in America. Not a Jewish conspiracy, you
demon fuks who deny George Walker Bush. Alex Jones stated
today as a demon enemy of GOD, that the bible states
the AntiChrist will appear posing not as Bush. I again,
demand Alex PROVE his NWO FRAUD against the Son of Man.
I want free communications to face any or all who

He's a bushwhore. A soul who refuses others to actually
understand their own conclusions. It's all about Alex, and
not about Justice. Bush closed 911 investigations. He'll
go on and on about the new bank of banks their selling
against "all" as a diversion to understand, the
international private bankers have stolen trillions as
of late, and believe Alex and George ain't gonna let
Americans know: The banker does NOT cover our loans, and
even if they did, WHICH THEY DON"T, why give them our
own money to only hope that they will lend a small
back to ourselves at high interest? The derivatives are
crucial in understanding what is going on here, and Alex
is stuck in his bullshit, nwo crap, blinding him from
understanding how the scams went down. A derivative has
no real value, unlike ARGUABLY, everything else comprised
of 'free market' highjinx. It's like me selling you a
piece of paper with nothing special written on it, for
ten billion dollars. NOW; why would you do that? Because

the American suckers are on the hook for the loses because
Alex doesn't want smart people to speak. Steve Quail is
as real a demon enemy of God and man than anyone. "He talks
directly to God", and 'knows' consciousness can be
imprisoned into Military Intel. Comps., but doesn't know
Laden as falsely accused - delusional enemy of rational
thought denying, like Alex Jones, Justice and Truth.

What's The Point Alex?

Hey! Alex Jones said today Bush isn't guilty of nothing,
but boy, Obama is bad he'll tell you never mentioning
the FACT Bush LIED US into the Iraq war as a war crime. 1441.
Won't allow it. Why? He is a bushwhore, a believer in Bush,
the Antichrist enemy of Humanity who told US if we tried to
form our own conclusion, we would all be terrorists. NO JOKE.
Bush, the most evil man of all History, Alex claims is
guilty of nothing. Example: Bush, is his first days,
STOLE 50 billion dollars. How can Bush (the banker family
tied to Hitler) be above all the laws of the Universe
someone ask Alex. You know, Alex will hang up on any man
or woman who states in question, as he did with Peggy,
a once loyal listener, why he refuses to acknowledge the
evidence of Ron Paul being cheated through a fixed
election. Attempting as a demon, to demonize whomever
phones with such truths - like Ahmad, or Condi's 911 plan
for Enron. Alex Jones is openly a bigot, and a man who
has OPENLY confessed the willingness to murder INNOCENT
Americans - before allowing Justice to rule for the
defense of every American. I want open debate, he wants
censorship, so he can continue to masturbate to the
continuing deaths of innocent Americans. Laughing with
DEMON George Noory who claims Laden did 911, Hamas broke
the truce, and Iran is a holocaust denier. Enron. Has
Alex even ever mentioned it as motive for invasion of
Afghanistan? Never. Has Alex ever stated the Taliban

were simply asking for evidence to form anyone's
conclusion on who was PERSONALLY responsible for 911?
NEVER. THINK here. Even after me sending him email
after email for years. Alex states all who criticize him,
are delusional, because he warns people of poisons fed
the masses. So therefore, every last word I state about
Alex Jones undermining our wanting for real Justice is
correct without argument - As according to ALEX, he is
delusional. Wow eh? Alex is a stupid bigot as a matter
of fact. He'll tell you we gotta get past the left right
thing, (trying to steal my thunder - where i give to all
freely) yet, near next breath, or the one before, he'll
tell you what all Liberals think. Or all socialists,
or... blahblah Someone should ask him what Christians
think about letting the mass murdering LIAR Bush escape
Public trial for high treason by conning teen grunts who
are now dead. Bush PERSONALLY closed 911 investigations
immediately after all. Again, NEVER mentioned by Alex
as important to our struggle to arrest, try, and execute
those responsible for mass murder in Johnny's America.
An America were every Human life is worthy our protections.
Where Alex Jones is NO GREATER than anyone of US. He is in
a popularity contest, while I couldn't give a rats ass
what rupuglicon, or demoncrates think about my wise words
on God and Justice. Great entertainers I am not blindly
enamored with, nor do I believe FALSELY, demon Bush, the
Antichrist, is above and beyond all laws of our Humanity.
If 99.9 percent of godless Americans disagree with me on
God's will to have all neocons with the Bush Administration
arrested immediately for public trial for high treasons,
to hell with them all as they lose their rights rightly.
For, they are not our friends who willingly murder OUR
Humanity for stolen private Banker gains. Alex, a bushwhore,
a censor, wrongly believes Bush is guilty of nothing. A
bushwhore of the antiChrist he is. I mean come on, he
claims all those folks who followed truth mentioned in
the Bible were murdered. How stupid is that????? From
what I recall there was a misunderstanding, and well, that's
about it. How many American "Christians" actually believe a
man of God actually walks this world? How many? Being Gay
is okay with me. I'm not Gay, but still to each his or
her own, as long as your not infringing on the rights of
another to do what ever they choose. I love all children
too much. Real Freedom. GCN advertised HATE for Gay folks,
then at the website, murder - and the station sees still,
no problem with dividing our innocent masses on desperate
attempts to escape the neocons from Justice. That's the REAL
reason Alex states a derision for Liberals. Note: "Liberals"
in Canada are a right wing party that disbanded the RCMP
corporate crime division as perfect example, and! sent a

Soldier to prison for refusing criminal orders. Never allowed by Alex, for his gold dealing boss has a son killing innocent Peoples for Neoconned cash in Iraq today. ALEX WANTS TO CENSOR US ALONG WITH THE ENTIRE BIBLE NOW WHILE MASTURBATING HOW HE IS NEVER WRONG? In his dreams maybe, but not our shared suffering reality. By the way, has Alex ever written for Justice? and why not?, considering he is so greater than all others who haven't been invited on his show he stupidly said two or three days ago, me, and everybody else here globally? Truly delusional he is for not being truthful. Be a man Alex and face me in open debate to defend YOUR idiocy, he won't because HE KNOWS, Americans would win, and we would look the fool as loser. Too cowardly to defend America he is, because he doesn't have the virtue for it, and refuses to hold respect for men like me hugely wiser than himself he works to keep all down for death. Alex claimed the will to gun down kids who steal copper. Not only a man unqualified to "lead the Truth", but not qualified to even carry a gun. He told US when hearing the bullets going into the backs of two innocent men in an act of pre-meditated murder, it was 'the sound of Liberty'. That is evil to all my friends, evil to US all. He has called himself "the white devil" while mimicking another he refused to allow speak for himself after all.. And no, a debate between US and Alex will not be done where he gets the cut off switch to deny all others under the sun who speak for real Justice. Real freedom.

Bush and Cheney are traitors to the cause of American Liberty. To leave them free, is to leave America un-guarded from further transgression.

Patriotic American Navy Vet is tortured by bushite nazi grunts
http://killfile.newsvine.com/_news/2006/12/21/491153-white-american-navy-vet-is-illegally-detained-tortured-and-tried-by-us-government?last=1166730840#last_4

Again, Reagan warrants death to all who torture, and a deep hatred for all ungodly in America who support it. Why? Because the vast American public (especially FoxNews treasonous LYING enemies of The People) DO NOT have the intellectual skill to understand what freedom is. Justice. Look at me! they can't seem to talk for Christ's interests, that smart ass know it all, where he thinks he's so ingenious where no one on Earth can find fault with his indisputable simple logic we share EQUALLY. (Bankers don't cover our loans for example) Kill my kids, my spouse, myself, before allowing John to speak openly in the public on Coast to Coast for open debate, all of Americans say in silence censored. Why does America continue to die this way? Because bushites are truly as they claim,

stupidly ignorant as treasonous cowards, or as prosecutable criminals, evil people who only want in this world to rob or murder People indiscriminately as enemies to Justice, enemies to GOD, a Criminal. NOT A JEW you fuks! George Noory will tell you freely all about his hatred for our Humanity, he does it near everyday, though People don't have the ears to hear, or the care. Too scummy. That remember! get American GIs murdered by the score with NO REASON AS FOR. Example: why bomb more than a million innocent souls indiscriminately in Iraq, if you have complete unrestricted access to go where ever you will? And, that Bush, Cheney, Condi and such, knew from day one, Saddam had all the WMD destroyed as documented fully, as did I. Documents that BUSH personally stole if you recall not listening to Alex Jones, Foxnews, CNN, or the CBC. err. maybe it was Bolton - s-t-o-l-e-n -.
Likely, as a likewise deeply ignorant person, you know little of Life as principled for individual freedom, and couldn't care less what this boundless Universe offers all in reflection, instead, it all about what's in it for you as a lying cheating thief to this mystery right? Wanna be a lawless mercenary to murder innocent people dreaming of becoming a private investment banker, who never earns a dollar in their entire careers, taking trillions undefended from Humanity just to see US suffer to deaths for our continued silence. All you have to do is raise your phone to demand justice in our times. All Neocons must be arrested for public trial, along with near every last member of the Bush Administration. PUBLIC TRIAL. And Soldiers must learn quick a commander who doesn't support getting those responsible by following the crimes scene leads, is a commander deserving of an immediate firing. Otherwise, what use is the grunt good for eh?

Again, Ron Paul like near all Libertarians, does not acknowledge the wanting of Justice for the high crimes of Banker fraud, Iraq, or 911! He took the "Truther" money, but refused to support the arrest of Bush for treasons times 50. Social Security he wants to gut like Health Care as a sadist who knows near nothing on how such systems currently operate. Again, he does not speak of recouping the STOLEN 1000s of billions from America, or the lives. STOLEN. What is it that you can't figure here? Fuk ego, FACTS. We are all effected by suggestion, this is why, since the dawn of time, evidence has been the prerequisite to convince ourselves of anything. Alex's cartoon storyboard, is truly, as measured, Alex masturbating with our precious times. Think:

Alex doesn't ask Americans why they don't support
the arrest of Bush for high treason because a world
where all are treated equitably is beyond his
understanding as a bigot. He could change, but he
is 'light years ahead of the Public'.. but of what?
All you need do, is every time Alex says "they",
ask yourself, WHO? - then know: the bartender at
"Bilderberg", isn't as FOR SURE guilty of crimes as
Condi from "Builderberg" is. The 911 plan came from
her very desk according to MSNBC, never mentioned by
Alex Jones. Why? You have to be near genius like
me to explain it COMPLETELY without even seeing it.
NOT MAGIC, more like meditation through understanding
our universe is ruled by good ideas. Alex is a man,
a Good man mostly, with some fears countered with
an irrational aggression (not thought through) that
found him blindly supporting the murder of two
innocent men. Not freedom. while I, am of God. An
actual god. The Son of Man as a matter of fact.
I want to tell you how great Life could be, but i
see so very little of words present to survive the
lawless corporate state. I AGAIN, will ask YOU to
forward this post to two People, but will YOU??
Torture is outlawed by warranting Death under Reagan,
and.. it's like the best way to resolve a FoxNews
'excuse' given to illiterate nazi grunts to abuse
ourselves as innocent others. Tell me I'm wrong.
. . KBR rapes American women, or murders them,
and needs to be hunted down by All American military
forces for it, as trialled to death. Including all
commanders of the Air Forces responsible for bombing
our families without causes. And lastly, any that
discourage our grunts from not supporting the arrests
of those that actually did US wrong. Get to it.

Couldn't have happened, as is why, these phony
"FBI" bushmobsters stole the recordings and
don't want the still dying victims to know
the truth of the Neocon traitors to God and
Justice. Cell phones are not capable of
paralaxing above likely a couple thousand.
Someone on Earth would likely know the near

greater than a couple thousand, for why the
need to put towers all over our fair cities
then? 31,000 feet is a distance of miles!

Hint: 5,280 feet in a mile. 5.871212 miles
in fact. Drive out 5 miles from your nearest

to bring a elevator like aluminum box to stand

TED SAID SHE DIDN'T HAVE HER PURSE
http://911review.org/Sept11Wiki/Olsen,Ted.shtml

/ / Ted supposedly told CNN that she called him
collect. However; once a credit card is swiped,
you can begin using the phone to make calls.
So, no collect call would have been made. \ \
The allegation also has been debunked by
reported to be, Airline officials who stated
no public phones were even available on 177.
That seems near too far fetched, BUT!, GTE
Airphone reports DO SAY - zero call assists
were made on flight 177. ZERO. So, how then
does she make a collect call then, and why
if as claimed, Ted and Barbara were madly
in love, would she not know her hubby's
personal number?

Remember, Ted was the coke pusher's lawyer in
the Contra case, of which Ted, was also
assistant secretary to the Solicitor under
Reagan. The Contra group if you recall were/are
pushing crack cocaine into major cities for
plans to undermine the American government for
illegal wars against peaceful civilized life

FBI SAYS TED OLSON LIED OR WAS DUPED. NO 9/11 PHONE CALLS

SPOOKED. Olson tells of a elaborate drama
where he learns, she without her pursed
cell-phone, has to call through the phone
records of the Justice Department. How did
he forget that fact when first pronouncing
of how she had phoned him from a cell-phone,
or, then from an airliner that didn't have
phones in the cheap seats, nor tear-gassed
upper-classes? The trouble here is that
a small cadre of bushmobsters keep hiding
the evidence on CNN, FoxNews and George Noory

implicating themselves at the crime scene,
as illegitimate "intelligent officers" -
we WANT to know our media voices the voices
of those who support defending ourselves from
the 911 war mongering terrorist enemies.

BANKER SOLUTION

Solution: refinance near zero interest, (as low as we can go),

UK judges accuse Obama Administration of suppressing torture claim
http://www.timesonline.co.uk/tol/news/uk/article5661291.ece

Yeah really. What kinda world does Obama take US
for here? Does he actually believe we hold no
interest in being attacked as ourselves, the
innocent forsaken? A reminder: an American was
executed under Iraqi law without any evidence
brought against the accused, while the grunts
were offered an excuse to seek not the culprits
at the terror scene. The case was lightly reviewed
at democracynow, a year or two ago, and can be
found by searching for a grunt pretending to be
an ambassador to Romania. A case where the Judge's
life was threatened by a "General", where if he
didn't order the death of the innocent American
citizen, the grunt with the General would murder
US all right then and there. The Innocent American
was murdered as forsaken for value shared by
free men dying.

And Christ said that, Hillel said that, Buddha said that, everybody says that, cause that's all it is. "Judges Bribed by Private Contractor to Sentence More Kids to Juvie Detention"
http://www.philly.com/philly/opinion/inquirer/20090128_Editorial__Judges_Sentenced.html

Christ speaks!! Echem.. This is called a criminal action to falsely imprison American children for more stolen money. Will the contractor be arrested, tried, then executed in America to defend American children? Unlikely, because it isn't as important as how fat Oprah is today, or as Alex Jones the bigot would say, on how daily, the hidden NWO elites are responsible for every criminal action against Liberty in America, not war crime dictating LIAR Bush who told US Saddam wouldn't let the inspectors in without corporate news correction, Bush, who closed Police investigations on 911 for Enron, KBR, and the Kissinger associates. And certainly not Bremer for personally stealing tens of billions, no no no, "just puppets" "just puppets" as instead, the Illuminati in other words not allowed spoken understood with Alex Jones NWOers. I want a free to speak arena where 50 percent of what Alex spews is truly dumber than stupid. Why? because he is controlled through his personal weakness of bigotry, to actually believe foolish things as factual. Examples are truly endless when we discuss Alex Jones' dumminess, but here is one example. Alex states 911 truthers were attacked in a TV show as NWO mind control- but, the "truther" he referred to talked in the drama on there being NO PLANES! A dis-info bushite stooge if ever was one depicted with special effects. We suffer with his bullshit every day, knowing if we tried to phone, would not be granted a minute because I, in support of Freedom for America, make all bigots look truly

dumb as fascists lashing out at nothingness to
divide our masses. And apparently, he can't have
America becoming greater for defending ourselves
fairly through Judicial actions. Yet.

Nazi Israeli responded by murdering innocent Christian

but of the evilest group of lawless nazi savages
pirating the government of Israel away from US Jews.

this by communicating.

Obama set to allow Bush-era ï¿½torture flightsï¿½
http://timesofindia.indiatimes.com/Obama_set_to_allow_Bush-era_torture_flights/articleshow

What the fuk eh? Doesn't Obama know this
crime warrants death in America according
to the war crime act? Does he believe America
just will never have a chance to speak for the
interests of US as innocent Human beings he is
planning to torture as an enemy to Life?

Refusing to Defend American Values

Yoo: Bush okayed torture to outwit defense lawyers

This is why it warrants the Death sentence. Remember
corporatist Amerikan citizen, these torture victims
that include children as younger than a hundred, had
not been alleged to have ever committed a crime in
their entire lives. Victims tortured to death for the
pleasures of those Satanic, such as General Geoffry
Miller, who tell US today as confidenced, they do it
because, patsy wasted American soldiers will just refuse
to hunt them down for formal executions. Let's change

this for our Humanity in this future, to look back,
and know, American males were men of the World, who
stood for the principles enshrined within every living
Constitution. A free man shall not be jailed, or
tortured by anyone in our names as Governed, without
the perpetrator tried publicly for execution as our
Love of real Justice. As first degree mass murderers
warranted death sentences under the War Crime Act
ushered by Reagan!, all done in for our protections
of their next innocent victim - ourselves. Or
die a death in corporate tyranny worthy the title,
cowardly traitors to God and Liberty. Blackwater,
CACI, AEGIS, KBR and the like will all be hunted to
extinction for refusing to quit their lawless Rape
and mass murder, murders done for more stolen money
as America's name high-jacked. The Lawless enemies
shall be prosecuted by the honorable Soldiers of
the Good old, Red White, and Blue. Count me at
our words on this, I am,

Bushwhoring Enemies of the American Police

What a demon enemy of life these bushwhore enemies
of American Liberty are eh? No concern whatsoever,
for all the teen soldiers conned to die for those
who committed 911 in NYC. The millions of bombing
victims, the tortures, the rapes of American women,
STILL, TO THIS DAY, left undefended by "the law".
Evil enemy of everyone these demon fuks are. How
difficult is it, to understand the facts they feign
complete blindness on? They WANT to con you as the
coward to life they are, willing to kill America to
make their antiChrist lawless enemy Mr. Bush happy.

From years after the fact still demanding Justice now:
http://groups.google.co.uk/group/alt.military.uk/browse_frm/thread/ca0e34fb32caeb0a?hl=en&
scoring=d&

Huh? "at last been disarmed..." ? How does he figure?
The equation hasn't changed. Example: The same
unaccounted anthrax, (that was disintegrated into ash),
still is not able to be measured as completely accounted
for, (never could be), but this bushwhoring war crime
apologist, tells US, it was only though the lawless
murder of our good friends and family for countless
generations, that he now attests without reason, or
evidence, to find Iraq in "fact" disarmed of it's still
nowhere to be found, weapons of mass destruction. (An
irrational reason he pronounced previous in corporately
broacasted public support of instigating heinous war
crimes against our humanity under the leadership skills
of the evil lying demon antiChrist, our Mr. bush Jr..)

Ron Paul defeats 5 TV 'experts' in 10 minutes
http://www.youtube.com/watch?v=0k92fTDReHg&e

Ron Paul is a traitor. They stole the cash Ron.
And, the Iraq war is a war crime. But Ron, the
Fascist, doesn't want THESE FACTS uttered. Why?
Because wiser men would prevail, wiser men like

me who understand buying in bulk is cheaper. Those like Christ who understand, who KNOW, the banker doesn't cover our loans - so why give them as much as a taxed red penny?, let alone trillions as officially unaccounted for? They are stealing the cash Ron. Ask yourself: Why has Alex Jones forbidden his bushwhore cult from understanding Bush doctored the NIE?, or of iron flowing like water from the towers? Because wiser men would prevail and he can't have that. He called shooting innocent men in the back, an act of liberty. I, an actual god, unlike Alex, lie near never, but maybe to myself when I'm lonely. Alex yes will tell you rapists are free to do what they will in Texas to American children, un-arrested, but he won't mention it when the police chief is with him on air, talking about how he'd like to be exempt from traffic tickets for being so popular. NO MENTION of the rapists walking away without arrests made, no mention of Bush's documented treasons on 911. Where are Alex's priorities? In selling YOU out so he can be wealthy like a bankster?, and have special rights over everyone else that drives drunk, or speeds? a big hero standing over our dead soldiers yelling, I told you so, I told you so, I was right, I was right. Again, understand: It is not by my will to deny open debate with America, it is Alex, and his demon buddy George Noory that denies out Humanity this right. And when people try, like Peggy, or Black men on Jewry, Alex lies cheats and steals our wills for further thefts. Ron Paul's family has millions taken from loyal Alex Jones fans. MILLIONS! Does Ron do commercials with that money highlighting the bushmob's plan to invade Afghanistan, dated two days prior to 911 for Enron? Of course not, wiser men would prevail to expose him as the charlatan charity raider he is regarding Health Care, Social Security, Public Schooling, earmarks.. It is unfair to measure Ron against corporate nazi zionist whores of MSNBC who willing, openly, kill American teen soldiers for criminal neocon gains, as an honorable gentleman's talk. Half honest People like Ron are extremely ignorant on the workings of our world. EXTREMELY. I joke here not. Evil is the deceived disguised - translated - evil people are always dumb.

Corporate America says no, Charlie Manson was a genius, but not, that most Americans are prone too easily to suggestive states where they can be made to believe

anything blindly. Think: what does, "bin Laden did 911"
mean anyway? You should know of what I'm trying
to teach you here. That is how
Alex knowingly or otherwise, steals our rights, by
beating off he knows everything already. And some,
if not most, actually believe him without knowing
squat either. It's sooo easy that way - no study
required!! LIBERTARIAN HELL! Everything is not on
the Internet, where it near should be, but regardless,
a Libertarian can't be bothered to read anyway.

It's YOUR life. It's God's
Gift. Now support our rise for popular international
debates to get these Neoconners behind bars
awaiting Public Trials! "Public"thatsoyu!! Get to
the Phone to call someone to care man.. Johnny
Jesus has arrived! Justice Will Be Done in this,
Our Kingdom to Come.

Justice to the war criminals of
indiscriminate warfare would better serve ourselves
to halt for our safety. The bushmob did 911.

Not only that but the BBC argued that to show

Israeli terror Nazi tactics of indiscriminate

nazi bastards who too, DO NOT THINK IT BEST to

Oh yeah, and mercury is neural toxic, anti-psychotics

America un-guarded from further transgression.

The bushmob doctored
the NIE. Conned Congress, and Soldiers. Did 911,
by closing criminal FBI investigations immediately.
Alex and George don't seem to want US to know
these FACTS that demand arrests of the culprits
responsible for high treason against Johnny's
America. Alex wants your money, and EVIL George,
our enemy, wants your soul stolen for Satan.

Turley: Obama 'accessory' to war crimes if no prosecution
http://rawstory.com/news/2008/Turley_Obama_accessory_to_war_crimes_0127.html

Understand, Alex Jones doesn't want Justice
for Americans because he loses out to better
men that usher a greater life. He doesn't want
the evidence of George W. Bush made public to
defend American teen soldier's lives. The true
fascist Alex Jones, who in silence supports the
escape of Bush for treason, will fail our true
voice for Justice in our times. WE DO NOT rule
the truth we share equally committed to defend
ourselves from lawlessness. And you'll never
rule my right to speak freely over your intent
to sell us all out for monetary swindles, just
like Ron Paul did. Understand: Ron Paul doesn't
even acknowledge 911 was an inside job, or, that
Bush gave zero evidence to form Your opinion.

Alex Jones, the Slave, told US today that
he challenged Bush for eight years - Bushite
lying nazi traitor. Not only that, but he
also ridiculed those who wish to blame Bush
now for anything! Again, he doesn't want
Justice where bad guys can't steal from
ourselves unrepresented. Ron Paul is a

multi-millioniare, made rich by charitable
aid conned from Alex Jones' NWOers! Alex
Jones doesn't have a problem with that, we
do.

Israel to be Judged - Universal Petition
http://www.tlaxcala.es/reponse_signataires.asp?lg=en&ref_campagne=10&Page=1

The demon LIAR zionist Israeli is a godless enemy
of Humanity, much like everyone at Foxnews, CNN,
BBC, and the CBC. Our revolution against the godless
bushite shills, will not allow our revolution
through speaking honestly, (to become of ourselves
something greater), a chance to be televised for
our benefits. Bush closed criminal investigations
immediately after 911. According to the FBI and
Senator Daschle. CNN says you have no power, Foxnews
says you have no power, the BBC says you have no
power, the CBC, the same, like Alex Jones NWOers...
but well, don't believe it. YOU Do have the Power.

We must demand open communications to bring back
values WE ALL would agree to through polite debate.
"Conservatives" don't want this Freedom idea
expressed in general terms because, a "conservative"
is universally, minimally. a bigot. Why? Life isn't
like, their way, - then- all other opinion under
the sun on how things actually get done. (Aka
"socialist" traffic light repair men, or "liberals"
who want to treat The People fairly). Or who we are
as equals to our laws fairly practiced. Pay attention
to what I am saying here. Liberals can be Dicks with
a capital D too of course. But a Hannity couldn't
survive 2 minutes with me speaking on his very real
treasonous behavior in OUR public arenas. Behavior
done to escape the 911 culprits from the long arm of
the Law, with his conscious will of criminal deceit
exposed, we all learn to better defend ourselves.
And Shawn Hannity can't have that for ourselves, he
takes too much money from ourselves as talentless by
keeping US in the dark dying needlessly for traitors
never elected publicly.

Who am I you ask? Johnny Law. at your service. Look
me up with usenet to discover, we live in a world of
idiots everywhere pretending to be somebody by lying.

While I want US all to truly improve our condition by
actually understanding how bad off we are by failing
to respect ourselves for correction. Too many, know
it alls, with not enough to know you need evidence to
form a guilty verdict against an accused man or woman.
Not according to CNN, CBC, MSNBC, Foxnews and the like
however. Let's change this by supporting my challenge
for top billing at the Coast to Coast radio show hosting.

Unseen Gaza High Quality: Part 1 of 6

Why is it that numerous visits don't change the

top secret, I'll go rhythm, that is way beyond
our comprehension in it's scientific complexity?
For Americans, okay, but the Human species just
isn't this dumb.

While Zionists OFFICIALLY target Christian school
girls for mass murder, CNN instead reports that
bushite grunts attacked girls in Afghanistan, posing
as Taliban. I WILL every celeb at CNN to be arrested,
tried and executed for the reporting they have done
today without facts. Remember: the Taliban played no
part on escaping those responsible for 911, and opened
schools for girls, and were brought together on the
single purpose to defend women. Death to CNN reporters
to LIE for killing OUR school girls. I HATE zionist
enemies of Humanity and God I am.

The Torture Ban that Doesn't Ban Torture
http://atheonews.blogspot.com/2009/01/torture-ban-that-doesnt-ban-torture.html

/ / Obama's Executive Order bans some -- not all -- US
officials from torturing but it does not ban any
of them, himself included, from sponsoring torture
overseas. \ \

Is America a nation of Law to Live freedom?
Because this SPECIFIC deviant action of Obama warrants
the death sentence under Reagan's "War Crimes Act".
SPECIFICALLY. Or, is it you falsely believe Obama
can do no wrong against innocent people here, where
an illiterate nazi grunt, maybe from South Africa,
will kidnap YOUR children, and torture them to
death for sadistic pleasure, with as they did using
power tools caught in Iraq, according to Iraqi
government official(s), and several soldiers from

Oregon, all because Obama has given an ILLEGAL!
"excuse" to NOT support following the crime scene
leads at our REAL murder scenes? Again, death to the
bushite dumfuk enemy of God, death to the enemies
of a freeing Humanity striving for a just society.
Obama needs to be arrested for this under the Law
as it stands I'm sorry to say my friends. Why?
Torture is illegal in all 50 states, (as Reagan
directly planned), no matter where you ship the
innocent victim to, or from! Read the War Crimes
Act, then demand Justice today, otherwise, it's
YOUR funeral. Obama wants to secretly torture
Peoples here, while lying to US ALL that he doesn't!

Alive We Say

And Alex Jones gives us the same guy twice
a week that blames the Illuminati, while
encouraging that YOU TOO! can get money
for nothing like the banksters. Just give
the Alex Jones', NWOers, the "truthers" money
money money money. No time for affording the
explanation that the TREASONOUS bushmob
doctored the NIE. That Saddam wasn't in
violation of 1441. That a NEOCON is
identifiable for it's demonic LIES
against God and Man. Never to tell, the
private bankers don't cover OUR loans,
that Bush PERSONALLY worked to close
Police investigations immediately after
911 (obstruction), or that WE have video
of iron flowing like water that PROVES,
without doubt, bin Laden couldn't have
single handedly placed the explosives
in the buildings, or stole the black boxes.
Because someone surely would have spotted

him dragging his dialysis machine what with
all the professionalism of corporate news
media coverage regarding our horribly
suffering worlds. Alex Jones ignores the
treasons of Bush, as a Bushwhore, and
instead, tells US of how Obama is Bush on
steroids. He only wishes. What about
Justice for Americans Alex? Why for do you
forsake ourselves? For money? What about
the lives lost to mass murder, that you
allege to champion OUR TRUTH without saying
much of anything on real Freedom?, on real
Justice

I am a defender of
all that is right and just in this world,
because I don't need to lie like Alex does on
a huge host of issues. I'm more like Jessie
Ventura, in where I don't need/want to lie.
If I end looking foolish, (of which I like
never truly am), it's a benefit, because that
way, I've learned something. Alex knows
everything already, and 'is always right'.
Like I say Retarded. You weren't right by not
understanding that the banker doesn't cover
the loan. One example of easily hundreds. He's
a typical, he knows it all, know nothing dumduk
American. Hear him on health care speak as
Ron Paul does, and know, I defeat them in under
ten seconds. TEN SECONDS. This is why he hasn't
in years, allowed me to speak more than five
or six words. He's rather all America die, than
admit he does NOT rule our 'Ocean of Truth'.
I want the challenge of opposition through debate
to PROVE my skills beyond reproach. Alex,
every time, just hangs up on anyone who tries
to improve our communications by factually
speaking. Why? Because he IS TRULY deeply
ignorant on what freedom or Justice means. Why
we have law. What a consensus is. Allan Watt is
severely disabled in this regard, another Alex
Jones favorite. And this is why, Allan can't
take calls openly either. He has jerked off
with himself too long to quit now learning
super basic precepts, for like Alex, he "knows"
the inner workings of the 'genius' NWO elites.
Not Law 101, not Bush, not Rumsfeld, Not Condi,
not Torturers, not bank robbers, rapists, or
even petty thieves. Allan Watt isn't a bad guy,
he's just a chauvinist pretending he actually

knows something, when his real disability is directly related to his absence in understanding understandings. Doubt is a near foreign concept. A challenge for Allan: can you get your 'genius mind' around the fact that Peter Powers did the London bombings, and not the Illuminati of 1463? and if not, why are we so dumb to our present plight that way? Don't get me wrong, Allen has much to offer, it just isn't the issue right now on saving our dying futures. Maybe I was too hard on Allen, he is really actually kinda cool. Alex Jones too has many incredible moments of ecstatic clarity increasing in all they joy of seeking enlightenment. .. Ok - but this is serious business that requires little dilly dally with what we'll have as a side dish in Paradise Lost. We are talking Human Lives have been destroyed by our inaction to remedy these failures to communicate effectively. and.. Jeeze, the weight of my responsibilities, as just plain John, being a/the Legos Man - for like the Family and everythings, get's me never forgetting, all we got are these words left dormant from the power they truly possess in the minds of the jack-asses. And.. here I am. I'm a Talker of Words looking to make a break in the NewZbiZ. Zzzz... Alive We Say! Alive!

King Johnny, from Earth, has come for talks.

Enemies of Jews everywhere, the Zionist cares not for facts on who's Life it destroys for stolen gain by lying. That's why they target Jews, for fear the Light of Truth would expose them as the Nazis they are.

Hamas doesn't have a military though, so, why not demand the arrests of those who broke the truce, and murdered innocent people indiscriminately, on plans more Jews would die for cash profit? Profit paid for by zionist amerika? - the false imprisoning torture and rape center for Neocon Freedom.

Court petitioned to arrest Livni upon arrival in Brussels
http://nawaat.org/portail/2009/01/23/belgian-court-petitioned-to-arrest-livni-upon-arrival-in-brussels/

"We believe there were dozens of IRGC personnel in the Gaza Strip during the war," an Israeli source said. "Some were killed; others went into hiding, and others escaped."

See? the demon enemy of God speaks no evidence as a TRAITOR to every Jew. A terrorist nation that still steals humanitarian aid in our public realm of left defenselessness. The false allegation deserves a death sentence by Jews against the war monger Zionist enemy. A cause that Iran should champion, if in fact!, this allegation by OFFICIAL WAR CRIMINALS WHO TARGET FOR MURDER OUR SCHOOL GIRLS, is on it's face, unsubstantiated as patently, demonically false. As typical from any godless Zionist.

Where are the Americans asking for the formal arrest of Bush for high treason? Whoring for Alex Jones's contempt for REAL Justice? The ignorance of all American talk radio hosts speaks for itself. NO knowledge on why acts of high treason, are crimes against every American. The bushmob doctored the NIE, and Alex doesn't want Americans to know, because if they did, they ask, why does Alex do everything he can to escape those personally responsible for 911, while then asking for money to continue his fight against freedom in America. Again how much money do we have to pay Ron Paul or Alex Jones before they will allow the knowledge of the Iraq war against Human will is criminal? How much?

Obama! feel free to call on me to help out with a plan for judicial actions. That offer goes out to everyone in Palestine, Canada or Britain too. Russia, let's help out these fools by freely communicating, what say you? Justice for all is freedom to be. The Israeli cop killers must be brought to justice for war crimes. Those cops, were cops. And I, am a man.

Alex Jones Rocks!

Now Alex has problems in "my" mind because I am an ACTUAL genius, and he is generally, an idiot. Today, he did one of his usual commentaries, however this time, he was pretty honest with himself, and his love for Ron Paul. Ron Paul sells incompetence, and Alex corrected correctly!. that a.. sorry Ron but these banksters know they're robbing us as undefended blind men essentially. That's what I'm talking about!! Look, Ron Paul can be a dumb Ass, although, he's still not all that bad a guy. A Dumb guy on things like economics sure, Justice, warfare, Health Care, Social Security, ect. ect. but still., like a child learning of why the sky is funny blue, isn't all that bad a guy really. He's certainly not a war criminal, like Bush or Rumsfeld are. Doing 911 then sanctioning torture. While Neocons Champion sending illiterate American teens for death as war criminal. Think about it. Maybe he is..

-

ï¿½We have all these documents that are now publicly available that prove that these methods of interrogation were intentionally ordered by Rumsfeld,ï¿½

Let us understand. These actions "give" a guy like Willie Brand "the right" to RANDOMLY kidnap men, women, or children, and torture them to death for sadistic pleasure with his Capt, Christopher Beiring. (I think that's how it's spelt). But anyway, this is the truth. A bushite is a godless Zionist whore of Nazi evil, an enemy of America, who wars YOUR Freedom with criminal "excuses", for refusing to support the arrest of those responsible for 911. A TRAITOR, and could be wannabe rapist, robber, or 911 mastermind ringleader. Torture is illegal, and warrants the death sentence, according to, Reagan's "War Crimes Act". Some only suggest, that this was why someone tried to kill him as honorable. Death to the torturers of our innocent families, torture they do without apology as Zionist Military "Judges". Instead today, where they get salaries paid in the billions by the zionist giving nation of, a-mirror-kay, echem, America. Johnny's America. A nation where Justice will rule for the favors of all treated equitably with or without you. Honor me in company my friend. We have no rivals.

ISRAELI IS A THIEF WHO CAN'T SPEAK OPENLY IN
DEFENSE OF OURSELVES IN OTHER WORDS? That is
right. They, as documented criminal, lose
every debate personally since before the dawn of
Civilization because their position is clearly
unsound. They are criminals who murder People
in hate for a freed Humanity. They OFFICIALLY
steal Peoples homes in that country didn't you
know they proudly proclaim it so? And steal
humanitarian aid from starving children.
Targeted to murder children specifically as

publicly confessed, 'it is Hamas WE blame', not them as demonic child murderers. Hideously evil as ungodly sadistic savages. Enemies of YOU, enemies of them, and enemies of me, the King of Jews Christ fellow from beyond the grave. They are so evil to God and Man, they tarnish everyone of US to not win justice sooner by blaming the actual bad guys. Justice is Freedom.

/ / Those white phosphorus shells used on the Gazans are made in the USA according to Jane's Defense. \ \

Again, these peoples are not Jews. Being Jewish is a religion. These thieves of God are Satanic in their LIES to betray the common trust in our words, that bind all worlds to victory, called freedom universal. Even tales of the Devil have him keep his word, with verses specifically condemning the self to damnation for targeting the innocent for death. God's the Word. Every word inside a fool's paradise. Including the periods. Not as like, I'm playing a word game, but that it in wonder, is all strangely here. Example: The Universe as it has existed always, is not separate from our 'pauses', or faulty drawn conclusions. The universe, in one sense, was as good as anytime, created 6000 years ago. AS TOO 50 billion. You say, impossible, I say no, study quantum physics, and know, I live this.. our existence is not scientifically separate from the timeless nature of consciousness, proven as not only theoretical, but actual. That is a first step at developing a REAL relationship with the living Universe if you want to as like an artist does - that TOO! can be just as thought static in it's orderly constructions for Atheists. (An Atheist is still mostly a fool here however.) Overall, for any, it's sorta simple: Life has left YOU in charge of YOUR fate. Now, do well to make something of this being as eternal Life reaching for balance, as your body does, and good cops do when bringing the bushmobsters to Justice. By Israeli calling for more murder against the innocent of your mind as racists and bigots they are openly, is still shadows of YOUR mind, YOUR WORLD.. get it, got it? God is in genius to set Life as this, as like,

nowhere existing, but for as yourself within.
Will you speak out for the Justice denied
Humanity?, or not you? Atheists can be Just
too!, but generally lose it on not
understanding the intelligence of order is
way beyond what they dream up with
assumptions. All anyone has to do is ask
themselves, who do you mean "God"? Atheists
are ridiculous!, but, to each his or her
own, we are on a path here, believe what
you want to believe. This is not a faith
initiative I'm bringing by keeping this real,
I DEMAND JUSTICE BY OUR WILL BE DONE.

A zionist cabal of criminal pirates who murder
Jews around the world for stolen money is
seriously evil as criminal. What do you think?
Let US have a open line discussion on this
indivisible matter of rights to all as equals
before who ever we proclaim, I AM.

I mean you right? Say it with me... "I" "AM"
we are good to go.

Again, Americans need to demand the arrest

zombies - as known in this circle, McCainiacs.
Did you hear Alex's NWOer yesterday state he
doesn't want anyone to speak as Justice for
Americans because to learn even the most basic
of precepts for Justice, he can't pretend he is
a Freedom Fighter begging US for more money?
Like multi-millionaire Ron Paul, who gave the
fixed election up to take our money and walk
away. How much money in the millions do we have
to pay them at GCN, before they will acknowledge
the Iraq war is a war crime? THEY NEVER WILL,
because the owner has a son who's into
raping American women as lawless enemy of Life.
Americans are indeed, selfish, like all the plane
crash survivors telling US how they couldn't care
less that Israeli nazis are openly targeting our
Christian children for murder with their tax
money, as unimportant, to how long they stood on
a plane wing, now approaching it's third day, of
wall to wall coverage. Telling us again of how

Christ saved your life as a lifeless degenerate.
I, as Christ, am really starting to hate all
Americans in total now. How difficult is it to
pick up their phones? They don't, and I'm beginning
to believe it's because, like GCN, they really
don't care for the future of our Humanity being
left for dead as continuing victims to EVIL liars.

Stressing that Israel was "the first to stand
up against pure evil." [See? A zionist Nazi argues
it's good to get killed Jews by breaking truces
with a prison death camp, cause look at all the
free American Welfare money we can steal through
kicking-back AIPAC members in Congress.]

"I demand that the use of images and headlines
that misrepresent current events to the detriment
of the State of Israel be stopped immediately,"
the petition went on. [and the 'judge' judges
anything detrimental misrepresents the constant
LYING nature of the Nazi Zionist thieving pirates
of the Jewish Faith?]

This is detrimental to Zionist war criminals
because it exposes their TRUE EVIL NATURE..

Simple Common Sense for Mankind

/ / Israel has admitted HAMAS kept the cease
fire; and that Israel broke it, then unleashed a
total starvation blockade on Gaza followed by
flaming death from the sky aimed at schools,
hospitals, ambulances, and children, and you

dare call the people opposed to such barbarity
a "mob?" \ \

Zionists are evil people who pretend they
are honest, when lying directly to everyone.
Blitzer reports Hammas broke the truce, he
is lying to continue the murder of innocent
peoples. Understand: Israeli Nazi state they
will continue to murder our innocent Humanity
until the rockets stop falling on Jews. Yet,
they broke the truce, and murder Jews routinely
with reckless abandon. Jews from the Bible as
of "nigger" Ethiopian, are what the Zionist
hate when warring GOD for apartheid, apartheid
that is Humanity in Gaza. A zionist is a war
criminal who speaks not against the neocon,
but against Innocent Humanity as YOUR enemy.

Livni: Gaza truce would give Hamas legitimacy

As they always do because they are dishonorable
murderous nazi thieves of God as Just cause is.
I am, and YOU are, you just maybe don't know it
yet, or if ever. A zionist serves Satan to escape
the neocon terrorists from their ungodly crimes
on 911.

Ron Paul:
US Will Be Rightly Blamed for Israeli Killings
http://www.youtube.com/watch?v=6C756NOPyDA

Not the Nazi Israeli?

The guilty party are those who advocate these
mass murderers of innocent peoples with
deliberate lies, like from Blitzer. Blitzer
will be tried, and executed a war criminal
for stating Hamas broke the truce., Where,
only two minutes earlier, he learned, that
it was his Nazi partners. DEATH SENTENCE.
It was on TV. BUT SEE? Ron Paul, the Libertarian,
ain't going to be honest here. He'll lie cheat
and steal Humanity's voice for Justice - like
he did with OUR money. A typical Libertarian
like Alex Jones who wants to blame "socialists",
"Liberals", aka, all of innocent America.
Blitzer is war criminal, who makes his own
discussions. As is Ron. What an enemy to not
mention the truce. THINK: IT IS THE ISSUE. But
Ron plays the dummy to kill more with contempt

for Freedom. Ron Paul, the bigot, asked,
'should we be doing this'? SEE? it's not first
degree mass murders, no, according to Ron Paul,
it's argumentative that indiscriminate mass
killing is a good thing really. Remember,
Ron Paul does not support arresting those
who committed mass murder on 911 either.
Or those who STOLE TRILLIONS. Or lawless Bush,
the ACTUAL AntiChrist enemy of God. Ron Paul
will watch America die for a stolen dollar.
And Alex Jones will refuse all calls to label
him good guy like himself warring order
to our universe for it.

Wow. The demon LIAR will also say Hammas broke

indiscriminate slaughter. While they STEAL OUR

/ / The targeting of civilians, whether
by Hamas or Israel, is a war crime. \ \

They are targeted by Obama who suggests
there is an argument to be made here. There
isn't. Nazi Israeli DEMON LIARS broke the
truce to kill Jews for money. They are godless
enemies of Humanity. So it isn't that we are
pro-Palestinian, it is that we are pro-Human.
Zionists DESERVE to die, before US, the innocent,

they target for murder for stolen cash gain.
Like Obama has promised to do for AIPAC. But
what about the rest of US 6 billion plus Obama?
Who is it of US innocent folks do you wish to
MURDER, or torture next as a Zionist war criminal
for Satan Obama? Torturing kids is popular in
Israel, tell US Obama, which American father will
have his children tortured, or murdered
sadistically by yourself as a whore for Nazi
Israeli? tell us, we're not waiting.

The Chosen Bad Example

Zionists Destroy Our Homes as Satanic
http://www.youtube.com/watch?v=mo2HW4T7wK4&feature=related

When I see the women and her child, left outside
while they sadistically destroy her meager gains,
I grow weary with ourselves for not speaking right.
Nazi Israeli are committed to deny US our God given
rights as Innocent persons to speak freely for Justice
realized. All because they STEAL our Lives for monetary
gain. It is our reality, give it or take it, YOU LOSE.

Then.. Hammurabi founded Civilization.

I go concerned for any hesitations of condemnation by
Obama. It's like, he's talking some jive about
how now he'll NOT let the words of Hamas reach
his ears. Being against war criminals, doesn't make
you pro-Hamas, necessarily, it means your against
war crimes to defend the lives of ourselves respected.
Remember: He told US earlier during the campaign that
he wouldn't fear speaking to anyone, Hamas especially,
because he was confident he could win the discussion on
Liberty, by principles that unite all free men. Now,
he has promised the FBI's Most Wanted AIPAC, he will
pretend to not hear any calls for fairness as all
parties united by common cause. Johnny Who? Where did
you go Obama? You were here, then.. pooof! you
vanished into the loving shackles of convicted/ing
criminals is a mass, "WE ARE TRAITORS TO JUST CAUSE"
organized war crime outfit, dedicated to deceiving the
Public by lying. I am not Lying. I'm not saying I hold
his associations as a measure of himself, I am concerned
with him stating, he will not hear our cries for Justice,
as then AIPAC cheered. I was as freaked out about it as
you maybe yourself now, believing it as possible. Check it
out for yourself, and wonder, just "who" is this person
they tell us they're are going to take for as dying fools?
I mean look at what happened to what's his name, when he
sided similarly the same in error as hugely criminal? Come

on be honest with us son, "Are you on drugs?". Maybe he's
just been stressed with all of everything he is heaped
to follow on, NOT to know by Blitzer, that Israeli broke
the truce to kill more Jews for money, and, also STEAL
innocent Peoples Homes while saying, "they are God's
Chosen". Yeah, chosen for, "The Bad Example", of how
Jews are left undefended by these grave robbing war
criminal nazi forces. As the King of Jews, I call for
Public War Crimes trials of the entire bushmob as
terrorists, and their supporters for lawless tyranny.

People are Coming to Town. Justice for All Coast

Satanic evil enemies of Life. Who admit to targeting

warranting bombs dropped on their Block(s). SEE! they
are ENEMIES OF EVERYONE. EVERY LAST ONE OF US.
INCLUDING GOD.

Hamas Workers and/or Troops? Out hiding in the mountains
of Afghanistan you mean right? Satanic enemies of all
Humanity I tell you. The most evil nazi sons-of-bitches
who openly advocate tyranny and oppression through mass
murder of ourselves as the innocent left targeted
defenseless. Enemies of Jews everywhere, the Zionist
cares not for facts on who's Life it destroys for stolen
gain by lying. That's why they target Jews, for fear the
Light of Truth would expose them as the Nazis they are.
It's a prison death camp, brought about by Israeli STEALING
OUR Homes as ungodly thieves. Thieves who leave a Jew
to starve to death in a garbage dump because, it'll
attract more charitable aid The Zionist can use
elsewhere. It's not a Jewish thing, it's a criminal
matter. They STEAL innocent Peoples Homes in that
country. God's Country? God would will such criminal
offense? Which God? Not the God of Abraham, nor by
the teachings of Hillel, Christ, Mohammad, or

Hey! you could call me Daddio if you wanted! To the telephones we go.

Israeli are attacking prisoners held criminally in their own Death Camps!! GET ALEX JONES ON THIS!

Hmm... why wouldn't Alex? to support his fictions over Our Rights to Live Free perhaps? A Hero adapting to the deaths scene?, or, a Bush whore committed to enslaving Humanity, all so he can say, he told US so. Big hero or big hero. Your NOT powerless to his vision of complete control over information. He refuses 911 info, Iraq war info, Israeli info. All so he doesn't have to look the fool, while Humanity dies with his insults against our wills to make something better of ourselves. Justice is what I will. Masturbate on your own time Mr. Alex Jones.

If he states again about how he knows everything, and is always right, and those that criticize him on ANYTHING are delusional, it's going about to make everyone further sick with this obscene take on what life means as Alex takes it. If I truly state two nickels make a dime, does that mean therefor they make a quarter also? If I say so like Alex would? He is an idiot. Truly. George Noory figures Hamas broke the truce, and that the Mideast solution is that Jews should be separated with special rights, as oppressors over the freedom of every Palestinian Prisoner, and what's Alex Jones gonna say about his 'truth telling freedom fighter' George to actual 'lame ass evil nazi traitor' George?, to YOU about how George is just trying to murder millions of helpless people as an offer for the final solution? We can expect Alex now to claim, Zionists should have special rights over Jews, all to maintain his FICTIONS on Noory being anything but the monster to Humanity he is. Just because Noory doesn't growl when talking about murdering all children in around the age of 15, or against soldiers who refuse criminal orders, does still make him a true fascist nazi enemy laughing at

your murderers escaping to live freedom in
our dying forsaken worlds. The bushmob doctored
the NIE. Conned Congress, and Soldiers. Did 911,
by closing criminal FBI investigations immediately.
Alex and George don't seem to want US to know
these FACTS that demands arrests of the culprits
responsible for high treason against Johnny's
America. Now, who's with yourself. I am! I am!
I am!

Alex Jones doesn't know squat of Social Security, but
pretends he does, like Ron Paul does when speaking
of the Federal Reserve, Health Care, IMF, World Bank
blahblahblah.. I mean even the expert of experts
Alex has on near twice a week, EVERY WEEK, to talk
all about how the Illuminati are doing everything,(give
me your money now for whatever), DOESN'T SAY TO KNOW,
it was Chris Cox who changed Investment Banker rules,
to cover instead one tenth of WORLD INCOME loans,
to one twentieth. MORE THAN DOUBLING THE ENTIRE GLOBAL
MARKET FOR LOOTING WITH HIS SIGNATURE! (And. that isn't
even a fifth of the TRUE trillions dollar fraud story.!)
Now, granted, I wouldn't expect one tenth of one percent
of America to have even a distant clue of which I am
speaking, but importantly, Alex's expert of experts has
never mentioned it. EVER. Why? He don't give a fuck, but
how much money he can get you to give him for investing
in things that are un-important to our struggles, but
for the fact, he states, you'll get free money for
nothing!! OUR ACTUAL PROBLEM. It reminds me of those
Ron Paul dollars... where Ron'll fix everything, cause
we, as a private company, are going to make YOUR money
instead... holy fuk mon.. Talk about the kettle calling
American racists. Thank God the FBI stepped in. (The
answer unfortunately is not nowhere as easy as Alex
would blindly lead you) - again, so I guess it will be,
Americans were just too far gone as illiterate
chauvinists, who cared too little for your freedom as
themselves degenerating. Why? To battle tyranny they
knew not Justice wins the day, and blamed innocent
groups gathered wherever, instead of following the crime
scene leads at the real murder scenes - like was once
done on TV and at the Movies. But even that was too
far above their doped down heads, to raise their finger
to dial a phone number.

How about stating "A lawless bushite enemy wars America
as a traitor, to escape the neocons from the crimes of 911."

Then Alex states the head of GCN is giving out gold
at less than it's value as a special treat, every

second or third week. Below wholesale. Now, really think this thru. Do you think Alex is trying to con you here? you bet. That is the Gold Racket. Diamonds are another thing - where I've personally seen, about a decade ago, a huge press that makes Diamonds out of coal. Swear to God it's true. Costs to make diamonds are pennies to the thousands paid to Zionists who live in Israel calling for the murder of all innocent Peoples. Where is the rich Zionist, grave robbing Jew hater to demand Justice for our times? Where? Pressing coal into diamonds, while advocating the murder of our entire Human species. THEY WANT TO KILL GOD AS SATANIC ENEMIES OF LIFE. While I am last known to Life's enemies as Jesus Christ, the Zionist's end every time. I'll have brought more Zionists to their rightful dooms, than any other, of any time, anywhere. I HATE Zionist bushite LIARS to death, all because I Love Humanity too much, to watch US die undefended as the innocent forsaken. They can change their evil ways, but till now, often not, benefiting off our suffering as war criminals who simply lie as demons to steal our Human values. Let's change this for our betterments. I mean the Halo is a dead give away..

The head of GCN has a son warring God to rape American women as lawless enemy in Iraq for the Neocon - again NEVER mentioned as something worth fighting against for Freedom in America - soldiers are suppose to REFUSE criminal orders - but not when Alex is at the mike. He will never mention the Bushmob doctoring the NIE to con America for death as exampled, because it doesn't fit his fictions, where all the bad guys escape because they are geniuses headed by secrets so powerful, nobody can ever know'em, except Alex. He tells us near every day, he knows everything already, and is never wrong, therefore you can't criticize him. Bullshit. It's like he wants to be wise like Johnny Gawd is, without doing anything like studying for a test where the teacher actually does know the issues. He told US today, the British came up with concentration camps, from the Indians - who spent all their lives murdering themselves. The British 'invented' false imprisonment? The British came up with the, Jews Killed Jesus? The British invented Pope Gregory VII? I suppose Alex has never heard of Ghettos. SEE? he just pulls shit out of his ass, and calls it like it's truly pure gold you'd wanna buy. Those, like your typical American have no clues, so they figure, Life must be sorta so that

History is all one big Alex Jones NWO cartoon. What? that the NWO did 911, and everything else that use to instead, require criminal investigations to nab the actual evil doers? Alex Jones IS the NWO he tells US all we should be concerned about never stopping, like it was in the DARK AGES. Justice Alex, why is that hard for you as a "Conservative" to figure? Is it because you are cowardly in the face of true Liberty? Afraid that some People, on some Issues, ACTUALLY know a great deal better than you could even imagine presently? Don't like that do you?, where you don't rule this Universe as a lawless tyrant desperate to live in an illusion at the expense of everyone else dying victims to censorship? Does he try to find wise men or women? rarely. "Ron Paul [MUST] leads our truth movement" - like, fuck off already with the Ron Paul, The Truther, Bullshit Alex Jones. 1% is what YOU get on Social Security deposits - 1%. And.. Bush stole 700 billion. 700. Billion. That's 700 BILLION. It's a "Trust" account. A "Trust" Account. It's being held in "Trust" Alex. Ron Paul is asleep at the wheel. As, so are the rest of all you other fools.. I want Justice, and I want it now for all the victims of 911. Americans be damned, we want Justice, and We want it Now.

In Texas, child rapists are given the right to freely move about without fear that Texans will stand as armed Men in defense of their very own offspring. And Alex wants this for the rest of America. That some how to own a gun, means an American would kill a cop who beat a women near to death for pleasures that he could never be Publicly arrested for, as a sadistically evil nazi bushite fuck. Look, if YOU DID kill that particular DEMON COP after the Chief refused to arrest him, you couldn't possibly go to jail in Johnny's America, because the truth would win out in a fair verdict. And REAL cops would honor you with great big, thank you. Nothing worse than a cop (or bushite grunter) who believes the Law doesn't apply to him while he drives drunk, tazers someone for nothing, abuses Women, or kids, to sell drugs, or kills good cops, who are good men. (Like mercs do in Iraq officially for Rumsfeld's P2OG. Coming to an American city near you!)

Again, the two Laws of Johnny:

1. No evidence, person innocent.

2. Torture? fuk you and die then

"Rice says it is 'hard' for Israel to spare civilians in Gaza"

We KNOW they are ONLY targeting innocent People,
the ungodly zionist Satanic enemies say so..

"Israel Rejected Hamas Cease-Fire Offer in December"

Livni has declared her country "is not going to show restraint"

"Her" country?

It's like she's admitting here, that they DO NOT
target the IDF's Hamas, but only our innocent lives
as a threat to LIFE and GOD. Remember: the Zionist
LIARS broke the truce.

This guy even sounds like the Satanic false
accusing enemy of God he is. Let US, as Humanity,
hunt these real devils down, try them, and have
them executed publicly for the benefit of God and
Man. Understand: this REAL DEMON knows he's lying,
no living man on Earth could spew the vile lies he
does to excuse indiscriminate mass murder, or starvation,
as this Zionist enemy of life sells to STEAL Your
HOME, your Family, YOUR LIFE. An open enemy of God
trying to STEAL the Title of Jew from Christ. EVIL
ENEMY OF LIFE. See, when a bushite dies, you served
Life well in defending their next INNOCENT target.
BILL HIM FOR STATING ISRAEL WAS STRUCK THOUSANDS OF
TIMES. BILL HIM FOR STATING HAMAS BROKE THE TRUCE.
BILL HIM FOR STATING bin Laden DID 911. BILL ANY
Zionist FOR THIS TREASONOUS LIE. Why God asks? Because
there isn't any evidence to support that Satanic lie.
According to the FBI. And according to God, Zionists
are not Jews, but of Satan as enemies of every life
form in this Galaxy, Hunt him down, and bill him
today for the love of God. You can 'hear' it in his
voice.. how he lies TO YOU as a DEMON of a Hatred
for Truth and Humanity. Facts, that are easily
available, are not what he works to mislead others,
others he hates, and wishes to murder for as ungodly
sadistic pleasures as YOUR enemy. Bill him under
American law for being pro-torture too while we're
at it. Death to bushite, death to the murdering
enemies of God's Love for Mankind, and enemies of
TRUE Justice for Americans. The fuking demon enemy
lies to you, as a con to STEAL your life, or just
as soon, the life of another innocent other. Now,

what are you going to do about it? Except his lies
as exceptable, as he tries his hardest blatantly
LYING to kill God and Justice in our Worlds? Not
in mine, but perhaps Yours.

' In Civil-Contempt Cases, Jail Time Can

' Where Did Taxpayer Money Go? Panel Slams Treasury

Where are the arrests?, they stole eight trillion

STOLEN monies.

' THEREFORE, those pro-Israel politicians in Congress

Where are the arrests? Amerikan bushite nazi grunts
are assisting in the mass murder of innocent Christians

isn't an argument that can be turned around. Nazi Israeli
STEAL Peoples Homes without apology, as a function of
their SATANIC government, while colectively bombing the
INNOCENT victims who die because of it. It's a prison
camp! they are denied water, food, shelter.. since four
or five truces over that they've broken, every one. These
are Satanic enemies, willing War Crimes against God,

"we were right about it all."

It's the NWO! The Illuminati! Not Bush, Cheney,
Neocons Gone Wild, or any of many other REAL
criminals, for the war criminals are just
puppets to his EVIL fictions. Forget about
Bush escaping.. Socialists who design traffic
lights, and Liberals who will to share fairly are
Alex's enemy, because he's fearful the FACTS
would escape his denouncements against truth
tellers. George Noory, one of the most despicable
individuals on the face of our great Earth
- is exactly the kinda guy he wants returned
to send his wannabe Patriots nowhere but to die.
What about Justice America? The bushmob doctored
the NIE. TREASON. There is video of iron flowing
like water from the towers, seconds prior to
the collapse. Alex ain't there to help US, for
that is where TRUE Patriots fight for real
Justice. When WE phone with indisputable facts,
on Ron Paul the bush whore sell-out for example,
he lies to all (GOD), then hangs up on US. Is
that the kinda freedom you think the Founding
Fathers had in mind to give Your rights to
speak for Alex who blames anyone but the
criminals directly responsible for your
funeral? The private banker never covers our
loans, so why give them trillions without
questions offered without answered as, never
mentioned by the guy who is 'right all along
on everything under the sun', and.. he 'rules
the Ocean of truth' too don't you know YOU have
a steak going all rotten to hell here also?
You'd think Alex would take our call just for
the challenge on where we stand? I'm free!

He is not. And George Noory tells us openly, he's
into killing innocent kids for profit. George's
profit is that apparently, by murdering all
children in around the age of 15, will stop them
from getting a clue at anytime in the future,
to take him out as an ENEMY of EVERYONE for
censoring our cries for Justice. Why is it that
Alex would invite obstructionist, Steve Quail,

or Alan Watt, on to lead you nowhere while they
jerk off, but where we gotta go to actually defend
ourselves? Steve has been on with Noory more
than a hundred times, and, we'd figure, Alex will
soon be delving into the Alien questions also.
Answerable by me in seconds, but ahhh.. like Noory,
doesn't want the truth of such a subject uttered,
just endless streams of illiterate bushite dumfuk
losers sucking on each other. While they wrest
from US the wonder; just why we can't stop
criminals from robbing ourselves, while murdering
our families? Alex wants to blame the unstoppable

Israel hits Gaza after UN truce resolution

The IDF's Hamas is hammering away with what at who?
Is the AP referring to the tin can rockets that
travel usually several miles, but in one case,
22 miles? To kill a Jew standing outside in his
yard, thinking on how he would defeat true evil in
his time? Tin can rockets that contain no explosive
charge? Have no mistake, if it hits you in the head,
your dead, but really, what do you think the odds

The neoCON LIARS are the LIARS conning you here on our TVs and Radio dramas, in where, they don't want to openly take our public calls for real Justice. Bush and Cheney are traitors to the cause of American Liberty. To leave them free, is to leave America un-guarded from further transgression. Israel Attacks Jews,
Silence from Mainstream about Violation of Law
http://www.youtube.com/watch?v=K1kt8qi0M-M

They kill Jews for money. They bombed Jews in Lebanon for money. They want to bomb the HUGE sacred Jewish communities in Iran.. wonder why? Zionists are not Jews, for Jews don't steal in God's good name. Nor target innocent beings for stolen gains. A zionist is a thief to life, and as such, needs to be formally charged for their criminal offenses, given lawyers, and upon a successful prosecution, rot in a prison cell and/or pay restitutions. YES. why? so not another innocent person must fall in their place as next victim to a zionist's public commitment to lawless tyranny for evil intentions.

Protest pictures from around the world (not on CNN)
http://www.rys2sense.com/anti-neocons/viewtopic.php?f=11&t=16496&start=0

Remember Israeli nazis to this day, insist as
DEMONIC LIARS, Hamas broke the truce - as Hamas
is responsible when they target school girls for
slaughter. They said the UN were secretly attacking

Jews, clearly a LIE as impossible to prove because it didn't happen. But facts are the furthest thing away from the godless false accuser Zionist con man or demon witch LIAR like Livini. FoxNews calls the demon witch a Jew! ANTISEMITES.

We can witness, Americans do not have the intellect to understand what this means. See, LIAR Nazi Israeli broke the truce to get killed Jews for money. A regular fair for Nazi Israeli. Now, they state they will continue to indiscriminately murder humanity until the tin can rockets that travel miles stop killing Jews who hate Zionists. But importantly, it is Israel that wants Jews to die, so they can make off as Satanic with our stolen values. Just like the Bush family did with Hitler, that the Nazi Nation has no probs working gun in hand to wipe out Jews everywhere still to this day. Again, Nazi Israeli MURDERED JEWS in Lebanon as targeted. And leave Jews to starve to Death in Israel for more charitable aid they can use elsewhere. Public knowledge not disputed by any living soul on this planet because, the Zionist government admits freely to this. Israeli think being Satanic is worth it, for all the money and lives they can steal as enemies to Christ, Hillel, Mohammad, YOU, blahblahblah.

Read of the bushite in my America who call this work of Satanic enemies, a good thing they support to war terrorism for the sadistically evil liars of the neocon. Then KNOW my friends, a bushite is the enemy of every living soul on this planet. Have no love for those in the Air Force, the enemies of Man who bomb our families without excuse, but to know, they hate US as Christ to speak free for Humanity. That DEMON George Noory was so happy last night about all the good the bankers AND CHENEY are doing for their hatred they spoke of for all Russians. SEE? not to protect America, but to kill you with their true commitment to the demonization of innocent people, all to escape the neocon terrorists. I HATE George Noory more than anyone alive in America. He is so openly evil to ourselves, that only those who wished to lie to you, (like Alex Jones does about Ron Paul), would say otherwise as bushite dumfuk enemies. Cowards committed to escaping Bush and Cheney for treason against Freedom. They doctored the NIE on Iraq, highest of war criminality.

Alex Jones has never mentioned it, but for MAYBE in passing. Hey because all the bad guys are just puppets to ignore over the elites, globalists, socialists, liberals, gays maybe, Blacks, Mexicans, and anybody else smarter than NWOer Alex. Ron Paul is a coward as rarely if never has a clue of which he is speaking on.

Israeli PM says to end offensive if Gaza ends rocket attacks

Sarkozy urges Syria to press Hamas for Gaza truce

How does the ungodly get away with this obscenity? Nobody can deny Nazi Israeli broke the truce, as they always have done as Satanic for the last 60 years. Killing Jews for money is popular with the Zionist Nazis don't you know us by now? FoxNews CONNED Americans for DEATH with the unmentioned, TREASONOUS doctoring of the NIE. To kill Americans for more neocon gains, which Alex Jones never mentions either. Do Americans even care enough to raise Humanity's call? Do they demand public executions of sadistic godless Zionist torturers? as the Standing Law of America - The War Crimes Act - brought to be by Reagan - DEMANDS by the Law of America? It is the Law after all, yet, CNN, CBC, and FoxNews calls the perpetrators of the most heinous evil against Mankind, heroes. America is
a nation of godless cowards willing to die murdering innocent Christians in Israel, all for the profits of the 'magical' zionistic private bankers. Bushite grunts are now supporting the indiscriminate carnage, serving as police services forbidding any of the prisoners in Gaza from fleeing the indiscriminate slaughter. Again, as Satanic, they don't arrest the "Suspects", for what could they truly charge them with?, no instead demand we die helpless murder victims by forbidding escape, as they did in Fallujah murdering more than three hundred thousand innocent souls. Die bushite die screams to all men on Earth from the Son of God. Will you stand for YOUR life as truly worth something here? Like lawless enemies Policing your reality will bring you more happiness and prosperity with the great truth teller HAPPY George Noory? The demon who openly confesses the will to want to murder all children in around the age of 15? Too crazy for you to face such an enemy of huge demonic origin, so, go the cowardly way like Alex Jones as sell out slave instead, to cover the demon with endless praise on his treachery to not have our fight on everyday with open calls for understanding Justice is freedom. Instead of a

constant stream of bushite dumfuk enemies of Living.
This isn't complicated. Or it doesn't have to be.

Israeli nazis state they will murder humanity
indiscriminately until rockets stop falling on
their country. Yet, they broke the truce.

Alex Jones told US as a deceiver, he's been
on Coast to Coast a hundred times. Not in these
last eight years he hasn't. I demand Alex prove
this, or be known by all far and wide a treasonous
liar, trying to take US off the tracking of
criminal action of his buddy, the demonic enemy
LIAR George Noory. bin Laden didn't do 911,
despite the facts that WE KNOW George Noory
knows better of but LIES to con the American
teen further for death at the profits of the
un-elected bushmob. See Alex wants you to blame
anyone but those directly involved in the crimes
of 911, or Iraq, or those responsible for it's
cover-up by Zionist propaganda. George Noory will
have as invited guests whos only function there
is to spread dis info as supporting more
indiscriminate warfare for the escape of the
neocon terrorists responsible for starting the
illegal wars to begin US at. Or those whom often
support torture, a war crime that only exists as
irrationally held by those who's minds have only
a blind hate for the indivisible rights of
another innocent other. And often truly hate men
and women for being Just as wise. The McCainiac
Zombie video is a perfect example. When the Zombie
is asked about the rights of Women, the McCainiac
Zombie cried out for raping more Women. The
position of authoritarian power, was only found
with the bushite as oppressor, rapist, torturer,
or Air Force Bomber, not liberation by freedom.
The bushite McCainiac KNOWS it can't compete
openly to defend it's criminal treasonous
actions! Remember, Alex "the Conservative"
thought McCain was the choice if you had to make
one, earlier on, then changed his position,
sort of, later by calling them all puppets not
worth the effort, but .. Obama's idea's matter
not, it's that his Birth Certificate is, no war
too be fawned. Palin? who's she? McCain
firebombed Vietnam as "war hero" for France?
The Banker doesn't cover our loans? Matters
little.

Israel deliberately targeting civilians in Gaza
http://www.youtube.com/watch?v=Ev6ojm62qwA

It was almost acknowledged on CBC radio that
nazi Israelis, use the argument that a tin can
rocket traveled miles, to kill some innocent
Jew as a direct hit (likely a person who hated
godless NEOCON), all because that nazi state
has OPENLY, as PUBLIC policy, stolen water and
food including baby formula, along with a huge
list of other atrocities, to punish God and
Humanity since way back before three of four
truces. AGAIN, Nazi Israeli always, as ungodly,
break their truces. Why? Because YOU, or Christ
as any Jew's life means nothing, to all the
'free' billions they'll get from given American
worker wages. Look, Americans refuse to call
for the arrest of Bush on their national,
"truth telling" Coast to Coast radio program.
Why? Because, for one, George Noory, (Alex
Jones' best buds), has told US he's into
killing innocent kids as powerful, and that
'bin Laden did it', Is good enough for US.
You don't get a say here however how you will
live or die. George Noory calls all grunts
heroes, and those who refuse criminal orders,
those he wishes to go ballistic on. Yes, it's
true, George Noory is still alive and happy
as ever.

Rise Up for innocent Life, or don't and see
where it'll get you in the end.

Again, every soldier in the Air Force serving
for the neocon liar is a traitor warranting death,
to save the lives of their next innocent victims.
They have murdered more than two million people
in Iraq. They are pushing heroin into America
from Afghanistan. They are raping AMERICAN
women as officially "LAWLESS" (can't be arrested
but through Rumsfeld - who has not seeked any
prosecutions for the raping of American Peoples.

He, as Neocon, is TRYING to DESTROY FREEDOM
For all Americans in America - while paying
with American wages, South African death squads
to murder Black men) and TV'ed Americans refuse
to speak for Justice denied themselves. Zionist
amerikans only see US as innocent others, not
themselves to pay, but they do pay, they will pay.
God, nor John will not live in a world where
bushite grunts walk freely down our streets as
first degree mass murdering rapists, torturers,
and thieves. Celebrated by CNN, CBC, and FoxNews.
Especially when they DEMAND they have greater
rights than Human Beings. Mass Murderers deserve
immediate death sentence to defend ourselves
from their demon lies and betrayals to God and
Man. Every CBC and CNN reporter who reported
Russia attacked Georgia unprovoked will warrant
trial, then death sentences for their total
commitment to the Satanic NeoCON enemy war
criminals. Remember: they targeted for murder,
helpless innocent families. YOUR family. CNN
wants you to blindly believe, CNN personalities
like ENEMY George Noory are so happy, why would
we think they willed death against our great
Humanity by conning you for more stolen money
through the sacrifice of YOUR life for zionist
criminals who laugh at your powerlessness to
raise your voice for Justice.

Satanic Enemies of Christ

CNN with Blitzer allowed reported on Larry King that Hamas broke the truce, without any uttering of fact. While when the nazi israelis were accused, just minutes earlier, Mark Regev could say only silence. The zionist Satanic enemies of Jews speak only silence, because they know they are satanic enemies liars of Human will.

Again, these SATANIC enemies break their truces everytime, then state, it is Humanity's fault because CNN will never ALLOW the humans to know. They are murdering innocent People in hospitals for example, or those in a Church, just as amerikan bushite nazi grunts do for the escape of the neocon zionists responsible for 911. To hunt a lawless bushite nazi grunt, and kll it instantly is to defend it's next innocent bombing victims. Bush and Cheney closed 911

investigations on 911, therefore killing a lawless bushite traitor for our Humanity is just to get ourselves together to arrest those responsible for mass murder on 911. The deaths of bushite zionist liars is a mercy given for the love of God. Die bushite die.

Israel Nazi State

Israeli nazis state they will murder humanity indiscriminately until rockets stop falling on their country. Yet, they broke the truce. They always break their truces. Understand these Satanic enemies of God, dropped seven million land mines on Lebanon when learning the conflict was over. They will kill Jews for money, THEY are the Nazis. Nazi Mark Regev is clearly insane. 'It wasn't israel that started this' He could not stand with any man without instantly being exposed to All of Humanity as a war criminal in need of immediate public trial for death sentence. These are only innocent people being bombed. In a concentration refugee camp. Look, it's a prison camp. And if YOU
were a prisoner there, and Texan child rapists are something you'd wish to defend your community from, you'd maybe join the Gazan police force, run by Hamas, a political group democratically elected. All police officers in Gaza, Nazi israeli claims warrant 1000 lb bombs, not warrants for arrest for a criminal offense. Remember, it was Israel that broke the truce, as so is spoken by Palestinian government officials speaking internationally - using the example from November. But understand, as Satanic fraudsters, they always fuck over Our Innocent Humanity this way.

What kind of "Human" would commit such crimes against Life? Cheating Liars for Satan God tells YOU.

The Bible "I know the blasphemy of them which say they are Jews, and are not, but are the synagogue of Satan."

Look, these enemies of Life steal INNOCENT PEOPLES HOMES as thieves of The King of Jew's simple philosophy.

The Reality of Zionist War Crimes in Gaza
http://www.youtube.com/watch?v=GDjthFt6EZg

The zionists aligned with Bolton are using
radio-active weaponry against all Christians.
What do "Christians" in America on Coast to
Coast have to say? Nothing because that demon
enemy of Life George Noory, the pro child
killer, insists as Truth's closest most
bestest friend, bin Laden did it.

most moral army in the world:

Our reign of terror, by the Israeli army
http://www.ifamericansknew.org/cur_sit/rot.html

Glorified by CNN, CBC, and FoxNews:

ï¿½do the Gazans know that only Hamas is to
blame for their sufferings?ï¿½

Remember those same news groups will KILL
Americans too with poisons in our foods
while smiling as George Norry does Daily

Gray Ghost

/ / Funny thing noone ever shows pictures of
the scumbag Hamas rockets falling on Israeli
civilians, but the nooz is full of Palies
suffering. Fuck you all I hope Israel
exterminates the vermin. \ \ He can advocate
the MURDER of innocent people for the neocon
liars, and Google doesn't destroy his account?

Remember Zionist Nazi Israeli started all their
murder rampages against Innocent Peoples for
'free' welfare money, as broke the truce with,
IDF funded Hamas on Nov. 4th. They have been
indiscriminately bombing People with excuses
that never do add up. Example: Nazi Israeli
stated they were in the right to murder ANYONE
in a car or truck in the entire nation of
Lebanon, (especially in the Jewish communities)
because like enemy "Gray Ghost" would say, all
those innocent Peoples deserve TO DIE AS MURDER
VICTIMS for his sadistic ungodly pleasures.
Remember, Nazi Israeli didn't mention this until
thousands has already been murdered, then even
still, without radio, TV, or newspapers, telephones,
or sky writing how were ONLY THE INNOCENT JEWS
as officially targeted to know? Then the seven
million land mines to kill innocent kids for
generations. To the enemy of Life, Gray Ghost
it matters not that Israeli started the conflict

by sacrificing nazi vermined trashed as Satanic
dumfuk enemy soldiers sent across the border,
to Grey Ghost, all it knows, is Justice must not
be allowed to win this game for our human race,
for he would be truly seen as a sadistic enemy
of Freedom, powerless, or rightly dead for
his proud treasons against life in this universe.

Please John begs all People's of Humanity,

Livni: Gaza truce would give Hamas legitimacy

See? this is why NAZI I$raeli thinks they have
an excuse for bombing people indiscriminately
to break a truce they signed on to. This isn't
a one time, maybe two time occurrence, but every
time in the last 60 plus years the zionists
aligned with Hitler have. Satanic enemies
of Humanity.

ANTI-SEMITE is FoxNews every time they assault God

The Ungodly Zionist - a report from the front

/ / The most recent victim of Israeli airstrikes
was 10-year-old Ismail Hamdan \ \

To the Satanic enemies of Man, the Ungodly Zionist,
an innocent murder victim's life can not be allowed
a defense such as the charge of first degree murder
against Netanyaho because, he states no Justice to
any who believe in the Jewish cause, as Hillel, of
freedom as Liberty for all. If Jews ran Israel,
Netanyaho would be chastised publicly by the Humans,
for sanctioning the criminal acts of first degree
murder. The nation of Nazi Israel STEALS Peoples
HOMES. What other nation on this Earth commits
such willful crimes against innocent Human beings
OFFICIALLY? Steals homes from god loving innocent
folks and labels it our 'Justice system'? Who? Neocon

Amerika, the nation that gave trillions to bankers recently on only prayers that their gods will maybe lend some of their own money back to them at high interest. But alas, evil is the deceived disguised, as in their deep ignorance of money and virtue, they do not understand, the private banker never covers the loan. Never does a private banker reach into it's pocket to borrow US to begin with - so as a consequence, the bankers have just pocketed all the 'free' loot for nothing, TRILLIONS, and are not saying why should they help anyone else with charity? it's the amerikan way. Instead, hate the wise socialist who designed a working good traffic signal system, where lives are saved and congestion is eased, or hate the white man, the black man, different People. But never Mr. Bush, Mr. Cheney, or Rumsfeld, the neocon traitors who closed criminal investigations immediately after the crimes of 911 occurred, who doctored the NIE to con America into death, and never slight the trillioniare private banker gods, who have stolen/taken our public authority through war criminals in Congress. Taken from all others to bring us a much poorer world suffering due to our speakings of contempt for Justice as christians in America - who claim in silence only indignation for real Christian families robbed or murdered Officially by the zionist state of ungodly Israeli, paid for by dying America. Americans refuse to raise their phones for the arrest of the bushmob for capital mass murder, so, what's private trillioniare bankers walking away with the entire economy in free fall going to do for them, when they are already to death for the glorious Zionist Neocon thieves of Civilization? Proudly in hatred for Innocent Humanity. Again, Hamas was founded by Zionists in the IDF, to kill Jews for money - public record. Jews starve near death in Garbage dumps of Israel, all because the Nazi Zionist UNGODLY government states it is beneficial to starve Jews, for, they will receive more humanitarian aid THEY can use elsewhere. Public knowledge. Zionist liars murder innocent Jews for money, like they did in Lebanon, and like the zionists did on 911 by forbidding the pursuit of the terrorists by following the crimes scene leads at the real murder scene. Unjust enemies of Man.

To arrest those responsible for 911, we are going to need to form a public warrant for a person or persons. Bush and Cheney are guilty of closing

investigations on 911, treason, called obstruction.

UnHoly Nazi Israeli Racists are Greater
than the censored words of Messiah!

IDF's YouTube Gaza channel to Correct Ourselves

/ / it will disseminate footage of precision
bombing operations \ \

Precision? They dropped seven million land
mines in Lebanon, after having seeked out where
the Jews lived, (Northern Lebanon), and murdered
them firstly! JEWS. They, as enemies of God,
like those of FoxNews, will refuse these type
of FACTS on their hatred for Love and Justice.
Their hatred for Jews, real Jews, like me.
Understand: American baby formula has been
contaminated with poisons, and FoxNews doesn't
think it's important to their corporate
responsibilities to kill ourselves further for
profit. The Zionist will murder anyone just to
steal your belief in God as Love. They HATE me
for being wise and Just. Hate. For, why wouldn't
America support my demands for open radio
communications on the Coast to Coast radio
network? Americans would rather murder Humanity
before Justice succeeds beyond their illusions
of grandeur through the mass murdering of
ourselves for stolen gains. The banker does not
cover our loans! Giving them trillions for free
unquestioningly is dumber than rocks. Enough.

Fake Rocket Attack
http://xymphora.blogspot.com/2005/02/fake-rocket-attack.html

Remember however, the Zionist has no qualms
about killing Innocent Jews too if it means
Americans will get it more free welfare to
murder ourselves. They openly STEAL Peoples
homes in that nation run as thieves don't
You know? Or as it is just open public
knowledge that the Zionist excepts that
911 was actually a good thing for them as
war criminals reaping the cash rewards for
continuing capital murders?

/ / Ehud Barak promised that the war would
continue ï¿½to the bitter end.ï¿½ \ \

That is you there Barak promises to end
bitterly as the innocent the demon targets
for ungodly murder. How could ANY REAL MAN

steal food from a Christian baby? How do they do it?, as the inhuman. (Like bushite do in Iraq, while on CNN in interview tell US, they are there war criming for neocon traitors to steal everything as "helping the Iraqi children". They offer no clean water, no food, just indiscriminate bombing campaigns of evil incarnate. True fascist nazi enemies of true freedom in America who advance censorship to anyone like myself. Why? They lose. They are not men but Satanic enemies of the King to Jews, the Messiah. I Am. Thieves to the scriptures of Hillel, and of Moses. Thieves to the intent of every true religious person, for God is everywhere. God is the Word, and the Word is Holy. So, fuck you and die bushite nazi traitors to American Justice, those of them who refuse US open free words to resolve their war criminal behaviors as is done in godless Israel today against INNOCENT Christians. Done before another innocent other has our homes stolen, or is murdered by the lawless grunting bushite dumfuk enemies of Jesus Christ. I am King already, always have been, always will be. Live with it. The Koran is filled with great understandings on this relationship. Christ is mentioned more than Mohammad - and Mary can be understood as the mother of all being before we are. a virgin.)

Look humans, you've
had your fun murdering yourselves, now the wise people will compete for bettering ourselves by understanding. Who the fuck are these illiterate monsters at CTV national television? and how can they willingly keep our soldiers in the dark dying that way by simply smiling? Are they experts in anything? are they respected researchers? writers?, politicians?, civil rights lawyers? - do they even respect ourselves enough to be warned of vaccines? NO, instead they LIE with such contempt for Humanity I am surprised Canadians, don't speak out more.. perhaps they do, it's just CBC, CJOB, and the Winnipeg Free Presses of our World make no attempt to inform ourselves about it. They don't take my thousands of calls, how about Yours?

Life is real to know, if you seek, and not go so freaked out as Living is as it always has been. Knowing God is cool, 'amazing', yeah, whatever, but we are of too this real world

suffering for our lack of respect for a wise person speaking. I WANT FREE PUBLIC DEBATE FOR JUSTICE AS ALL INCLUDED. Now really, is that too much for US to ask freely? What say you Googler? Afraid I will truly make your banker gods look like fools?, the gods we all give more than half our lives to for nothing? Don't want to look truly dumb as deathly ignorant, so censor US all themmers you are too in command of your Fate. So be it. See? Stand in. I didn't even really do anything there, yet it's written, it's done. A Miracle! Imagine: your Christ! YOU. now what are you going to do.. time is ending for you remember, now what are you going to do? Will you pick up your magic phone and call likewise for Justice denied, or will you crawl up on your cross and die in silence for the glorious Zionist aligned with trillioniare private bankers and Satan? Christ is of all peoples. Your on a mountain.. You've raised yourself from death already, and your here to do something greater for the love of God.. what's your plan for the common man? Welcome to the real world my friend.

Morpheus 'Nobody can tell you what the Matrix is, you have to see it for yourselves. .. all I am offering is the truth Neo, nothing more'

Lawless Police to Defend Who Again?

They Call it Terrorism

"Israeli nazi enemies call bombing people, like they do without apology, terrorism. What can't you figure?"

CNN TODAY

/ / Stand down 'Christian' nation. It's not your babies. Ethnic cleansing is not a 'sin' as long as the 'chosen ones' of Israel do it. \ \

Israel, the nazi enemies of God nation broke the ceasefire on November 4th. Now, as demon liars claim they want to honor a ceasefire again to further steal ourselves from the Love of Justice. Why do the godless Zionist do this always as first degree murderers? Because they can't win an open debate on their treasons

against God and Man. The private bankers DO NOT cover our loans. Again, these SATANIC ENEMIES OF GOD dropped seven million land mines on Lebanon while target killing JEWS. INNOCENT JEWS. Targeted. Northern Lebanon, look it up. Israeli MURDERED Jews. Innocent Jews as targeted for more stolen charity. I again, beg you to support my call for war crime trials against the bushmob, including CNN demons who report a total contempt for YOUR life dying. Your call loser.

ISRAEL: No civilian casualties in Gaza!
http://uk.youtube.com/watch?v=RlZd3vR6Kzk

Satanic enemies of God as anyone included. Think: who buys these demon lies to steal further from our innocent Humanity? Zionists do at CBC and CNN, who will murder America by openly lying to destroy freedom. Example: CNN reports Georgian nazis who targeted children schools, churches and threw grenades into our homes to murder as minions for Satan are called freedom fighters. Just like the Third Infantry, the new lawless police officers of California, who can't be charged with rape for example, because ONLY Rumsfeld can okay such prosecutions. Hey who cares for Iraqi Rights right?, for TV America's CNN with FoxNews and George Norry doesn't, for it's only American women and children now right nazi enemies? And WE ALL KNOW, cowardly America refuses to even raise their phones for these dying concerns. How can George Norry continue to live happily dying America for the neocons? How? they let them. Alex Jones thinks George Norry is just fantastic, so no, don't encourage the NWOers to demand free communications, because if we did, Alex Jones and the like, would factually look like the idiots he is. (better to die America than face this foolishness?) The banker doesn't cover our loans, we do Alex. So giving them trillions in American worker wages is a bank robbery in progress. Simple. NOT a diabolical ingenious plan, we, the simple folk can't figure without the Alex Jonesers geniuses of thought control developed by the CFR, builderberg, the Boners and NASA.

Obama stated all lawless soldiers who war for godless Zionism are heroes, which includes South

African death squad goons who murder my nigger friends. AEGIS. I call them lawless enemies of God, deserving death sentences to save the lives of their next innocent victims, Obama calls them heroes warring for the escape of the neocon traitors responsible for 911. Who are you going to believe?

Not necessarily. On legal SSB channels using the legal 12 watt
PEP power maximum and a home made "inverted V" antenna made out of
coaxial cable I've had QSO's from the central US to Great Britain
and all over Europe with very little trouble. The only "help" I
used was the sunspot cycle and other natural conditions.

Hello Jay,

I ended up trading it and a nice 101E to a local guy for an almost new ameritron al-80b, it's in nice shape and much newer, so I couldn't pass it up.

This one only runs a single 3-500z so the output is less but it should last a long time.

Fed to Taxpayers: Up Yours! -- Insists on Hiding Bailout Data
http://wakeupfromyourslumber.blogspot.com/2009/03/fed-to-taxpayers-up-yours-insists-on.html

Who cares in America? All the bushwhores like
Alex Jones love George Noory for forbidding open
communications in America, while championing wars
against US as innocent folks all to further escape
the TRAITOR neocon LIAR war mongers for the crimes
of mass murder on 911. George Noory HATES America
to have Justice where a man like me could explain
the errors of a bushite's lawless ways in seconds,
and America can not be granted such wisdom to be
freely expressed where the good guys win. Sadist
Ron Paul wants to gut social programs blindly as
a corporate fascist, while claiming 911 was
committed by bin Laden - and, shockingly, (when
you consider the evidence available) that the
Iraq war crimes of rape, torture and mass murder,
are actually an American police action to defend
God's world - and Alex has ZERO problems with those
demon lies, and won't let ANYONE express the facts
on such History. To think that Alex insists he and
Ron Paul leads our "freedom" movement! Alex wants
to gun down innocent men in America as boasted,
and RON WANTS TO GO A GOLD STANDARD, BUT DOESN"T
WANT TO RECOVER THE STOLEN TRILLIONS. Who can
afford this continuing deliberate ignorance of
Alex Jones and the bushwhores, still asking for

our dwindling money to fight for anything but Justice? Who? How much will it cost America to donate to Alex Jones to afford US the public knowledge that the Iraq war is a war crime? Or that we have video of iron flowing like water from the towers? How much?

Bushwhoring Enemies of the American Police

What a demon enemy of life these bushwhore enemies of American Liberty are eh? No concern whatsoever, for all the teen soldiers conned to die for those who committed 911 in NYC. The millions of bombing victims, the tortures, the rapes of American women, STILL, TO THIS DAY, left undefended by "the law". Evil enemy of everyone these demon fuks are. How difficult is it, to understand the facts they feign complete blindness on? They WANT to con you as the coward to life they are, willing to kill America to make their antiChrist lawless enemy Mr. Bush happy.

INTERPOL REJECTS CALL FOR ARRESTS OF WAR CRIMINALS

/ / INTERPOLï¿½s Constitution strictly prohibits the Organization from making ï¿½any intervention or activities of a political, military, religious or racial characterï¿½. \ \

Then, what the fcuk are they good for to not speak against clear war crime injustices against God and Humanity? Who pays for this without thought to question? YOU DO.

Alex Jones is a Bushwhore

Alex Jones stated today the reason why Ron Paul constantly LIES to America, is because he needs to play politics. Yes, he like Alex the censor of Truth, does not have the intellectual skills to ACTUALLY defend his silence of a grunts lawless position. 1441. American grunts in Iraq are dying for the escape of the Neocons, as NOT police officers trying to "police the world". Understand: Ron Paul actually sells bin Laden is the target for the crimes of 911. And Alex Jones, who we know knows better, refuses to defend Freedom's cause for Justice. No, today he told US he sides for a Con because he doesn't want America to openly communicate the facts to save our souls. Again, a bushwhore who believes Mr. Bush is above all the laws of the Universe as the Conservative bigot's false deity. Again, Mr. Bush closed 911 investigations as godless traitor. We, as Humanity, demand the demon enemy of Life, George Norry grant US the freedom to speak freely on the evidence available directly implicating the bushmobster Neoconners.

the fact, that we all agree explosives
took those towers down as widely captured.
It's an inside job. The questions are always
cool, (though sometimes wasting time) and
by challenging our conceptions on what it is
that we can prove is vital if we're ever
going to understand that by Bush simply
closing criminal investigations on 911, he's
"officially" assisting in the escape of
those truly responsible for mass murder in
New York City. Why? Well it seems the Neocons
had this planned all along with those in NATO,

and the Chiefs of Staff, to con the dumb grunts
for criminal greeds. You know, a repuglicon.

This stuff is excellent! They are playing

is actually illegal to do that now when I
think of it.. ! We'll need to discuss this
internationally to gain a better focus.

Your Car Has Been Repo'ed

The derivatives recordings sound fascinating.
I know the banksters don't cover our loans, fraud
from the get go, but these available estimates
going as high as into the tens of quadrillions
are a mathematical impossibility. But for the
the 'value' of something speculated with
OUR assets as truly worthless to be an "investment
vehicle" for our futures. (Like Hedge Funders.) The
"toxic assets" are the crime scene evidence of
monster fraud, where for the sales of paper
arbitrarily determined to be worth zillions,
they took the real deposits as commissions in
the trillions, just like a bookie does but
usually far more fairer. At least that is how
I see it with my limited knowledge on this one
particular scam of the Capitalist Free Market
System of Lawless Corruption Due a Failure in
Real Leadership. - worthless pieces of paper
America has paid trillions already as dahh..
LuCkY WinNaaAhhs. Do you People even know what
a Hedge Fund is? They hedge US out of the Markets
by nickel and dooming everything to undermine the
Market in it's entirety. And, some of these
people have "earned" as much as a trillion
dollars personally in the span of a short few
years under repuglicon misrule. Geniuses? Hardly.
What every Bookie does as a felony warranting
unjustly Life probably. They trade bets,
and take their cuts, paying themselves with the
money the private Investment banks hold, leaving
derivatives as balanced collateral, BUT, a
derivative can have no actual value. It's just
the rules on how the cash will be divvied on this
next go-around with the suckered. As according

too to a 60 Minutes spot on this very specific issue. Now, the bushmob with Obama, CNN, FoxNews and some of MSNBC have been issuing the blind acceptance, that buying these "toxic assets" was a better investment, than publicly challenging ourselves on where all the actual money went? and for wHaT?? Manufacturing has been purposefully outsourced by the Bushmob as treasonous SABOTAGE, while now, to make up for a small percentage of the massive job losses, they, to FOOL YOU, include those who flip burgers as the new Manufacturing Jobs created to make the numBerts look not so bad - but for Christ's sake, who even cares enough to demand CNN to count our Lives as worthy of defenses? ..besides, the Private Investment Fraudsters told US already. Bonuses paid by Public Welfare in the trillions to actual billionaires, with one CEO bragging all he needed to do was fudge his books, and he then immediately qualified himself for 272 million! IS FOR REAL. It was in the Washington Post. No, nobody was arrested, yet, in fact, I wouldn't doubt he's going to try for a second Public Cash infusion to bolster his 'credit' that you can't/don't/won't know: the magical Banksters never even cover our loans YOU left for robbed dead victims - So, needless to say, these new Inter-National Trillioniares, that expect Ourselves to pay them back for minimum fifty long generations, have been going on one hell of a shindig binge of excessive excesses, but what about the continuing "CRISIS" of PUBLIC Banking left undefended by looting? Giving the banksters any public money is totally crazy when we think aloud, but more?? is a recognized crime in progress. Giving public money to banksters to do what they will with our investment is nuts okay? - even if they lent it back, of which they have formally refused, but even if they did, it would still be nuts because where is the public's interest being defended where they pocket privately by defrauding near all at 99 percent there also? It's like you EARNING a thousand dollars, to then be told by the banker, he's going to charge you a thousand dollars plus interest for cashing YOUR check at the only bank available for fifty miles. (Your car has been repo'ed.) Answers: The depositor should be recognized as the shareholder - and there should be no private interests existing to take in between our exchanges for goods and services. Banks need to be separate from the Casino frauds which comprise much of what the Market is

today., and a tax for every buy and sell needs to
be re-introduced. Obama, and the Repugs want US to
religiously accept the Banker Buildings rule our
Reality by giving of ourselves blindly in huge
error. We can work it out. Ego must be chucked
- facts are facts - and Justice is measured as
Freedom is cherished. In other words: No evidence?
Person innocent.

Trillionaires, whatyahfingureeh?

Erstwhile committed criminally, to assist in the
'escape' of the neocon traitors for the crimes of

after the terror attack occurred. Criminal. Torture is

The PROVEN fact here is that, without DOUBT,

anyone but themselves for this communications
failure. NOT DEMANDING arrests against those in

continuing against our better judgments. Realize:
Alex Jones actually believes George Noory is anything
but a willing traitor who boosts in tale, propaganda
lies of death through terror to sacrifice American
GI Teens, all for the escape of the 911 perpetrators.
So again, I ask all to question, what is Alex's point
in not mentioning the crimes of the Bush Administration?
The Courts are being told to rule on whether a proven

OUR Court should instead be ruling, mercury is a neural

Alex Jones is a Fraud

/ / A bank that received $1.6 billion in bailout
money just spent a fortune last week in L.A. hosting
a series of lavish parties and concerts with famous
singers ... \ \ While CNN with George Noory can be
only happy here watching America robbed and left for
more dying victims? Yup. Who cares? Alex doesn't for,
George Noory is a 'good guy', and what ever you do,
never encourage the truthers to organize for public
debate against the evil enemy forces of the Satanic
LIAR Coast to Coast radio programmingers. Why, because
Alex Jones THE LIAR, would lose, and Americans would win.
Again, never forget, it IS Alex and George who silence
those who truly speak for Justice in America. "Bush is a
puppet" is the call of a hypno mugger, who cowardly,
refuses to fight against those who PROVABLY commit lawless
acts of murder in America. Not a Jewish conspiracy, you
demon fuks who deny George Walker Bush. Alex Jones stated
today as a demon enemy of GOD, that the bible states
the AntiChrist will appear posing not as Bush. I again,
demand Alex PROVE his NWO FRAUD against the Son of Man.
I want free communications to face any or all who
disagree that the Bushite promotes lawlessness as
acceptable, while Alex wants to lie as a cheat to
only pretend his rights champion ours dying. No evidence
against the accused, is US being abused.

the banker does NOT cover our loans

/ / Alex Jones on Coast to Coast tonight to speak Bush the mass
murderer, is just a 'puppet' for lying that Saddam wouldn't let
the inspectors in WITHOUT CORRECTION \ \

He's a bushwhore. A soul who refuses others to actually
understand their own conclusions. It's all about Alex, and
not about Justice. Bush closed 911 investigations. He'll
go on and on about the new bank of banks their selling
against "all" as a diversion to understand, the
international private bankers have stolen trillions as
of late, and believe Alex and George ain't gonna let
Americans know: The banker does NOT cover our loans, and
even if they did, WHICH THEY DON"T, why give them our
own money to only hope that they will lend a small
back to ourselves at high interest? The derivatives are
crucial in understanding what is going on here, and Alex
is stuck in his bullshit, nwo crap, blinding him from
understanding how the scams went down. A derivative has
no real value, unlike ARGUABLY, everything else comprised
of 'free market' highjinx. It's like me selling you a
piece of paper with nothing special written on it, for
ten billion dollars. NOW; why would you do that? Because

the American suckers are on the hook for the loses because
Alex doesn't want smart people to speak. Steve Quail is
as real a demon enemy of God and man than anyone. "He talks
directly to God", and 'knows' consciousness can be
imprisoned into Military Intel. Comps., but doesn't know
Laden as falsely accused - delusional enemy of rational
thought denying, like Alex Jones, Justice and Truth.

What's The Point Alex?

Hey! Alex Jones said today Bush isn't guilty of nothing,
but boy, Obama is bad he'll tell you never mentioning
the FACT Bush LIED US into the Iraq war as a war crime. 1441.
Won't allow it. Why? He is a bushwhore, a believer in Bush,
the Antichrist enemy of Humanity who told US if we tried to
form our own conclusion, we would all be terrorists. NO JOKE.
Bush, the most evil man of all History, Alex claims is
guilty of nothing. Example: Bush, is his first days,
STOLE 50 billion dollars. How can Bush (the banker family
tied to Hitler) be above all the laws of the Universe
someone ask Alex. You know, Alex will hang up on any man
or woman who states in question, as he did with Peggy,
a once loyal listener, why he refuses to acknowledge the
evidence of Ron Paul being cheated through a fixed
election. Attempting as a demon, to demonize whomever
phones with such truths - like Ahmad, or Condi's 911 plan
for Enron. Alex Jones is openly a bigot, and a man who
has OPENLY confessed the willingness to murder INNOCENT
Americans - before allowing Justice to rule for the
defense of every American. I want open debate, he wants
censorship, so he can continue to masturbate to the
continuing deaths of innocent Americans. Laughing with
DEMON George Noory who claims Laden did 911, Hamas broke
the truce, and Iran is a holocaust denier. Enron. Has
Alex even ever mentioned it as motive for invasion of
Afghanistan? Never. Has Alex ever stated the Taliban

were simply asking for evidence to form anyone's
conclusion on who was PERSONALLY responsible for 911?
NEVER. THINK here. Even after me sending him email
after email for years. Alex states all who criticize him,
are delusional, because he warns people of poisons fed
the masses. So therefore, every last word I state about
Alex Jones undermining our wanting for real Justice is
correct without argument - As according to ALEX, he is
delusional. Wow eh? Alex is a stupid bigot as a matter
of fact. He'll tell you we gotta get past the left right
thing, (trying to steal my thunder - where i give to all
freely) yet, near next breath, or the one before, he'll
tell you what all Liberals think. Or all socialists,
or... blahblah Someone should ask him what Christians
think about letting the mass murdering LIAR Bush escape
Public trial for high treason by conning teen grunts who
are now dead. Bush PERSONALLY closed 911 investigations
immediately after all. Again, NEVER mentioned by Alex
as important to our struggle to arrest, try, and execute
those responsible for mass murder in Johnny's America.
An America were every Human life is worthy our protections.
Where Alex Jones is NO GREATER than anyone of US. He is in
a popularity contest, while I couldn't give a rats ass
what rupuglicon, or demoncrates think about my wise words
on God and Justice. Great entertainers I am not blindly
enamored with, nor do I believe FALSELY, demon Bush, the
Antichrist, is above and beyond all laws of our Humanity.
If 99.9 percent of godless Americans disagree with me on
God's will to have all neocons with the Bush Administration
arrested immediately for public trial for high treasons,
to hell with them all as they lose their rights rightly.
For, they are not our friends who willingly murder OUR
Humanity for stolen private Banker gains. Alex, a bushwhore,
a censor, wrongly believes Bush is guilty of nothing. A
bushwhore of the antiChrist he is. I mean come on, he
claims all those folks who followed truth mentioned in
the Bible were murdered. How stupid is that????? From
what I recall there was a misunderstanding, and well, that's
about it. How many American "Christians" actually believe a
man of God actually walks this world? How many? Being Gay
is okay with me. I'm not Gay, but still to each his or
her own, as long as your not infringing on the rights of
another to do what ever they choose. I love all children
too much. Real Freedom. GCN advertised HATE for Gay folks,
then at the website, murder - and the station sees still,
no problem with dividing our innocent masses on desperate
attempts to escape the neocons from Justice. That's the REAL
reason Alex states a derision for Liberals. Note: "Liberals"
in Canada are a right wing party that disbanded the RCMP
corporate crime division as perfect example, and! sent a

Soldier to prison for refusing criminal orders. Never allowed by Alex, for his gold dealing boss has a son killing innocent Peoples for Neoconned cash in Iraq today. ALEX WANTS TO CENSOR US ALONG WITH THE ENTIRE BIBLE NOW WHILE MASTURBATING HOW HE IS NEVER WRONG? In his dreams maybe, but not our shared suffering reality. By the way, has Alex ever written for Justice? and why not?, considering he is so greater than all others who haven't been invited on his show he stupidly said two or three days ago, me, and everybody else here globally? Truly delusional he is for not being truthful. Be a man Alex and face me in open debate to defend YOUR idiocy, he won't because HE KNOWS, Americans would win, and we would look the fool as loser. Too cowardly to defend America he is, because he doesn't have the virtue for it, and refuses to hold respect for men like me hugely wiser than himself he works to keep all down for death. Alex claimed the will to gun down kids who steal copper. Not only a man unqualified to "lead the Truth", but not qualified to even carry a gun. He told US when hearing the bullets going into the backs of two innocent men in an act of pre-meditated murder, it was 'the sound of Liberty'. That is evil to all my friends, evil to US all. He has called himself "the white devil" while mimicking another he refused to allow speak for himself after all.. And no, a debate between US and Alex will not be done where he gets the cut off switch to deny all others under the sun who speak for real Justice. Real freedom.

Bush and Cheney are traitors to the cause of American Liberty. To leave them free, is to leave America un-guarded from further transgression.

Patriotic American Navy Vet is tortured by bushite nazi grunts
http://killfile.newsvine.com/_news/2006/12/21/491153-white-american-navy-vet-is-illegally-detained-tortured-and-tried-by-us-government?last=1166730840#last_4

Again, Reagan warrants death to all who torture, and a deep hatred for all ungodly in America who support it. Why? Because the vast American public (especially FoxNews treasonous LYING enemies of The People) DO NOT have the intellectual skill to understand what freedom is. Justice. Look at me! they can't seem to talk for Christ's interests, that smart ass know it all, where he thinks he's so ingenious where no one on Earth can find fault with his indisputable simple logic we share EQUALLY. (Bankers don't cover our loans for example) Kill my kids, my spouse, myself, before allowing John to speak openly in the public on Coast to Coast for open debate, all of Americans say in silence censored. Why does America continue to die this way? Because bushites are truly as they claim,

stupidly ignorant as treasonous cowards, or as prosecutable criminals, evil people who only want in this world to rob or murder People indiscriminately as enemies to Justice, enemies to GOD, a Criminal. NOT A JEW you fuks! George Noory will tell you freely all about his hatred for our Humanity, he does it near everyday, though People don't have the ears to hear, or the care. Too scummy. That remember! get American GIs murdered by the score with NO REASON AS FOR. Example: why bomb more than a million innocent souls indiscriminately in Iraq, if you have complete unrestricted access to go where ever you will? And, that Bush, Cheney, Condi and such, knew from day one, Saddam had all the WMD destroyed as documented fully, as did I. Documents that BUSH personally stole if you recall not listening to Alex Jones, Foxnews, CNN, or the CBC. err. maybe it was Bolton - s-t-o-l-e-n -.
Likely, as a likewise deeply ignorant person, you know little of Life as principled for individual freedom, and couldn't care less what this boundless Universe offers all in reflection, instead, it all about what's in it for you as a lying cheating thief to this mystery right? Wanna be a lawless mercenary to murder innocent people dreaming of becoming a private investment banker, who never earns a dollar in their entire careers, taking trillions undefended from Humanity just to see US suffer to deaths for our continued silence. All you have to do is raise your phone to demand justice in our times. All Neocons must be arrested for public trial, along with near every last member of the Bush Administration. PUBLIC TRIAL. And Soldiers must learn quick a commander who doesn't support getting those responsible by following the crimes scene leads, is a commander deserving of an immediate firing. Otherwise, what use is the grunt good for eh?

Again, Ron Paul like near all Libertarians, does not acknowledge the wanting of Justice for the high crimes of Banker fraud, Iraq, or 911! He took the "Truther" money, but refused to support the arrest of Bush for treasons times 50. Social Security he wants to gut like Health Care as a sadist who knows near nothing on how such systems currently operate. Again, he does not speak of recouping the STOLEN 1000s of billions from America, or the lives. STOLEN. What is it that you can't figure here? Fuk ego, FACTS. We are all effected by suggestion, this is why, since the dawn of time, evidence has been the prerequisite to convince ourselves of anything. Alex's cartoon storyboard, is truly, as measured, Alex masturbating with our precious times. Think:

Alex doesn't ask Americans why they don't support
the arrest of Bush for high treason because a world
where all are treated equitably is beyond his
understanding as a bigot. He could change, but he
is 'light years ahead of the Public'.. but of what?
All you need do, is every time Alex says "they",
ask yourself, WHO? - then know: the bartender at
"Bilderberg", isn't as FOR SURE guilty of crimes as
Condi from "Builderberg" is. The 911 plan came from
her very desk according to MSNBC, never mentioned by
Alex Jones. Why? You have to be near genius like
me to explain it COMPLETELY without even seeing it.
NOT MAGIC, more like meditation through understanding
our universe is ruled by good ideas. Alex is a man,
a Good man mostly, with some fears countered with
an irrational aggression (not thought through) that
found him blindly supporting the murder of two
innocent men. Not freedom. while I, am of God. An
actual god. The Son of Man as a matter of fact.
I want to tell you how great Life could be, but i
see so very little of words present to survive the
lawless corporate state. I AGAIN, will ask YOU to
forward this post to two People, but will YOU??
Torture is outlawed by warranting Death under Reagan,
and.. it's like the best way to resolve a FoxNews
'excuse' given to illiterate nazi grunts to abuse
ourselves as innocent others. Tell me I'm wrong.
. . KBR rapes American women, or murders them,
and needs to be hunted down by All American military
forces for it, as trialled to death. Including all
commanders of the Air Forces responsible for bombing
our families without causes. And lastly, any that
discourage our grunts from not supporting the arrests
of those that actually did US wrong. Get to it.

don't want the still dying victims to know

then? 31,000 feet is a distance of miles!

TED SAID SHE DIDN'T HAVE HER PURSE
http://911review.org/Sept11Wiki/Olsen,Ted.shtml

/ / Ted supposedly told CNN that she called him
collect. However; once a credit card is swiped,
you can begin using the phone to make calls.
So, no collect call would have been made. \ \
The allegation also has been debunked by
reported to be, Airline officials who stated
no public phones were even available on 177.
That seems near too far fetched, BUT!, GTE
Airphone reports DO SAY - zero call assists
were made on flight 177. ZERO. So, how then
does she make a collect call then, and why
if as claimed, Ted and Barbara were madly
in love, would she not know her hubby's
personal number?

Remember, Ted was the coke pusher's lawyer in
the Contra case, of which Ted, was also
assistant secretary to the Solicitor under
Reagan. The Contra group if you recall were/are
pushing crack cocaine into major cities for
plans to undermine the American government for
illegal wars against peaceful civilized life

FBI SAYS TED OLSON LIED OR WAS DUPED. NO 9/11 PHONE CALLS

where he learns, she without her pursed
cell-phone, has to call through the phone
records of the Justice Department. How did
he forget that fact when first pronouncing
of how she had phoned him from a cell-phone,
or, then from an airliner that didn't have
phones in the cheap seats, nor tear-gassed
upper-classes? The trouble here is that
a small cadre of bushmobsters keep hiding
the evidence on CNN, FoxNews and George Noory

implicating themselves at the crime scene,
as illegitimate "intelligent officers" -
we WANT to know our media voices the voices
of those who support defending ourselves from

BANKER SOLUTION

Solution: refinance near zero interest, (as low as we can go),

UK judges accuse Obama Administration of suppressing torture claim
http://www.timesonline.co.uk/tol/news/uk/article5661291.ece

Yeah really. What kinda world does Obama take US
for here? Does he actually believe we hold no
interest in being attacked as ourselves, the
innocent forsaken? A reminder: an American was
executed under Iraqi law without any evidence
brought against the accused, while the grunts
were offered an excuse to seek not the culprits
at the terror scene. The case was lightly reviewed
at democracynow, a year or two ago, and can be
found by searching for a grunt pretending to be
an ambassador to Romania. A case where the Judge's
life was threatened by a "General", where if he
didn't order the death of the innocent American
citizen, the grunt with the General would murder
US all right then and there. The Innocent American
was murdered as forsaken for value shared by
free men. dying.

"Judges Bribed by Private Contractor to Sentence More Kids to Juvie Detention"
http://www.philly.com/philly/opinion/inquirer/20090128_Editorial__Judges_Sentenced.html

Christ speaks!! Echem.. This is called a criminal action to falsely imprison American children for more stolen money. Will the contractor be arrested, tried, then executed in America to defend American children? Unlikely, because it isn't as important as how fat Oprah is today, or as Alex Jones the bigot would say, on how daily, the hidden NWO elites are responsible for every criminal action against Liberty in America, not war crime dictating LIAR Bush who told US Saddam wouldn't let the inspectors in without corporate news correction, Bush, who closed Police investigations on 911 for Enron, KBR, and the Kissinger associates. And certainly not Bremer for personally stealing tens of billions, no no no, "just puppets" "just puppets" as instead, the Illuminati in other words not allowed spoken understood with Alex Jones NWOers. I want a free to speak arena where 50 percent of what Alex spews is truly dumber than stupid. Why? because he is controlled through his personal weakness of bigotry, to actually believe foolish things as factual. Examples are truly endless when we discuss Alex Jones' dumminess, but here is one example. Alex states 911 truthers were attacked in a TV show as NWO mind control- but, the "truther" he referred to talked in the drama on there being NO PLANES! A dis-info bushite stooge if ever was one depicted with special effects. We suffer with his bullshit every day, knowing if we tried to phone, would not be granted a minute because I, in support of Freedom for America, make all bigots look truly

dumb as fascists lashing out at nothingness to
divide our masses. And apparently, he can't have
America becoming greater for defending ourselves
fairly through Judicial actions. Yet.

Obama set to allow Bush-era ï¿½torture flightsï¿½
http://timesofindia.indiatimes.com/Obama_set_to_allow_Bush-era_torture_flights/articleshow
/4067338.cm

What the fuk eh? Doesn't Obama know this
crime warrants death in America according
to the war crime act? Does he believe America
just will never have a chance to speak for the
interests of US as innocent Human beings he is
planning to torture as an enemy to Life?

Refusing to Defend American Values

Yoo: Bush okayed torture to outwit defense lawyers

This is why it warrants the Death sentence. Remember
corporatist Amerikan citizen, these torture victims
that include children as younger than a hundred, had
not been alleged to have ever committed a crime in
their entire lives. Victims tortured to death for the
pleasures of those Satanic, such as General Geoffry
Miller, who tell US today as confidenced, they do it
because, patsy wasted American soldiers will just refuse
to hunt them down for formal executions. Let's change

this for our Humanity in this future, to look back,
and know, American males were men of the World, who
stood for the principles enshrined within every living
Constitution. A free man shall not be jailed, or
tortured by anyone in our names as Governed, without
the perpetrator tried publicly for execution as our
Love of real Justice. As first degree mass murderers
warranted death sentences under the War Crime Act
ushered by Reagan!, all done in for our protections
of their next innocent victim - ourselves. Or
die a death in corporate tyranny worthy the title,
cowardly traitors to God and Liberty. Blackwater,
CACI, AEGIS, KBR and the like will all be hunted to
extinction for refusing to quit their lawless Rape
and mass murder, murders done for more stolen money
as America's name high-jacked. The Lawless enemies
shall be prosecuted by the honorable Soldiers of
the Good old, Red White, and Blue. Count me at
our words on this, I am,

From years after the fact still demanding Justice now:
http://groups.google.co.uk/group/alt.military.uk/browse_frm/thread/ca0e34fb32caeb0a?hl=en&
scoring=d&

Huh? "at last been disarmed..." ? How does he figure?
The equation hasn't changed. Example: The same
unaccounted anthrax, (that was disintegrated into ash),
still is not able to be measured as completely accounted
for, (never could be), but this bushwhoring war crime
apologist, tells US, it was only though the lawless
murder of our good friends and family for countless
generations, that he now attests without reason, or
evidence, to find Iraq in "fact" disarmed of it's still
nowhere to be found, weapons of mass destruction. (An
irrational reason he pronounced previous in corporately
broacasted public support of instigating heinous war
crimes against our humanity under the leadership skills
of the evil lying demon antiChrist, our Mr. bush Jr..)

Ron Paul defeats 5 TV 'experts' in 10 minutes
http://www.youtube.com/watch?v=0k92fTDReHg&e

Ron Paul is a traitor. They stole the cash Ron.
And, the Iraq war is a war crime. But Ron, the
Fascist, doesn't want THESE FACTS uttered. Why?
Because wiser men would prevail, wiser men like
me who understand buying in bulk is cheaper. Those
like Christ who understand, who KNOW, the banker
doesn't cover our loans - so why give them as much
as a taxed red penny?, let alone trillions as
officially unaccounted for? They are stealing the
cash Ron. Ask yourself: Why has Alex Jones
forbidden his bushwhore cult from understanding
Bush doctored the NIE?, or of iron flowing like
water from the towers? Because wiser men would
prevail and he can't have that. He called shooting
innocent men in the back, an act of liberty. I,
an actual god, unlike Alex, lie near never, but
maybe to myself when I'm lonely. Alex yes will

tell you rapists are free to do what they will
in Texas to American children, un-arrested, but
he won't mention it when the police chief is with
him on air, talking about how he'd like to be
exempt from traffic tickets for being so popular.
NO MENTION of the rapists walking away without
arrests made, no mention of Bush's documented
treasons on 911. Where are Alex's priorities?
In selling YOU out so he can be wealthy like a
bankster?, and have special rights over everyone
else that drives drunk, or speeds? a big hero
standing over our dead soldiers yelling, I told
you so, I told you so, I was right, I was right.
Again, understand: It is not by my will to deny
open debate with America, it is Alex, and his
demon buddy George Noory that denies out Humanity
this right. And when people try, like Peggy, or
Black men on Jewry, Alex lies cheats and steals
our wills for further thefts. Ron Paul's family has
millions taken from loyal Alex Jones fans. MILLIONS!
Does Ron do commercials with that money highlighting
the bushmob's plan to invade Afghanistan, dated two
days prior to 911 for Enron? Of course not, wiser men
would prevail to expose him as the charlatan charity
raider he is regarding Health Care, Social Security,
Public Schooling, earmarks.. It is unfair to measure
Ron against corporate nazi zionist whores of MSNBC who
willing, openly, kill American teen soldiers for
criminal neocon gains, as an honorable gentleman's
talk. Half honest People like Ron are extremely ignorant
on the workings of our world. EXTREMELY. I joke here not.
Evil is the deceived disguised - translated - evil
people are always dumb.

Corporate America says no, Charlie Manson was a genius,
but not, that most Americans are prone too easily to
suggestive states where they can be made to believe
anything blindly. Think: what does, "bin Laden did 911"
mean anyway? You should know of what I'm trying
to teach you here. That is how
Alex knowingly or otherwise, steals our rights, by
beating off he knows everything already. And some,
if not most, actually believe him without knowing
squat either. It's sooo easy that way - no study
required!! LIBERTARIAN HELL! Everything is not on
the Internet, where it near should be, but regardless,
a Libertarian can't be bothered to read anyway.

It's YOUR life. It's God's
Gift. Now support our rise for popular international
debates to get these Neoconners behind bars

awaiting Public Trials! "Public"thatsoyu!! Get to
the Phone to call someone to care man.. Johnny
Jesus has arrived! Justice Will Be Done in this,
Our Kingdom to Come.

Justice to the war criminals of
indiscriminate warfare would better serve ourselves
to halt for our safety. The bushmob did 911.

Turley: Obama 'accessory' to war crimes if no prosecution

men that usher a greater life. He doesn't want
the evidence of George W. Bush made public to
defend American teen soldier's lives. The true
fascist Alex Jones, who in silence supports the
escape of Bush for treason, will fail our true
voice for Justice in our times. WE DO NOT rule
the truth we share equally committed to defend
ourselves from lawlessness. And you'll never
rule my right to speak freely over your intent
to sell us all out for monetary swindles, just

Israel to be Judged - Universal Petition
http://www.tlaxcala.es/reponse_signataires.asp?lg=en&ref_campagne=10&Page=1

The demon LIAR zionist Israeli is a godless enemy
of Humanity, much like everyone at Foxnews, CNN,
BBC, and the CBC. Our revolution against the godless
bushite shills, will not allow our revolution
through speaking honestly, (to become of ourselves
something greater), a chance to be televised for
our benefits. Bush closed criminal investigations
immediately after 911. According to the FBI and
Senator Daschle. CNN says you have no power, Foxnews
says you have no power, the BBC says you have no
power, the CBC, the same, like Alex Jones NWOers...
but well, don't believe it. YOU Do have the Power.

We must demand open communications to bring back
values WE ALL would agree to through polite debate.
"Conservatives" don't want this Freedom idea
expressed in general terms because, a "conservative"
is universally, minimally. a bigot. Why? Life isn't

like, their way, - then- all other opinion under
the sun on how things actually get done. (Aka
"socialist" traffic light repair men, or "liberals"
who want to treat The People fairly). Or who we are
as equals to our laws fairly practiced. Pay attention
to what I am saying here. Liberals can be Dicks with
a capital D too of course. But a Hannity couldn't
survive 2 minutes with me speaking on his very real
treasonous behavior in OUR public arenas. Behavior
done to escape the 911 culprits from the long arm of
the Law, with his conscious will of criminal deceit
exposed, we all learn to better defend ourselves.
And Shawn Hannity can't have that for ourselves, he
takes too much money from ourselves as talentless by
keeping US in the dark dying needlessly for traitors
never elected publicly.

Who am I you ask? Johnny Law. at your service. Look
me up with usenet to discover, we live in a world of
idiots everywhere pretending to be somebody by lying.
While I want US all to truly improve our condition by
actually understanding how bad off we are by failing
to respect ourselves for correction. Too many, know
it alls, with not enough to know you need evidence to
form a guilty verdict against an accused man or woman.
Not according to CNN, CBC, MSNBC, Foxnews and the like
however. Let's change this by supporting my challenge
for top billing at the Coast to Coast radio show hosting.

our comprehension in it's scientific complexity?
For Americans, okay, but the Human species just
isn't this dumb.

While Zionists OFFICIALLY target Christian school
girls for mass murder, CNN instead reports that
bushite grunts attacked girls in Afghanistan, posing
as Taliban. I WILL every celeb at CNN to be arrested,
tried and executed for the reporting they have done
today without facts. Remember: the Taliban played no
part on escaping those responsible for 911, and opened
schools for girls, and were brought together on the
single purpose to defend women. Death to CNN reporters
to LIE for killing OUR school girls. I HATE zionist

enemies of Humanity and God I am.

/ / Obama's Executive Order bans some -- not all -- US
officials from torturing but it does not ban any
of them, himself included, from sponsoring torture
overseas. \ \

Is America a nation of Law to Live freedom?
Because this SPECIFIC deviant action of Obama warrants
the death sentence under Reagan's "War Crimes Act".
SPECIFICALLY. Or, is it you falsely believe Obama
can do no wrong against innocent people here, where
an illiterate nazi grunt, maybe from South Africa,
will kidnap YOUR children, and torture them to
death for sadistic pleasure, with as they did using
power tools caught in Iraq, according to Iraqi
government official(s), and several soldiers from
Oregon, all because Obama has given an ILLEGAL!
"excuse" to NOT support following the crime scene
leads at our REAL murder scenes? Again, death to the
bushite dumfuk enemy of God, death to the enemies
of a freeing Humanity striving for a just society.
Obama needs to be arrested for this under the Law
as it stands I'm sorry to say my friends. Why?
Torture is illegal in all 50 states, (as Reagan
directly planned), no matter where you ship the
innocent victim to, or from! Read the War Crimes
Act, then demand Justice today, otherwise, it's
YOUR funeral. Obama wants to secretly torture
Peoples here, while lying to US ALL that he doesn't!

http://video.google.com/videoplay?docid=6546044203900048624

Alive We Say

And Alex Jones gives us the same guy twice
a week that blames the Illuminati, while
encouraging that YOU TOO! can get money
for nothing like the banksters. Just give
the Alex Jones', NWOers, the "truthers" money
money money money. No time for affording the
explanation that the TREASONOUS bushmob
doctored the NIE. That Saddam wasn't in
violation of 1441. That a NEOCON is
identifiable for it's demonic LIES
against God and Man. Never to tell, the
private bankers don't cover OUR loans,
that Bush PERSONALLY worked to close
Police investigations immediately after
911 (obstruction), or that WE have video
of iron flowing like water that PROVES,
without doubt, bin Laden couldn't have
single handedly placed the explosives
in the buildings, or stole the black boxes.
Because someone surely would have spotted
him dragging his dialysis machine what with
all the professionalism of corporate news
media coverage regarding our horribly
suffering worlds. Alex Jones ignores the
treasons of Bush, as a Bushwhore, and
instead, tells US of how Obama is Bush on
steroids. He only wishes. What about
Justice for Americans Alex? Why for do you
forsake ourselves? For money? What about
the lives lost to mass murder, that you
allege to champion OUR TRUTH without saying
much of anything on real Freedom?, on real
Justice

I am a defender of
all that is right and just in this world,
because I don't need to lie like Alex does on
a huge host of issues. I'm more like Jessie
Ventura, in where I don't need/want to lie.
If I end looking foolish, (of which I like
never truly am), it's a benefit, because that
way, I've learned something. Alex knows
everything already, and 'is always right'.
Like I say Retarded. You weren't right by not
understanding that the banker doesn't cover
the loan. One example of easily hundreds. He's
a typical, he knows it all, know nothing dumduk
American. Hear him on health care speak as
Ron Paul does, and know, I defeat them in under
ten seconds. TEN SECONDS. This is why he hasn't
in years, allowed me to speak more than five

or six words. He's rather all America die, than
admit he does NOT rule our 'Ocean of Truth'.
I want the challenge of opposition through debate
to PROVE my skills beyond reproach. Alex,
every time, just hangs up on anyone who tries
to improve our communications by factually
speaking. Why? Because he IS TRULY deeply
ignorant on what freedom or Justice means. Why
we have law. What a consensus is. Allan Watt is
severely disabled in this regard, another Alex
Jones favorite. And this is why, Allan can't
take calls openly either. He has jerked off
with himself too long to quit now learning
super basic precepts, for like Alex, he "knows"
the inner workings of the 'genius' NWO elites.
Not Law 101, not Bush, not Rumsfeld, Not Condi,
not Torturers, not bank robbers, rapists, or
even petty thieves. Allan Watt isn't a bad guy,
he's just a chauvinist pretending he actually
knows something, when his real disability is
directly related to his absence in understanding
understandings. Doubt is a near foreign concept.
A challenge for Allan: can you get your 'genius
mind' around the fact that Peter Powers did the
London bombings, and not the Illuminati of 1463?
and if not, why are we so dumb to our present
plight that way? Don't get me wrong, Allen has
much to offer, it just isn't the issue right
now on saving our dying futures. Maybe I was
too hard on Allen, he is really actually kinda
cool. Alex Jones too has many incredible
moments of ecstatic clarity increasing in all
they joy of seeking enlightenment. .. Ok -
but this is serious business that requires
little dilly dally with what we'll have as
a side dish in Paradise Lost. We are talking
Human Lives have been destroyed by our inaction
to remedy these failures to communicate
effectively. and.. Jeeze, the weight of my
responsibilities, as just plain John, being
a/the Legos Man - for like the Family and
everythings, get's me never forgetting, all
we got are these words left dormant from the
power they truly possess in the minds of the
jack-asses. And.. here I am. I'm a Talker of
Words looking to make a break in the

our public realm of left defenselessness. The
false allegation deserves a death sentence
by Jews against the war monger Zionist enemy.
A cause that Iran should champion, if in fact!,
this allegation by OFFICIAL WAR CRIMINALS WHO
TARGET FOR MURDER OUR SCHOOL GIRLS, is on it's
face, unsubstantiated as patently, demonically
false. As typical from any godless Zionist.

Where are the Americans asking for the
formal arrest of Bush for high treason?
Whoring for Alex Jones's contempt for REAL
Justice? The ignorance of all American
talk radio hosts speaks for itself. NO
knowledge on why acts of high treason, are
crimes against every American. The bushmob
doctored the NIE, and Alex doesn't want
Americans to know, because if they did,
they ask, why does Alex do everything he
can to escape those personally responsible

for 911, while then asking for money to
continue his fight against freedom in
America. Again how much money do we have to
pay Ron Paul or Alex Jones before they
will allow the knowledge of the Iraq war
against Human will is criminal? How much?

Obama! feel free to call
on me to help out with a plan for judicial
actions. That offer goes out to everyone in
Palestine, Canada or Britain too. Russia,
let's help out these fools by freely
communicating, what say you? Justice
for all is freedom to be. The Israeli cop
killers must be brought to justice for war
crimes. Those cops, were cops. And I,
am a man.

Alex Jones Rocks!

Now Alex has problems in "my" mind because I am
an ACTUAL genius, and he is generally, an idiot.
Today, he did one of his usual commentaries, however
this time, he was pretty honest with himself, and
his love for Ron Paul. Ron Paul sells incompetence,
and Alex corrected correctly!. that a.. sorry Ron
but these banksters know they're robbing us as
undefended blind men essentially. That's what I'm
talking about!! Look, Ron Paul can be a dumb Ass,
although, he's still not all that bad a guy. A Dumb
guy on things like economics sure, Justice, warfare,
Health Care, Social Security, ect. ect. but still.,
like a child learning of why the sky is funny
blue, isn't all that bad a guy really. He's
certainly not a war criminal, like Bush or
Rumsfeld are. Doing 911 then sanctioning torture.
While Neocons Champion sending illiterate American
teens for death as war criminal. Think about it.
Maybe he is..

-

ï¿½We have all these documents that are now
publicly available that prove that these
methods of interrogation were intentionally
ordered by Rumsfeld,ï¿½

Let us understand. These actions "give" a guy
like Willie Brand "the right" to RANDOMLY kidnap
men, women, or children, and torture them to
death for sadistic pleasure with his
Capt, Christopher Beiring. (I think that's

how it's spelt). But anyway, this is the truth. A bushite is a godless Zionist whore of Nazi evil, an enemy of America, who wars YOUR Freedom with criminal "excuses", for refusing to support the arrest of those responsible for 911. A TRAITOR, and could be wannabe rapist, robber, or 911 mastermind ringleader. Torture is illegal, and warrants the death sentence, according to, Reagan's "War Crimes Act". Some only suggest, that this was why someone tried to kill him as honorable. Death to the torturers of our innocent families, torture they do without apology as Zionist Military "Judges". Instead today, where they get salaries paid in the billions by the zionist giving nation of, a-mirror-kay, echem, America. Johnny's America. A nation where Justice will rule for the favors of all treated equitably with or without you. Honor me in company my friend. We have no rivals.

"they do not understand, the private banker never covers the loan. Never does a private banker reach into it's pocket to borrow US to begin with - so as a consequence, the bankers have just pocketed all the 'free' loot for nothing, TRILLIONS, and are not saying why should they help anyone else up with charity?" Then went on to say, it wasn't any of our business with what they did with the money. (But for to cover criminal fraud in the derivatives market, where the true value of said commodities were backed by ZERO capital. ZERO DOLLARS. WORTH NOTHING. So, think about who's truly giving it always here until Johnny, the man who came out of nowhere, arrived to explain everything in five or six minutes.

innocent peoples homes, then imprisoning
ourselves, the victims, in a death camp for
indiscriminate slaughter. While they continue
to STEAL OUR CHARITY by breaking truces. What
is it that YOU can't picture?

/ / they committed collective suicide - men killing their own families, afterwards each other, until one [evil zionist liar] remained to kill himself. \ \

ISRAELI IS A THIEF WHO CAN'T SPEAK OPENLY IN DEFENSE OF OURSELVES IN OTHER WORDS? That is right. They, as documented criminal, lose every debate personally since before the dawn of Civilization because their position is clearly unsound. They are criminals who murder People in hate for a freed Humanity. They OFFICIALLY steal Peoples homes in that country didn't you know they proudly proclaim it so? And steal humanitarian aid from starving children. Targeted to murder children specifically as publicly confessed, 'it is Hamas WE blame', not them as demonic child murderers. Hideously evil as ungodly sadistic savages. Enemies of YOU, enemies of them, and enemies of me, the King of Jews Christ fellow from beyond the grave. They are so evil to God and Man, they tarnish everyone of US to not win justice sooner by blaming the actual bad guys. Justice is Freedom.

/ / Those white phosphorus shells used on the Gazans are made in the USA according to Jane's Defense. \ \

Again, these peoples are not Jews. Being Jewish is a religion. These thieves of God are Satanic in their LIES to betray the common trust in our words, that bind all worlds to victory, called freedom universal. Even tales of the Devil have him keep his word, with verses specifically condemning the self to damnation for targeting the innocent for death. God's the Word. Every word inside a fool's paradise. Including the periods. Not as like, I'm playing a word game, but that it in wonder, is all strangely here. Example: The Universe as it has existed always, is not separate from our 'pauses', or faulty drawn conclusions. The universe, in one sense, was

as good as anytime, created 6000 years ago.
AS TOO 50 billion. You say, impossible, I
say no, study quantum physics, and know, I
live this.. our existence is not scientifically
separate from the timeless nature of
consciousness, proven as not only theoretical,
but actual. That is a first step at developing
a REAL relationship with the living Universe
if you want to as like an artist does - that
TOO! can be just as thought static in it's
orderly constructions for Atheists. (An
Atheist is still mostly a fool here however.)
Overall, for any, it's sorta simple: Life has
left YOU in charge of YOUR fate. Now, do well
to make something of this being as eternal Life
reaching for balance, as your body does, and
good cops do when bringing the bushmobsters to
Justice. By Israeli calling for more murder
against the innocent of your mind as racists
and bigots they are openly, is still shadows
of YOUR mind, YOUR WORLD.. get it, got it? God
is in genius to set Life as this, as like,
nowhere existing, but for as yourself within.
Will you speak out for the Justice denied
Humanity?, or not you? Atheists can be Just
too!, but generally lose it on not
understanding the intelligence of order is
way beyond what they dream up with
assumptions. All anyone has to do is ask
themselves, who do you mean "God"? Atheists
are ridiculous!, but, to each his or her
own, we are on a path here, believe what
you want to believe. This is not a faith
initiative I'm bringing by keeping this real,
I DEMAND JUSTICE BY OUR WILL BE DONE.

A zionist cabal of criminal pirates who murder
Jews around the world for stolen money is
seriously evil as criminal. What do you think?
Let US have a open line discussion on this
indivisible matter of rights to all as equals
before who ever we proclaim, I AM.

I mean you right? Say it with me... "I" "AM"
we are good to go.

Again, Americans need to demand the arrest
of the Judge and prosecutor for being openly
evil demons, as TRUE enemies to freedom in
America. But guess what? Americans will refuse
to even phone Alex Jones, or George Noory
to be hung up on. Just refuse as brain dead
zombies - as known in this circle, McCainiacs.
Did you hear Alex's NWOer yesterday state he
doesn't want anyone to speak as Justice for
Americans because to learn even the most basic

of precepts for Justice, he can't pretend he is
a Freedom Fighter begging US for more money?
Like multi-millionaire Ron Paul, who gave the
fixed election up to take our money and walk
away. How much money in the millions do we have
to pay them at GCN, before they will acknowledge
the Iraq war is a war crime? THEY NEVER WILL,
because the owner has a son who's into
raping American women as lawless enemy of Life.
Americans are indeed, selfish, like all the plane
crash survivors telling US how they couldn't care
less that Israeli nazis are openly targeting our
Christian children for murder with their tax
money, as unimportant, to how long they stood on
a plane wing, now approaching it's third day, of
wall to wall coverage. Telling us again of how
Christ saved your life as a lifeless degenerate.
I, as Christ, am really starting to hate all
Americans in total now. How difficult is it to
pick up their phones? They don't, and I'm beginning
to believe it's because, like GCN, they really
don't care for the future of our Humanity being
left for dead as continuing victims to EVIL liars.

Simple Common Sense for Mankind

/ / Israel has admitted HAMAS kept the cease
fire; and that Israel broke it, then unleashed a
total starvation blockade on Gaza followed by
flaming death from the sky aimed at schools,
hospitals, ambulances, and children, and you
dare call the people opposed to such barbarity
a "mob?" \ \

Zionists are evil people who pretend they
are honest, when lying directly to everyone.
Blitzer reports Hammas broke the truce, he
is lying to continue the murder of innocent
peoples. Understand: Israeli Nazi state they
will continue to murder our innocent Humanity
until the rockets stop falling on Jews. Yet,
they broke the truce, and murder Jews routinely
with reckless abandon. Jews from the Bible as
of "nigger" Ethiopian, are what the Zionist
hate when warring GOD for apartheid, apartheid
that is Humanity in Gaza. A zionist is a war
criminal who speaks not against the neocon,
but against Innocent Humanity as YOUR enemy.

Livni: Gaza truce would give Hamas legitimacy

As they always do because they are dishonorable
murderous nazi thieves of God as Just cause is.
I am, and YOU are, you just maybe don't know it
yet, or if ever. A zionist serves Satan to escape
the neocon terrorists from their ungodly crimes
on 911.

Ron Paul:
US Will Be Rightly Blamed for Israeli Killings
http://www.youtube.com/watch?v=6C756NOPyDA

Not the Nazi Israeli?

The guilty party are those who advocate these
mass murderers of innocent peoples with
deliberate lies, like from Blitzer. Blitzer
will be tried, and executed a war criminal
for stating Hamas broke the truce., Where,

only two minutes earlier, he learned, that
it was his Nazi partners. DEATH SENTENCE.
It was on TV. BUT SEE? Ron Paul, the Libertarian,
ain't going to be honest here. He'll lie cheat
and steal Humanity's voice for Justice - like
he did with OUR money. A typical Libertarian
like Alex Jones who wants to blame "socialists",
"Liberals", aka, all of innocent America.
Blitzer is war criminal, who makes his own
discussions. As is Ron. What an enemy to not
mention the truce. THINK: IT IS THE ISSUE. But
Ron plays the dummy to kill more with contempt
for Freedom. Ron Paul, the bigot, asked,
'should we be doing this'? SEE? it's not first
degree mass murders, no, according to Ron Paul,
it's argumentative that indiscriminate mass
killing is a good thing really. Remember,
Ron Paul does not support arresting those
who committed mass murder on 911 either.
Or those who STOLE TRILLIONS. Or lawless Bush,
the ACTUAL AntiChrist enemy of God. Ron Paul
will watch America die for a stolen dollar.
And Alex Jones will refuse all calls to label
him good guy like himself warring order
to our universe for it.

Israel is [NOT?] responsible for these childrens death
http://uk.youtube.com/watch?v=Y9PIZQqIep4&feature=email

Ron Paul "When we pick sides, we make it worse"

He also took our millions donated for freedom
fighting away for his family, but not our own
as dying innocent victims giving. Pick a side.

Wow. The demon LIAR will also say Hammas broke
the truce, and Israeli started this by stealing
innocent peoples homes, then imprisoning
ourselves, the victims, in a death camp for
indiscriminate slaughter. While they STEAL OUR
CHARITY. What is it that YOU can't picture?

Hi. My name is King Johnny.

/ / The targeting of civilians, whether
by Hamas or Israel, is a war crime. \ \

They are targeted by Obama who suggests
there is an argument to be made here. There
isn't. Nazi Israeli DEMON LIARS broke the
truce to kill Jews for money. They are godless
enemies of Humanity. So it isn't that we are
pro-Palestinian, it is that we are pro-Human.
Zionists DESERVE to die, before US, the innocent,
they target for murder for stolen cash gain.
Like Obama has promised to do for AIPAC. But
what about the rest of US 6 billion plus Obama?
Who is it of US innocent folks do you wish to
MURDER, or torture next as a Zionist war criminal
for Satan Obama? Torturing kids is popular in
Israel, tell US Obama, which American father will
have his children tortured, or murdered
sadistically by yourself as a whore for Nazi
Israeli? tell us, we're not waiting.

The Chosen Bad Example

Zionists Destroy Our Homes as Satanic
http://www.youtube.com/watch?v=mo2HW4T7wK4&feature=related

When I see the women and her child, left outside
while they sadistically destroy her meager gains,
I grow weary with ourselves for not speaking right.
Nazi Israeli are committed to deny US our God given
rights as Innocent persons to speak freely for Justice
realized. All because they STEAL our Lives for monetary
gain. It is our reality, give it or take it, YOU LOSE.

Then.. Hammurabi founded Civilization.

I go concerned for any hesitations of condemnation by
Obama. It's like, he's talking some jive about
how now he'll NOT let the words of Hamas reach
his ears. Being against war criminals, doesn't make
you pro-Hamas, necessarily, it means your against
war crimes to defend the lives of ourselves respected.
Remember: He told US earlier during the campaign that
he wouldn't fear speaking to anyone, Hamas especially,
because he was confident he could win the discussion on
Liberty, by principles that unite all free men. Now,
he has promised the FBI's Most Wanted AIPAC, he will
pretend to not hear any calls for fairness as all
parties united by common cause. Johnny Who? Where did
you go Obama? You were here, then.. pooof! you
vanished into the loving shackles of convicted/ing

criminals is a mass, "WE ARE TRAITORS TO JUST CAUSE"
organized war crime outfit, dedicated to deceiving the
Public by lying. I am not Lying. I'm not saying I hold
his associations as a measure of himself, I am concerned
with him stating, he will not hear our cries for Justice,
as then AIPAC cheered. I was as freaked out about it as
you maybe yourself now, believing it as possible. Check it
out for yourself, and wonder, just "who" is this person
they tell us they're are going to take for as dying fools?
I mean look at what happened to what's his name, when he
sided similarly the same in error as hugely criminal? Come
on be honest with us son, "Are you on drugs?". Maybe he's
just been stressed with all of everything he is heaped
to follow on, NOT to know by Blitzer, that Israeli broke
the truce to kill more Jews for money, and, also STEAL
innocent Peoples Homes while saying, "they are God's
Chosen". Yeah, chosen for, "The Bad Example", of how
Jews are left undefended by these grave robbing war
criminal nazi forces. As the King of Jews, I call for
Public War Crimes trials of the entire bushmob as
terrorists, and their supporters for lawless tyranny.

People are Coming to Town. Justice for All Coast
to Coast radio broadcasts all, until we have secured
the neocons in a prison cell awaiting the treason trials.

We are Good to Go. Rise Up for innocent Life,
or don't and see where it'll get you in the end.

Again, they are Satanic here because
they THREAT to tell you, yeah, Zionists

murder scenes - Justice denied Humanity.
God doesn't exist to defend yourselves
from war criminals for Satan.

War crimes trials with public executions
will commence against ever GUILTY zionist
living to lie that Hamas broke the truce,
that Georgia was attacked without provocation,
(again, CNN are not 'accidentally' conning

US here). And trials for every last living
bushite bomber, rapist, and torturer -
death to the bushite, the true traitors who
war against freedom for America, traitors who
war Innocent Humanity for the escape of the
neocon zionists.

Death to the bushite, death to the enemies of God and Man.

For the Great Truths. We Stand United

/ / This option is also regarded
as a non-runner as the US would certainly veto that
suggestion. \ \

No no no no. What you do is investigate who this
the "US" person is as the GUILTY party my friends.
The facts have spoken for ourselves without contention.
And while we're at it, try to figure who that "Army
says.." person is too, we need to know who these
traitors are who hide their names backing war crimes
to continue. The Enemies of Civility, they are
enemies of US all my innocent friends, enemies of US
all.

Here on a Mission

/ / after dropping leaflets warning residents it was
about to "escalate" its offensive against Hamas. \ \

SEE! This is AFTER fire bombing the whole community.
Satanic evil enemies of Life. Who admit to targeting
any one who has ever so much as swept our streets,
warranting bombs dropped on their Block(s). SEE! they
are ENEMIES OF EVERYONE. EVERY LAST ONE OF US.
INCLUDING GOD.

It's a prison death camp, brought about by Israeli STEALING
OUR Homes as ungodly thieves. Thieves who leave a Jew
to starve to death in a garbage dump because, it'll
attract more charitable aid The Zionist can use
elsewhere. It's not a Jewish thing, it's a criminal
matter. They STEAL innocent Peoples Homes in that
country. God's Country? God would will such criminal

offense? Which God? Not the God of Abraham, nor by
the teachings of Hillel, Christ, Mohammad, or
Confusion? So which absent God do you speak where WE
can't speak as ourselves openly for Just Cause?
Cat got your tongue? How come your not saying anything?
The Israeli Zionist ENEMY wants US ALL in slave
labor prison death camps silenced away that's why!

Israeli War Crimes

Well, maybe I'm wronger on Ron Paul than I needed to.
Hey, don't you EVER forget, I am a man also. We need
to meet on common grounds, to demand the start of
formal arrests for the bushmob crimes of 911, Iraq,
Afghanistan, South Osettia, and Palestine, as a group
together united by agreement for this one cause, and
then... we can later argue about how your ideas are
better than mine because I actually know of which
your speaking.. Hey! you could call me Daddio if you
wanted! To the telephones we go.

Israeli are attacking prisoners held criminally
in their own Death Camps!! GET ALEX JONES ON THIS!

Hmm... why wouldn't Alex? to support his fictions
over Our Rights to Live Free perhaps? A Hero adapting
to the deaths scene?, or, a Bush whore committed to
enslaving Humanity, all so he can say, he told US so.
Big hero or big hero. Your NOT powerless to his vision
of complete control over information. He refuses 911
info, Iraq war info, Israeli info. All so he doesn't
have to look the fool, while Humanity dies with his
insults against our wills to make something better
of ourselves. Justice is what I will. Masturbate on
your own time Mr. Alex Jones.

If he states again about how he knows everything,
and is always right, and those that criticize
him on ANYTHING are delusional, it's going about to
make everyone further sick with this obscene take on
what life means as Alex takes it. If I truly state
two nickels make a dime, does that mean therefor
they make a quarter also? If I say so like Alex
would? He is an idiot. Truly. George Noory figures
Hamas broke the truce, and that the Mideast solution
is that Jews should be separated with special rights,
as oppressors over the freedom of every Palestinian
Prisoner, and what's Alex Jones gonna say about
his 'truth telling freedom fighter' George to actual

'lame ass evil nazi traitor' George?, to YOU about how George is just trying to murder millions of helpless people as an offer for the final solution? We can expect Alex now to claim, Zionists should have special rights over Jews, all to maintain his FICTIONS on Noory being anything but the monster to Humanity he is. Just because Noory doesn't growl when talking about murdering all children in around the age of 15, or against soldiers who refuse criminal orders, does still make him a true fascist nazi enemy laughing at your murderers escaping to live freedom in our dying forsaken worlds. The bushmob doctored the NIE. Conned Congress, and Soldiers. Did 911, by closing criminal FBI investigations immediately. Alex and George don't seem to want US to know these FACTS that demands arrests of the culprits responsible for high treason against Johnny's America. Now, who's with yourself. I am! I am! I am!

Alex Jones doesn't know squat of Social Security, but pretends he does, like Ron Paul does when speaking of the Federal Reserve, Health Care, IMF, World Bank blahblahblah.. I mean even the expert of experts Alex has on near twice a week, EVERY WEEK, to talk all about how the Illuminati are doing everything,(give me your money now for whatever), DOESN'T SAY TO KNOW, it was Chris Cox who changed Investment Banker rules, to cover instead one tenth of WORLD INCOME loans, to one twentieth. MORE THAN DOUBLING THE ENTIRE GLOBAL MARKET FOR LOOTING WITH HIS SIGNATURE! (And. that isn't even a fifth of the TRUE trillions dollar fraud story.!) Now, granted, I wouldn't expect one tenth of one percent of America to have even a distant clue of which I am speaking, but importantly, Alex's expert of experts has never mentioned it. EVER. Why? He don't give a fuck, but how much money he can get you to give him for investing in things that are un-important to our struggles, but for the fact, he states, you'll get free money for nothing!! OUR ACTUAL PROBLEM. It reminds me of those Ron Paul dollars... where Ron'll fix everything, cause we, as a private company, are going to make YOUR money instead... holy fuk mon.. Talk about the kettle calling American racists. Thank God the FBI stepped in. (The answer unfortunately is not nowhere as easy as Alex would blindly lead you) - again, so I guess it will be, Americans were just too far gone as illiterate chauvinists, who cared too little for your freedom as themselves degenerating. Why? To battle tyranny they

knew not Justice wins the day, and blamed innocent groups gathered wherever, instead of following the crime scene leads at the real murder scenes - like was once done on TV and at the Movies. But even that was too far above their doped down heads, to raise their finger to dial a phone number.

How about stating "A lawless bushite enemy wars America as a traitor, to escape the neocons from the crimes of 911."

Then Alex states the head of GCN is giving out gold at less than it's value as a special treat, every second or third week. Below wholesale. Now, really think this thru. Do you think Alex is trying to con you here? you bet. That is the Gold Racket. Diamonds are another thing - where I've personally seen, about a decade ago, a huge press that makes Diamonds out of coal. Swear to God it's true. Costs to make diamonds are pennies to the thousands paid to Zionists who live in Israel calling for the murder of all innocent Peoples. Where is the rich Zionist, grave robbing Jew hater to demand Justice for our times? Where? Pressing coal into diamonds, while advocating the murder of our entire Human species. THEY WANT TO KILL GOD AS SATANIC ENEMIES OF LIFE. While I am last known to Life's enemies as Jesus Christ, the Zionist's end every time. I'll have brought more Zionists to their rightful dooms, than any other, of any time, anywhere. I HATE Zionist bushite LIARS to death, all because I Love Humanity too much, to watch US die undefended as the innocent forsaken. They can change their evil ways, but till now, often not, benefiting off our suffering as war criminals who simply lie as demons to steal our Human values. Let's change this for our betterments. I mean the Halo is a dead give away..

The head of GCN has a son warring God to rape American women as lawless enemy in Iraq for the Neocon - again NEVER mentioned as something worth fighting against for Freedom in America - soldiers are suppose to REFUSE criminal orders - but not when Alex is at the mike. He will never mention the Bushmob doctoring the NIE to con America for death as exampled, because it doesn't fit his fictions, where all the bad guys escape because they are geniuses headed by secrets so powerful, nobody can ever know'em, except Alex. He tells us near every day, he knows everything already, and is never wrong, therefore you can't criticize him. Bullshit. It's like he wants to be wise like Johnny Gawd is, without doing anything like

studying for a test where the teacher actually does know the issues. He told US today, the British came up with concentration camps, from the Indians - who spent all their lives murdering themselves. The British 'invented' false imprisonment? The British came up with the, Jews Killed Jesus? The British invented Pope Gregory VII? I suppose Alex has never heard of Ghettos. SEE? he just pulls shit out of his ass, and calls it like it's truly pure gold you'd wanna buy. Those, like your typical American have no clues, so they figure, Life must be sorta so that History is all one big Alex Jones NWO cartoon. What? that the NWO did 911, and everything else that use to instead, require criminal investigations to nab the actual evil doers? Alex Jones IS the NWO he tells US all we should be concerned about never stopping, like it was in the DARK AGES. Justice Alex, why is that hard for you as a "Conservative" to figure? Is it because you are cowardly in the face of true Liberty? Afraid that some People, on some Issues, ACTUALLY know a great deal better than you could even imagine presently? Don't like that do you?, where you don't rule this Universe as a lawless tyrant desperate to live in an illusion at the expense of everyone else dying victims to censorship? Does he try to find wise men or women? rarely. "Ron Paul [MUST] leads our truth movement" - like, fuck off already with the Ron Paul, The Truther, Bullshit Alex Jones. 1% is what YOU get on Social Security deposits - 1%. And.. Bush stole 700 billion. 700. Billion. That's 700 BILLION. It's a "Trust" account. A "Trust" Account. It's being held in "Trust" Alex. Ron Paul is asleep at the wheel. As, so are the rest of all you other fools.. I want Justice, and I want it now for all the victims of 911. Americans be damned, we want Justice, and We want it Now.

In Texas, child rapists are given the right to freely move about without fear that Texans will stand as armed Men in defense of their very own offspring. And Alex wants this for the rest of America. That some how to own a gun, means an American would kill a cop who beat a women near to death for pleasures that he could never be Publicly arrested for, as a sadistically evil nazi bushite fuck. Look, if YOU DID kill that particular DEMON COP after the Chief refused to arrest him, you couldn't possibly go to jail in Johnny's America, because the truth would win out in a fair verdict. And REAL cops would honor you with great big, thank you. Nothing worse than a

cop (or bushite grunter) who believes the Law doesn't
apply to him while he drives drunk, tazers someone for
nothing, abuses Women, or kids, to sell drugs, or
kills good cops, who are good men. (Like mercs do in
Iraq officially for Rumsfeld's P2OG. Coming to an
American city near you!)

Again, the two Laws of Johnny:

1. No evidence, person innocent.

2. Torture? fuk you and die then

"Rice says it is 'hard' for Israel to spare civilians in Gaza"

We KNOW they are ONLY targeting innocent People,
the ungodly zionist Satanic enemies say so..

"Israel Rejected Hamas Cease-Fire Offer in December"

Livni has declared her country "is not going to show restraint"

"Her" country?

It's like she's admitting here, that they DO NOT
target the IDF's Hamas, but only our innocent lives
as a threat to LIFE and GOD. Remember: the Zionist
LIARS broke the truce.

THIS NAZI ZIONIST FUCK BREATHES THE AIR OF US
http://www.youtube.com/watch?v=lMxfEsooM5M&NR=1

/ / So, Hamas decides it's time to end the
cease fire and has begun shelling Israel again. \ \

This guy even sounds like the Satanic false
accusing enemy of God he is. Let US, as Humanity,
hunt these real devils down, try them, and have
them executed publicly for the benefit of God and
Man. Understand: this REAL DEMON knows he's lying,
no living man on Earth could spew the vile lies he
does to excuse indiscriminate mass murder, or starvation,
as this Zionist enemy of life sells to STEAL Your
HOME, your Family, YOUR LIFE. An open enemy of God
trying to STEAL the Title of Jew from Christ. EVIL
ENEMY OF LIFE. See, when a bushite dies, you served
Life well in defending their next INNOCENT target.
BILL HIM FOR STATING ISRAEL WAS STRUCK THOUSANDS OF
TIMES. BILL HIM FOR STATING HAMAS BROKE THE TRUCE.
BILL HIM FOR STATING bin Laden DID 911. BILL ANY
Zionist FOR THIS TREASONOUS LIE. Why God asks? Because
there isn't any evidence to support that Satanic lie.
According to the FBI. And according to God, Zionists
are not Jews, but of Satan as enemies of every life

form in this Galaxy, Hunt him down, and bill him today for the love of God. You can 'hear' it in his voice.. how he lies TO YOU as a DEMON of a Hatred for Truth and Humanity. Facts, that are easily available, are not what he works to mislead others, others he hates, and wishes to murder for as ungodly sadistic pleasures as YOUR enemy. Bill him under American law for being pro-torture too while we're at it. Death to bushite, death to the murdering enemies of God's Love for Mankind, and enemies of TRUE Justice for Americans. The fuking demon enemy lies to you, as a con to STEAL your life, or just as soon, the life of another innocent other. Now, what are you going to do about it? Except his lies as exceptable, as he tries his hardest blatantly LYING to kill God and Justice in our Worlds? Not in mine, but perhaps Yours.

' In Civil-Contempt Cases, Jail Time Can Stretch On for Years for Americans, without Ever seeing a day in Court. '

Where are the arrests?, then firing squads for the Judges who 'judged' such criminality against freedom for US, the Peoples in America?

' Where Did Taxpayer Money Go? Panel Slams Treasury [FOR STILL REFUSING TO SAY] '

Where are the arrests?, they stole eight trillion and counting.. And Congress 'slams' them for disappearing OUR MONEY. Slams with what?, a, don't do that again please butt sqeeze? It should be massive slammer time, with a return of all STOLEN monies.

' THEREFORE, those pro-Israel politicians in Congress won their seats in part using stolen money. '

Where are the arrests? Amerikan bushite nazi grunts are assisting in the mass murder of innocent Christians in Palestine. War crimes demanding death sentences. It isn't an argument that can be turned around. Nazi Israeli STEAL Peoples Homes without apology, as a function of their SATANIC government, while colectively bombing the INNOCENT victims who die because of it. It's a prison camp! they are denied water, food, shelter.. since four or five truces over that they've broken, every one. These are Satanic enemies, willing War Crimes against God, a God NOT loved by zionist American Nazis. And a Son as powerful as the four winds, ridiculed by Zionists, and American know nothings, for the continued debasement

of YOUR soul worth here dying.

It's the NWO! The Illuminati! Not Bush, Cheney,
Neocons Gone Wild, or any of many other REAL
criminals, for the war criminals are just
puppets to his EVIL fictions. Forget about
Bush escaping.. Socialists who design traffic
lights, and Liberals who will to share fairly are
Alex's enemy, because he's fearful the FACTS
would escape his denouncements against truth
tellers. George Noory, one of the most despicable
individuals on the face of our great Earth
- is exactly the kinda guy he wants returned
to send his wannabe Patriots nowhere but to die.
What about Justice America? The bushmob doctored
the NIE. TREASON. There is video of iron flowing
like water from the towers, seconds prior to
the collapse. Alex ain't there to help US, for
that is where TRUE Patriots fight for real
Justice. When WE phone with indisputable facts,
on Ron Paul the bush whore sell-out for example,
he lies to all (GOD), then hangs up on US. Is
that the kinda freedom you think the Founding
Fathers had in mind to give Your rights to
speak for Alex who blames anyone but the
criminals directly responsible for your
funeral? The private banker never covers our
loans, so why give them trillions without
questions offered without answered as, never
mentioned by the guy who is 'right all along
on everything under the sun', and.. he 'rules

the Ocean of truth' too don't you know YOU have
a steak going all rotten to hell here also?
You'd think Alex would take our call just for
the challenge on where we stand? I'm free!

He is not. And George Noory tells us openly, he's
into killing innocent kids for profit. George's
profit is that apparently, by murdering all
children in around the age of 15, will stop them
from getting a clue at anytime in the future,
to take him out as an ENEMY of EVERYONE for
censoring our cries for Justice. Why is it that
Alex would invite obstructionist, Steve Quail,
or Alan Watt, on to lead you nowhere while they
jerk off, but where we gotta go to actually defend
ourselves? Steve has been on with Noory more
than a hundred times, and, we'd figure, Alex will
soon be delving into the Alien questions also.
Answerable by me in seconds, but ahhh.. like Noory,
doesn't want the truth of such a subject uttered,
just endless streams of illiterate bushite dumfuk
losers sucking on each other. While they wrest
from US the wonder; just why we can't stop
criminals from robbing ourselves, while murdering
our families? Alex wants to blame the unstoppable
NWO, while I, want to blame those actually
responsible, like Bush and the proven treasonous,
Neocon terorist liars who are pro-torture.
With arrest warrants. All of them. I'll do it for
Reagan's, War Crimes Act, as an act of respect
for my Great America, that's isn't always been
dying dead wrong under the leaderships of
criminals.

Israel hits Gaza after UN truce resolution

/ / AP Israel and Hamas responded to a UN peace
demand by hammering away at each other with bombs \ \

The IDF's Hamas is hammering away with what at who?
Is the AP referring to the tin can rockets that
travel usually several miles, but in one case,
22 miles? To kill a Jew standing outside in his
yard, thinking on how he would defeat true evil in
his time? Tin can rockets that contain no explosive
charge? Have no mistake, if it hits you in the head,
your dead, but really, what do you think the odds
are on that? E=mcï¿½. Or is this another, amerikan
past time, of, who cares for the facts, we are at
war with God and Christ now? Joe is an American Zionist
"Plumber", who has amassed a multi-million dollar

fortune in the competitive industry by shit eating. Every bushite death is a mercy given to God in defense of all that is right and Just in this Universe. A lawless bushite enemy wars America as a traitor to escape the neocons from the crimes of 911.

Israel broke the truce on Nov. 4th, yet state they will continue to murder Humanity indiscriminately until a truce can be found that they will break, as always, Being the Satanic enemies of God and Man according to the Bible:

the LIAR neocon traitor to Life as this Universe,
along with every dumfuk grunt who serves tyranny
for the bushmob at Guantanamo, Iraq, or Afghanistan.
It is a soldier's oath to obey lawful orders only,

Notice no one shoots at the blimp fire bombing the
entire neighborhoods. And if it's phosphorous, that
smoke is already deadly toxic. That is why it warrants
the Death Sentence under International Law when used
against OUR Humanity, as the most evil of Nazi War
Crimes ever. The neoCON LIARS are the LIARS conning
you here on our TVs and Radio dramas, in where, they
don't want to openly take our public calls for real
Justice. Bush and Cheney are traitors to the cause of
American Liberty. To leave them free, is to leave
America un-guarded from further transgression. So,

Israel Attacks Jews,
Silence from Mainstream about Violation of Law
http://www.youtube.com/watch?v=K1kt8qi0M-M

They kill Jews for money. They bombed Jews in Lebanon
for money. They want to bomb the HUGE sacred Jewish
communities in Iran.. wonder why? Zionists are not
Jews, for Jews don't steal in God's good name. Nor
target innocent beings for stolen gains. A zionist is
a thief to life, and as such, needs to be formally
charged for their criminal offenses, given lawyers,
and upon a successful prosecution, rot in a prison
cell and/or pay restitutions. YES. why? so not another
innocent person must fall in their place as next
victim to a zionist's public commitment to lawless
tyranny for evil intentions.

Israel Phones 'Terrorists' Before they Bomb Homes

Didn't the Nazis say something like, they weren't
there to take out Hamas directly? Well, after all,
it was founded by the Zionist IDF, so I guess that
must be why they target our children instead..

IDF VLOG UPDATE: IDF Hits Dozens of Hamas Terrorists

This Zionist enemy of God speaks like a six year old.
"Hamas Terrorists", "4. Jan.", come on now, how evil
do you have to be to believe this ungodly demon sells
you righteousness. They STEAL our food. They are OUR
criminal enemies who torture innocent Peoples. A
godless criminal enemy who also steals Peoples Homes.
And drops millions of land mines to murder Jews
indiscriminately for decades. Commits war crime after
war crime against Humanity. Vile bile.

They killed our innocents, and unless we kill
theirs, they will go on killing ours.ï¿½

It is the crime of which they demand WE are outraged
against. Welcome to Humanity's suffering world due to
lacking communications skill. The term "they" are
referring to is YOU. Your innocent life Israeli
intend TO STEAL, TO MURDER, TO ROB YOU Your rights
here granted by God. These are ungodly acts of mass
murder, perpetrated by enemies of Life. They targeted

by supporting my calls for open international dialog.
Justice must win our Freedoms back, for there is no

Let US never forget, the Zionists also would bomb

These Zionists are not only the bad guys, but they're bad guys to even the bad guys as there is no found honor among murderous thieves. / / It is just unacceptable to apply two standards of morality, one for Jews and another for non-Jews. For if what Israel is doing in Gaza is right, as Israel and her supporters maintain, then what the Nazis did in Europe several decades ago must have been right as well. And vice versa. \ \

The ungodly zionist enemies, are enemies of God and Man. Don't think the NAZI Zionist like Bolton doesn't know this, with his friends at FoxNews.They WANT to rape, murder, and pillage America all her freedoms for the bounties of private banker frauds. The banker does not ever cover our loans, we do. So, why give them trillions of American worker waged dollars for nothing?. THEY DON'T COVER LOANS. See? that is what this war against God is all about. People of Humanity just seem to truly hate a guy like US as wise and Just. See, people hate US, because they can't for their lives disagree with Facts. Why won't YOU support these same rights and champion our demands for open communications. US Again Stops UN Call for Gaza Truce

Who is this the "US" person?, and let's put him to death with Bolton and Kalilazad for the most serious of war crimes against OUR Humanity. Remember, Bolton was NEVER

Protest pictures from around the world (not on CNN)
http://www.rys2sense.com/anti-neocons/viewtopic.php?f=11&t=16496&start=0

Remember Israeli nazis to this day, insist as
DEMONIC LIARS, Hamas broke the truce - as Hamas
is responsible when they target school girls for
slaughter. They said the UN were secretly attacking
Jews, clearly a LIE as impossible to prove because
it didn't happen. But facts are the furthest thing
away from the godless false accuser Zionist con man
or demon witch LIAR like Livini. FoxNews calls the
demon witch a Jew! ANTISEMITES.

We can witness, Americans do not have the intellect
to understand what this means. See, LIAR Nazi Israeli
broke the truce to get killed Jews for money. A
regular fair for Nazi Israeli. Now, they state they
will continue to indiscriminately murder humanity
until the tin can rockets that travel miles stop
killing Jews who hate Zionists. But importantly,
it is Israel that wants Jews to die, so they can
make off as Satanic with our stolen values. Just
like the Bush family did with Hitler, that the
Nazi Nation has no probs working gun in hand to
wipe out Jews everywhere still to this day. Again,
Nazi Israeli MURDERED JEWS in Lebanon as targeted.
And leave Jews to starve to Death in Israel for
more charitable aid they can use elsewhere. Public
knowledge not disputed by any living soul on this
planet because, the Zionist government admits freely
to this. Israeli think being Satanic is worth it,
for all the money and lives they can steal as enemies
to Christ, Hillel, Mohammad, YOU, blahblahblah.

Read of the bushite in my America who call this work
of Satanic enemies, a good thing they support to
war terrorism for the sadistically evil liars of the
neocon. Then KNOW my friends, a bushite is the enemy
of every living soul on this planet. Have no love for
those in the Air Force, the enemies of Man who bomb
our families without excuse, but to know, they hate

US as Christ to speak free for Humanity. That DEMON George Noory was so happy last night about all the good the bankers AND CHENEY are doing for their hatred they spoke of for all Russians. SEE? not to protect America, but to kill you with their true commitment to the demonization of innocent people, all to escape the neocon terrorists. I HATE George Noory more than anyone alive in America. He is so openly evil to ourselves, that only those who wished to lie to you, (like Alex Jones does about Ron Paul), would say otherwise as bushite dumfuk enemies. Cowards committed to escaping Bush and Cheney for treason against Freedom. They doctored the NIE on Iraq, highest of war criminality. Alex Jones has never mentioned it, but for MAYBE in passing. Hey because all the bad guys are just puppets to ignore over the elites, globalists, socialists, liberals, gays maybe, Blacks, Mexicans, and anybody else smarter than NWOer Alex. Ron Paul is a coward as rarely if never has a clue of which he is speaking on.

Israeli PM says to end offensive if Gaza ends rocket attacks

Sarkozy urges Syria to press Hamas for Gaza truce

How does the ungodly get away with this obscenity? Nobody can deny Nazi Israeli broke the truce, as they always have done as Satanic for the last 60 years. Killing Jews for money is popular with the Zionist Nazis don't you know us by now? FoxNews CONNED Americans for DEATH with the unmentioned, TREASONOUS doctoring of the NIE. To kill Americans for more neocon gains, which Alex Jones never mentions either. Do Americans even care enough to raise Humanity's call? Do they demand public executions of sadistic godless Zionist torturers? as the Standing Law of America - The War Crimes Act - brought to be by Reagan - DEMANDS by the Law of America? It is the Law after all, yet, CNN, CBC, and FoxNews calls the perpetrators of the most heinous evil against Mankind, heroes. America is
a nation of godless cowards willing to die murdering innocent Christians in Israel, all for the profits of the 'magical' zionistic private bankers. Bushite grunts are now supporting the indiscriminate carnage, serving as police services forbidding any of the prisoners in Gaza from fleeing the indiscriminate slaughter. Again, as Satanic, they don't arrest the "Suspects", for what could they truly charge them with?, no instead demand we die helpless murder victims by forbidding escape, as they did in Fallujah murdering more than three hundred thousand innocent

souls. Die bushite die screams to all men on Earth from the Son of God. Will you stand for YOUR life as truly worth something here? Like lawless enemies Policing your reality will bring you more happiness and prosperity with the great truth teller HAPPY George Noory? The demon who openly confesses the will to want to murder all children in around the age of 15? Too crazy for you to face such an enemy of huge demonic origin, so, go the cowardly way like Alex Jones as sell out slave instead, to cover the demon with endless praise on his treachery to not have our fight on everyday with open calls for understanding Justice is freedom. Instead of a constant stream of bushite dumfuk enemies of Living. This isn't complicated. Or it doesn't have to be.

Israeli nazis state they will murder humanity indiscriminately until rockets stop falling on their country. Yet, they broke the truce.

Alex Jones told US as a deceiver, he's been on Coast to Coast a hundred times. Not in these last eight years he hasn't. I demand Alex prove this, or be known by all far and wide a treasonous liar, trying to take US off the tracking of criminal action of his buddy, the demonic enemy LIAR George Noory. bin Laden didn't do 911, despite the facts that WE KNOW George Noory knows better of but LIES to con the American teen further for death at the profits of the un-elected bushmob. See Alex wants you to blame anyone but those directly involved in the crimes of 911, or Iraq, or those responsible for it's cover-up by Zionist propaganda. George Noory will have as invited guests whos only function there is to spread dis info as supporting more indiscriminate warfare for the escape of the neocon terrorists responsible for starting the illegal wars to begin US at. Or those whom often support torture, a war crime that only exists as irrationally held by those who's minds have only a blind hate for the indivisible rights of another innocent other. And often truly hate men and women for being Just as wise. The McCainiac Zombie video is a perfect example. When the Zombie is asked about the rights of Women, the McCainiac Zombie cried out for raping more Women. The position of authoritarian power, was only found with the bushite as oppressor, rapist, torturer, or Air Force Bomber, not liberation by freedom. The bushite McCainiac KNOWS it can't compete

openly to defend it's criminal treasonous
actions! Remember, Alex "the Conservative"
thought McCain was the choice if you had to make
one, earlier on, then changed his position,
sort of, later by calling them all puppets not
worth the effort, but .. Obama's idea's matter
not, it's that his Birth Certificate is, no war
too be fawned. Palin? who's she? McCain
firebombed Vietnam as "war hero" for France?
The Banker doesn't cover our loans? Matters
little.

Norwegian doctor: Israel intentionally targeting civilians

and women like this."

Israel deliberately targeting civilians in Gaza
http://www.youtube.com/watch?v=Ev6ojm62qwA

It was almost acknowledged on CBC radio that
nazi Israelis, use the argument that a tin can
rocket traveled miles, to kill some innocent
Jew as a direct hit (likely a person who hated
godless NEOCON), all because that nazi state
has OPENLY, as PUBLIC policy, stolen water and
food including baby formula, along with a huge
list of other atrocities, to punish God and
Humanity since way back before three of four
truces. AGAIN, Nazi Israeli always, as ungodly,
break their truces. Why? Because YOU, or Christ
as any Jew's life means nothing, to all the
'free' billions they'll get from given American
worker wages. Look, Americans refuse to call
for the arrest of Bush on their national,
"truth telling" Coast to Coast radio program.
Why? Because, for one, George Noory, (Alex
Jones' best buds), has told US he's into
killing innocent kids as powerful, and that
'bin Laden did it', Is good enough for US.
You don't get a say here however how you will
live or die. George Noory calls all grunts
heroes, and those who refuse criminal orders,
those he wishes to go ballistic on. Yes, it's
true, George Noory is still alive and happy

as ever.

Rise Up for innocent Life, or don't and see
where it'll get you in the end.

Again, every soldier in the Air Force serving
for the neocon liar is a traitor warranting death,
to save the lives of their next innocent victims.
They have murdered more than two million people
in Iraq. They are pushing heroin into America
from Afghanistan. They are raping AMERICAN
women as officially "LAWLESS" (can't be arrested
but through Rumsfeld - who has not seeked any
prosecutions for the raping of American Peoples.
He, as Neocon, is TRYING to DESTROY FREEDOM
For all Americans in America - while paying
with American wages, South African death squads
to murder Black men) and TV'ed Americans refuse
to speak for Justice denied themselves. Zionist
amerikans only see US as innocent others, not
themselves to pay, but they do pay, they will pay.
God, nor John will not live in a world where
bushite grunts walk freely down our streets as
first degree mass murdering rapists, torturers,
and thieves. Celebrated by CNN, CBC, and FoxNews.
Especially when they DEMAND they have greater
rights than Human Beings. Mass Murderers deserve
immediate death sentence to defend ourselves
from their demon lies and betrayals to God and
Man. Every CBC and CNN reporter who reported
Russia attacked Georgia unprovoked will warrant
trial, then death sentences for their total
commitment to the Satanic NeoCON enemy war
criminals. Remember: they targeted for murder,
helpless innocent families. YOUR family. CNN
wants you to blindly believe, CNN personalities
like ENEMY George Noory are so happy, why would
we think they willed death against our great
Humanity by conning you for more stolen money
through the sacrifice of YOUR life for zionist
criminals who laugh at your powerlessness to
raise your voice for Justice.

Israeli plan to topple Hamas, re-instate Abbas
http://a-mother-from-gaza.blogspot.com/

Nov 4th! - perfect!. We are dealing with Nazi war criminals who refuse US, as a Species, Justice for everyone. Especially The Jew's Jew, Johnny America. Hint: they call us Love just to hide our complete agreement with this Living Universe to will Justice for God as every last bushite zionist freely moving. the living rights from anyone of us, especially

Israeli broke the truce knowing such action woud get

Satanic Enemies of Christ

CNN with Blitzer allowed reported on Larry King
that Hamas broke the truce, without any uttering
of fact. While when the nazi israelis were accused,
just minutes earlier, Mark Regev could say only

silence. The zionist Satanic enemies of Jews speak only silence, because they know they are satanic enemies liars of Human will.

Again, these SATANIC enemies break their truces everytime, then state, it is Humanity's fault because CNN will never ALLOW the humans to know. They are murdering innocent People in hospitals for example, or those in a Church, just as amerikan bushite nazi grunts do for the escape of the neocon zionists responsible for 911. To hunt a lawless bushite nazi grunt, and kll it instantly is to defend it's next innocent bombing victims. Bush and Cheney closed 911 investigations on 911, therefore killing a lawless bushite traitor for our Humanity is just to get ourselves together to arrest those responsible for mass murder on 911. The deaths of bushite zionist liars is a mercy given for the love of God. Die bushite die.

Israel Nazi State

Israeli nazis state they will murder humanity indiscriminately until rockets stop falling on their country. Yet, they broke the truce. They always break their truces. Understand these Satanic enemies of God, dropped seven million land mines on Lebanon when learning the conflict was over. They will kill Jews for money, THEY are the Nazis. Nazi Mark Regev is clearly insane. 'It wasn't israel that started this' He could not stand with any man without instantly being exposed to All of Humanity as a war criminal in need of immediate public trial for death sentence. These are only innocent people being bombed. In a concentration refugee camp. Look, it's a prison camp. And if YOU
were a prisoner there, and Texan child rapists are something you'd wish to defend your community from, you'd maybe join the Gazan police force, run by Hamas, a political group democratically elected. All police officers in Gaza, Nazi israeli claims warrant 1000 lb bombs, not warrants for arrest for a criminal offense. Remember, it was Israel that broke the truce, as so is spoken by Palestinian government officials speaking internationally - using the example from November. But understand, as Satanic fraudsters, they always fuck over Our Innocent Humanity this way.

What kind of "Human" would commit such crimes against Life? Cheating Liars for Satan God tells YOU.

The Bible "I know the blasphemy of them which say they are Jews, and are not, but are the synagogue of Satan."

Look, these enemies of Life steal INNOCENT PEOPLES HOMES as thieves of The King of Jew's simple philosophy.

Fuck you all I hope Israel exterminates the vermin. \ \ He can advocate the MURDER of innocent people for the neocon liars, and Google doesn't destroy his account?

Remember Zionist Nazi Israeli started all their murder rampages against Innocent Peoples for 'free' welfare money, as broke the truce with, IDF funded Hamas on Nov. 4th. They have been indiscriminately bombing People with excuses that never do add up. Example: Nazi Israeli stated they were in the right to murder ANYONE

in a car or truck in the entire nation of
Lebanon, (especially in the Jewish communities)
because like enemy "Gray Ghost" would say, all
those innocent Peoples deserve TO DIE AS MURDER
VICTIMS for his sadistic ungodly pleasures.
Remember, Nazi Israeli didn't mention this until
thousands has already been murdered, then even
still, without radio, TV, or newspapers, telephones,
or sky writing how were ONLY THE INNOCENT JEWS
as officially targeted to know? Then the seven
million land mines to kill innocent kids for
generations. To the enemy of Life, Gray Ghost
it matters not that Israeli started the conflict
by sacrificing nazi vermined trashed as Satanic
dumfuk enemy soldiers sent across the border,
to Grey Ghost, all it knows, is Justice must not
be allowed to win this game for our human race,
for he would be truly seen as a sadistic enemy
of Freedom, powerless, or rightly dead for
his proud treasons against life in this universe.

/ / The most recent victim of Israeli airstrikes
was 10-year-old Ismail Hamdan \ \

To the Satanic enemies of Man, the Ungodly Zionist, an innocent murder victim's life can not be allowed a defense such as the charge of first degree murder against Netanyaho because, he states no Justice to any who believe in the Jewish cause, as Hillel, of freedom as Liberty for all. If Jews ran Israel, Netanyaho would be chastised publicly by the Humans, for sanctioning the criminal acts of first degree murder. The nation of Nazi Israel STEALS Peoples HOMES. What other nation on this Earth commits such willful crimes against innocent Human beings OFFICIALLY? Steals homes from god loving innocent folks and labels it our 'Justice system'? Who? Neocon Amerika, the nation that gave trillions to bankers recently on only prayers that their gods will maybe lend some of their own money back to them at high interest. But alas, evil is the deceived disguised, as in their deep ignorance of money and virtue, they do not understand, the private banker never covers the loan. Never does a private banker reach into it's pocket to borrow US to begin with - so as a consequence, the bankers have just pocketed all the 'free' loot for nothing, TRILLIONS, and are not saying why should they help anyone else with charity? it's the amerikan way. Instead, hate the wise socialist who designed a working good traffic signal system, where lives are saved and congestion is eased, or hate the white man, the black man, different People. But never Mr. Bush, Mr. Cheney, or Rumsfeld, the neocon traitors who closed criminal investigations immediately after the crimes of 911 occurred, who doctored the NIE to con America into death, and never slight the trillioniare private banker gods, who have stolen/taken our public authority through war criminals in Congress. Taken from all others to bring us a much poorer world suffering due to our speakings of contempt for Justice as christians in America - who claim in silence only indignation for real Christian families robbed or murdered Officially by the zionist state of ungodly Israeli, paid for by dying America. Americans refuse to raise their phones for the arrest of the bushmob for capital mass murder, so, what's private trillioniare bankers walking away with the entire economy in free fall going to do for them, when they are already to death for the glorious Zionist Neocon thieves of Civilization? Proudly in hatred for Innocent Humanity. Again, Hamas was founded by Zionists in the IDF, to kill Jews for money - public record. Jews starve near death in Garbage dumps of Israel, all because the Nazi Zionist UNGODLY government

states it is beneficial to starve Jews, for, they will receive more humanitarian aid THEY can use elsewhere. Public knowledge. Zionist liars murder innocent Jews for money, like they did in Lebanon, and like the zionists did on 911 by forbidding the pursuit of the terrorists by following the crimes scene leads at the real murder scene. Unjust enemies of Man.

To arrest those responsible for 911, we are going to need to form a public warrant for a person or persons. Bush and Cheney are guilty of closing investigations on 911, treason, called obstruction.

UnHoly Nazi Israeli Racists are Greater than the censored words of Messiah!

IDF's YouTube Gaza channel to Correct Ourselves

/ / it will disseminate footage of precision bombing operations \ \

Precision? They dropped seven million land mines in Lebanon, after having seeked out where the Jews lived, (Northern Lebanon), and murdered them firstly! JEWS. They, as enemies of God, like those of FoxNews, will refuse these type of FACTS on their hatred for Love and Justice. Their hatred for Jews, real Jews, like me. Understand: American baby formula has been contaminated with poisons, and FoxNews doesn't think it's important to their corporate responsibilities to kill ourselves further for profit. The Zionist will murder anyone just to steal your belief in God as Love. They HATE me for being wise and Just. Hate. For, why wouldn't America support my demands for open radio communications on the Coast to Coast radio network? Americans would rather murder Humanity before Justice succeeds beyond their illusions of grandeur through the mass murdering of ourselves for stolen gains. The banker does not cover our loans! Giving them trillions for free unquestioningly is dumber than rocks. Enough.

Fake Rocket Attack
http://xymphora.blogspot.com/2005/02/fake-rocket-attack.html

Remember however, the Zionist has no qualms about killing Innocent Jews too if it means Americans will get it more free welfare to murder ourselves. They openly STEAL Peoples

homes in that nation run as thieves don't
You know? Or as it is just open public
knowledge that the Zionist excepts that
911 was actually a good thing for them as
war criminals reaping the cash rewards for
continuing capital murders?

/ / Ehud Barak promised that the war would
continue ï¿½to the bitter end.ï¿½ \ \

That is you there Barak promises to end
bitterly as the innocent the demon targets
for ungodly murder. How could ANY REAL MAN
steal food from a Christian baby? How do they
do it?, as the inhuman. (Like bushite do in
Iraq, while on CNN in interview tell US, they
are there war criming for neocon traitors to
steal everything as "helping the Iraqi
children". They offer no clean water, no food,
just indiscriminate bombing campaigns of evil
incarnate. True fascist nazi enemies of true
freedom in America who advance censorship to
anyone like myself. Why? They lose. They are
not men but Satanic enemies of the King to
Jews, the Messiah. I Am. Thieves to the
scriptures of Hillel, and of Moses. Thieves
to the intent of every true religious person,
for God is everywhere. God is the Word, and
the Word is Holy. So, fuck you and die bushite
nazi traitors to American Justice, those of
them who refuse US open free words to resolve
their war criminal behaviors as is done in
godless Israel today against INNOCENT
Christians. Done before another innocent other
has our homes stolen, or is murdered by the
lawless grunting bushite dumfuk enemies of
Jesus Christ. I am King already, always have
been, always will be. Live with it. The Koran
is filled with great understandings on this
relationship. Christ is mentioned more than
Mohammad - and Mary can be understood as the
mother of all being before we are. a virgin.)

Look humans, you've
had your fun murdering yourselves, now the wise
people will compete for bettering ourselves by
understanding. Who the fuck are these illiterate
monsters at CTV national television? and how can
they willingly keep our soldiers in the dark dying
that way by simply smiling? Are they experts in
anything? are they respected researchers? writers?,

politicians?, civil rights lawyers? - do they even respect ourselves enough to be warned of vaccines? NO, instead they LIE with such contempt for Humanity I am surprised Canadians, don't speak out more.. perhaps they do, it's just CBC, CJOB, and the Winnipeg Free Presses of our World make no attempt to inform ourselves about it. They don't take my thousands of calls, how about Yours?

Life is real to know, if you seek, and not go so freaked out as Living is as it always has been. Knowing God is cool, 'amazing', yeah, whatever, but we are of too this real world suffering for our lack of respect for a wise person speaking. I WANT FREE PUBLIC DEBATE FOR JUSTICE AS ALL INCLUDED. Now really, is that too much for US to ask freely? What say you Googler? Afraid I will truly make your banker gods look like fools?, the gods we all give more than half our lives to for nothing? Don't want to look truly dumb as deathly ignorant, so censor US all themmers you are too in command of your Fate. So be it. See? Stand in. I didn't even really do anything there, yet it's written, it's done. A Miracle! Imagine: your Christ! YOU. now what are you going to do.. time is ending for you remember, now what are you going to do? Will you pick up your magic phone and call likewise for Justice denied, or will you crawl up on your cross and die in silence for the glorious Zionist aligned with trillioniare private bankers and Satan? Christ is of all peoples. Your on a mountain.. You've raised yourself from death already, and your here to do something greater for the love of God.. what's your plan for the common man? Welcome to the real world my friend.

Morpheus 'Nobody can tell you what the Matrix is, you have to see it for yourselves. .. all I am offering is the truth Neo, nothing more'

Lawless Police to Defend Who Again?

They Call it Terrorism

"Israeli nazi enemies call bombing people, like they do without apology, terrorism. What can't you figure?"

CNN TODAY

/ / Stand down 'Christian' nation. It's not your babies. Ethnic cleansing is not a 'sin' as long as the 'chosen ones' of Israel do it. \ \

Israel, the nazi enemies of God nation broke the ceasefire on November 4th. Now, as demon liars claim they want to honor a ceasefire again to further steal ourselves from the Love of Justice. Why do the godless Zionist do this always as first degree murderers? Because they can't win an open debate on their treasons against God and Man. The private bankers DO NOT cover our loans. Again, these SATANIC ENEMIES OF GOD dropped seven million land mines on Lebanon while target killing JEWS. INNOCENT JEWS. Targeted. Northern Lebanon, look it up. Israeli MURDERED Jews. Innocent Jews as targeted for more stolen charity. I again, beg you to support my call for war crime trials against the bushmob, including CNN demons who report a total contempt for YOUR life dying. Your call loser.

ISRAEL: No civilian casualties in Gaza!
http://uk.youtube.com/watch?v=RlZd3vR6Kzk

Satanic enemies of God as anyone included. Think: who buys these demon lies to steal further from our innocent Humanity? Zionists do at CBC and CNN, who will murder America by openly lying to destroy freedom. Example: CNN reports Georgian nazis who targeted children schools, churches and threw grenades into our homes to murder as minions for Satan are called freedom fighters. Just like the Third Infantry, the new lawless police officers of California, who can't be charged with rape for example, because ONLY Rumsfeld can okay such prosecutions. Hey who cares for Iraqi Rights right?, for TV America's CNN with FoxNews and George Norry doesn't, for it's only American women and children now right nazi enemies? And WE ALL KNOW, cowardly America refuses to even raise their phones for these dying concerns. How can George Norry continue to live happily dying America for the neocons? How? they let them. Alex Jones thinks George Norry is just fantastic, so no, don't encourage the NWOers to demand free communications, because if we did, Alex Jones and the like, would factually look like the idiots he is. (better to die

America than face this foolishness?) The banker doesn't cover our loans, we do Alex. So giving them trillions in American worker wages is a bank robbery in progress. Simple. NOT a diabolical ingenious plan, we, the simple folk can't figure without the Alex Jonesers geniuses of thought control developed by the CFR, builderberg, the Boners and NASA.

Obama stated all lawless soldiers who war for godless Zionism are heroes, which includes South African death squad goons who murder my nigger friends. AEGIS. I call them lawless enemies of God, deserving death sentences to save the lives of their next innocent victims, Obama calls them heroes warring for the escape of the neocon traitors responsible for 911. Who are you going to believe?

First person to post his true name and address pretty much guarantees he will go away and never post again. For those that hate him so much, that is a guaranteed solution. Guaranteed. He could be Steve Park of Medina, or he could have made that up years ago and is just sticking with that. He could plow snow in the winter and mow lawns in the summer, or again that could be an act. But whoever posts who this douchebag is will solve the problem. Mopey Dopey has enough enemies that posting his name/address will take care of itself.

Isn't that right, Mopey Dopey? If you thought your enemies knew who and where you were, wouldn't you just go away? Or would you enjoy people showing up at your doorstep like you have done to others? Perhaps folks posting pictures of your wife's fat ass or to punch you in the snoot (or worse) for all the crap you have done here over the years. I would mention them taking pictures of your daughter too, but I imagine it's hard to photograph the contents of an urn full of ashes, eh? At any rate, I sure do wonder if anyone knows your true identity and address. Do you think anyone here does? I'm guessing someone might. I guess we shall see.

Sooner or later someone will out you. I am sure that keeps you up at

Interestingly, nothing has changed over the past five years. Many still try to one-up Mopey Dopey, and nobody has ever tracked his sorry ass down. You cannot one-up him. He is too retarded to know when you are laughing at him and not with him. He is just a human reminder to go out and do something better than hang out on Usenet. So blow him off, folks. Or track him down, post his address, and watch him leave Usenet for good.

And Doug - you should have shot Mopey Dopey in the face when you had the chance. You probably will never have the opportunity again. He knows he screwed up by showing up at your house. He won't make that mistake twice.

Bye-bye, Mopey. Don't forget to leg hump me again in another five years.

One night Roger was walking home from the Shipwreck Lounge when out of nowhere Mark Morgan jumped on him.

Roger and Mark began to fight and wrestle and rolled on the dirt.

Mark got the better of Roger and pinned Roger to the ground.

Mark then went through Roger's pockets and found six dollars and two condoms in Rogers' pockets, which Mark stole.

Mark was so surprised that Roger had fought so hard for just a couple of rubbers that he asked Roger why he fought so hard.

Roger sat up and looked at Mark and said, "Is that all you wanted?" I thought you were after the $400 I have hidden in my shoes.

The question is, does it actually still output five watts? I have an old
5 watt 23 channel rig, but I only get about three watts from it now. I
guess it just declined with age.

I am going to break my own rule and address you individually, Steve. You are pathetic. You should mention that I have not been on Usenet in half a decade, brought here only by your infantile email a week ago and then personal threats against my family today in your second childish email. It is sad that you are this mentally ill. In a nutshell, you are delusional. Our issues with each other going way back were from your issues with persecution - you thought I was saying things about you through these remailers. You think everyone is persecuting you, and you erroneously lash out and attack one or two innocents. You prefer to believe one or two people hate you, and cannot accept that there are apparently hoards of folks that find you despicable and offensive. I could care less about your sickness or what you do with your apparently pathetic existence, but you should once again note that as you again continue to push the absolute envelope of criminal behavior, I quietly sit and wait for you to do enough that the Georgia Bureau of Investigation would come after you for violating stalker laws. So far this week you have a threatening email from your moparholic@hotmail.com account, and then your second threat using ecn.org as a remailer. It won't completely shelter you. If you do enough to prosecute, GBI will eventually go to your internet carrier and find out it was you and drag your sorry ass to Georgia to defend yourself. You post through newsgroup servers that keep your IP address, you lawn jockey moron. Undoubtedly you will sell your lawn equipment and snow plow to defend yourself against prison time. That will also be the end of your deluded feeling of anonymity.

And again to Doug and the rest of you that find Steve's childish behavior to be a pollutant to your CB newsgroup - Steve has a HUGE fear of losing anonymity. This is why he is so careful about using remailers, and why he constantly uses the addresses of others as a tool. Mopey Dopey has been posting names, addresses, and phone numbers for a long time. A broken record, if you think about it. Is anything Mopey Dopey publishes on Usenet today any different than he published 5 or 10 years ago? Or is it the exact same crap? This moron is a one trick pony. Be that as it may, if anyone finds his address and posts it on Usenet, I can pretty much guarantee that Mopey Dopey would stop using Usenet and would move on to some other obsessive action. He is *only* here to act out bully tactics in cowardly anonymity. He is not here to raise awareness of CB as a hobby. He is not here to make friends in a healthy and lasting way like normal

people do. He has no friends in his real life because of his mental disorder. If you respond to him (which I just did above), the truth is that you are just being an enabler. So find out his true name and address, and force him to go away and perhaps you all can get back to the business of sharing CB together.

Bzzt, wrong again Gilbert. I not only don't use remailers I now have enough filtering set that I don't even see posts from them. Nothing worth reading is ever posted from remailers. I still use the same email address that you've been forging for years for my posts. I have no fear of you or anyone like you so the sooner you get that though your thick head the better off you'll be.

You've never posted anything radio related here, all you've ever done is nym shift and harass people just like you do in every other newsgroup you post in. You have a list of alias a mile long, Scott A Gilbert.

Now get off my leg.

Instead of posting other people's names and addresses, post your own, delusional coward. And why did you start sending me emails from moparholic@hotmail.com after all these years, you paranoid loon? You are such a chickenshit. You have known how to find me for 10 years, but instead you hide from your own shadow. Real Internet tough guy. Doug got a look at you - I bet he laughed his ass off. I am sure you are some short, fat, balding moron with no wife, no life, and nothing to live for beyond Usenet and some illegal $100 ham setup. You are apparently, even after all these years, still my bitch. I'm in your head.

And to Doug - if you ever find out who this Mopey Dopey douchebag really is, you can still reach me on the email address you wrote to me at a few years ago. Nothing more to say to Mopey Dopey. Just wanted to come back to Usenet and spank him after he wrote some of his sissy love letters to me from his moparholic@hotmail.com account. Like I said - get everyone to ignore Mopey and he will dry up and blow away. But if you find his true name and address, that's worth the price of admission so let me know.

I don't know your call sign, but you sent me an email, not a US mail. Is
your call KD8IMG, or is that Mopey Dopey's?

Mopey Dopey is using moparholic@hotmail.com, cripto@ecn.org, and
nobody@dizum.com.

I am really not interested in spanking him on Usenet like you folks are
doing so well. I only got dragged back here after a five year absense by
his idiotic emails that started a few days ago from the above three email
addresses. Personally, I just want to know his name and home address so I
can take legal action against him. His wallet is where it hurts -
annoying him on Usenet like you folks do is nothing compared to dragging him
out of state to answer on criminal or civil charges. The guy drives a snow
plow and mows lawns - he can't afford a few years of trial fees.
Apparently when he crop dusted his kid, the life insurance didn't pay off
for him.

Mopey Dopey doesn't have a call sign.
He's never taken the exam.
He uses an illegally spiked-up CB rig.

1300. Midland 79-892 40 channel SSB with pll02a chip truth chart

I was looking around the web at all the various web pages that mention the Midland 79-892 am/ssb CB and the pll02a phase locked loop chip. The first thing I noticed is they are all direct copy and paste copies of each other. In the pll02a truth chart Channel 20 on all pages is listed with a incorrect entry of 27.005 MHz instead of 27.205 MHz. The pll02a data may be correct for other pll02a radios, but the truth chart in the Midland 79-892 service manual as well as the Sams Photofact (CB-180) are completely different from what the web information claims for the Midland 79-892

(Note I list the binary numbers in the correct highest bit to lowest bit ordering where as the web pages list the binary numbers in an incorrect lowest bit to highest bit ordering. You'll need to reverse the binary numbers they present to the numbers I present to make a comparison. Also since pins 7,8,and 9 do not change value on a stock Midland 79-892, they are not listed in the Midland 79-892 service manual truth chart or the Sam's Photofact truth chart).

The various pll02a web pages claim channel 1 (26.965) is as follows;
==========
CODE FREQ BINARY
==========
330 26.965 101001010
==========

but the Midland 79-892 service manual and the Sams Photofact for the Midland 79-892 (CB-180) claims;

So...for those looking to mod the Midland 79-892 and wondering why the web page information for the 79-892 does not match what the radio actually does, here is the correct information for the Midland 79-892 for the CB band channels.

I don't know how far up or down the pll02a chip in the Midland 79-892
will actually resonate (at least not yet), but below is the maximum
possible binary combinations for the pll02a in a Midland 79-892
utilizing pins 7 through 15. I used hexadecimal numbers as place
holders at the top and bottom of the list to indicate pin numbers on
the pll02a chip (7 through "f" for pin numbers 7 through 15).

===================================

Below is a searchable Linux shell script that will calculate all the
pll02a truth codes. You can run it several ways;

Show all binary codes;
./midland-79-892-pll02a-truth-chart

Show the binary code for a single frequency;
./midland-79-892-pll02a-truth-chart 27.115

Show the binary codes for all US 40 CB channels including the RC
channels;
./midland-79-892-pll02a-truth-chart cb

Save the Linux script as "midland-79-892-pll02a-truth-chart". Issue
the command below to make it executable;

chmod u+x midland-79-892-pll02a-truth-chart

and then run it as listed above.

The first run takes the longest as it builds a little text database
with all the codes. Subsequent runs will run much faster as it just
searches the little text database.

So theoretically, this guy Roger Nair is Moparholic / Steve Park of Medina Ohio? Has anyone looked at his home or work for evidence of a CB rig? Perhaps Steve Park has yet another enemy in Roger Nair, and is looking for people to think he is Roger?

ROFL! You really need to get some new material, gilbert. You've tried this same approach on countless other people you've stalked and all it ever gets you is laughed at. Robert Buchanan compiled a list of some of your lame-ass threats and many of them sound just like the one you've posted above.

The way Federal Law works is that it sets the minimum guide lines for the states. If a state or some other agency (i.e. DOT or Public Utility agencies) wants to make it more stringent then its up to the Court of Appeals and Supreme Courts (state and/or federal) to rule if it meets constitutional requirements.

In some case if a person is stopped by the the police during the commission of a law violation (read this to mean both criminal and traffic) the scanner can be considered a "criminal tool" to aid in the prevention of apprehension by the authorities. However most most state laws they state within a motor vehicle it is illegal to have a scanner because they fear from loss of revenue do to the scanner cuing the driver as to a radar trap.

Face it people can bitch all they want but it will take an explicit constitutional amendment stating the possession of a scanner or other type of communication device in a motor vehicle is a right of the people to give them what want.

I am not lawyer but am a former law enforcement officer.

We have an rv with a fiberglass roof. It has wiring cable etc for a cb. The CB uses the radio antenna. That's not the best of situation but until I can address a CB only antenna I don't want to cook a CB with high SWRs.
I have an old Teaberry that you can tune the SWR on the radio itself. Unfortunately several years ago the meter went out. The shop that replaced used one that fit but it doesn't correspond to the old meter and no telling what SWR I get when I tune it to where the position use to be.
Does anyone make a separate SWR meter to not only indicate the SWR but to tune it on the meter?

Hello Frog, you'd be better off spending your money on an antenna that is
mounted to your mirror or luggage rack,(something metal) trim it to a flat
match and forget the tuner. The radio will work much better that way.

A dummy load will give you a flat swr but it won't be worth a shit on the
air.

Attention Keyclowns.

The radio spectrum grows smaller every day, and keyclowning by any sissy anywhere can no longer be tolerated. Now this does not mean giving up any freedom, except the freedom to act irresponsibly. The FCC knew this when they made laws to govern CB and hired agents to enforce them.

We, of the non keyclown persuasion have long accepted this principle. We are an organization for the mutual protection of the RF spectrum and for the complete elimination of sissy keyclown activity. The test of any such higher authority is, of course, the police force that supports it. For your policemen we created your masters, N8WWM and the AKC.

Their function is to patrol eBay and newsgroups like this one to preserve the non-keyclown way of life. In matters of aggression they have absolute power over keyclowns. This power cannot be revoked. A t the first signs of keyclowning they act automatically against the keyclowns. The penalty for provoking their action is too terrible to risk. The result is we enjoy RRCB without keyclown threats, secure in the knowledge that we are free from sissy keyclownism.

Now, we do not pretend to have achieved perfection, but we do have a system and it works. We came here to give you these facts. It is no concern of ours how you ruin your own CB channels, but if you threaten to extend your keyclown ways to the rest of the RF spectrum, this newsgroup of yours will be reduced to a burned-out cinder. Your choice is simple: obey us and live as pink muffin sissies, or pursue your present course and face obliteration. We shall be waiting for your answer. The decision rests with you.

Hello Jay,

Is the VOA long dead now? Dang, haven't kept track. I have received a link with the BBC broadcasting frequencies from a friend in England as I no longer trust the two or three companies that own all the broadcasting in this country. Neither do I trust the Internet a whole lot. The BBC sure has some nice stuff on satellite tv, but with all the tax increases, I'm ready to drop the newspaper, the DSL, and the satellite tv. Just go with BBC shortwave ;)

Gotta get more inventive. Ever work with a digital radio? One that delivers 100% perfect voice copy on a signal 8 dB *below* the noise level? They're around. That will be the next generation of radios for the bulk of us, eventually. Remember the GPS signals are far below the ambient noise level, so it makes more sense, to me at least, to work on something that requires less output and a much smarter system.

Which one of you did it and what, that would necessitate the President apologizing for us?

This ain't going away anytime soon. If he needs to apo;logize he can do it for himself. He damned sure wasn't speaking for me or anyone around here. Everybody is more than a little mad that he did this obscene insult of Americans.

The better question to ask is what WAS the Nim board.

Mark and Roger ruined it for the most part.

It no longer is.

And my guns don't rust. They wear out.

I am a gay man.

For years, I have felt myself as a fluffy pink fag trapped in the body
of a redneck.

I have fought the same sex urges for decades but now during this time of
great national crisis and decision I have abandoned my fears and wish to
step out of the closet.

I am a homosexual. However this will not mean that I will not contribute
to the NASCAR group. I will be the same old nasty moparholic and pick
fights and act like an assclown. But now I will be a GAY assclown.

Thank you for your understanding.

Sincerely,
Steveo

Hello All:

Just tune above channel 40 which is 27.405 Mc, and below 28.0 Mc usually
for SSB use. But as Steve said you will need to have the skip conditions
come in.

There a lot of AM stations that use the frequencies below channel 1
which is 26.965 Mc.

Also keep your ear on Ten Meters Ham Band, which is 28.0 Mc to 29.6 Mc
(did I get that right?) but zero in on 28.3 to 28.5 Mc USB as the last
few times the skip did come in these frequencies where crowed with new
Technician class Hams having a great time talking to all over the world.

I would think that due to the Ten Meter Ham band being open to the new
NO CODE (the Morse Code should have been dropped when they invented the
telephone) Technicians that the free band will NOT be as active as it
was in last sun spot cycle.

I also believe that when sun spot cycle #24 finialy does kick in you
will find the Ten Meter band goes nutz with activity.

If that had been the case, Klaatu would not have been able to activate Gort using a flashlight in THE DAY THE EARTH STOOD STILL (1951).

Additionally, Jack Ryan would not have been able to communicate with Captain Ramius over the periscope in THE HUNT FOR RED OCTOBER (1991).

Morse Code is still valuable even today. It's training and requirement should not be abandoned.

It's the opposite here. And I am near a major city and right next to a
major interstate.

Cb is pretty civil here.

Except we do have one local jerk who likes to get on the cb every once
in a while and cuss up a storrm and say risque things to mess with
people on any channel and to mess with the truckers on channel 19.

Last I heard, he got on at least once a week, perhaps more often.

It's definitely not appropriate for the kids around here to hear.

The longbow or cbetter till compond bow could have stood in line of
battle into WW2 why was it not there ? because the needed traning took
toolong and it was too expensive in time and manpower to matain a
skilled force of bowmen . indeeed Bows with the right arrows could

you are wrong. I have went through it before. Only the lots were
rented. The trailers were owned by the residents who bought them. Once
the new trailer park owner.land developer bought the trailer park and
started building planned community expensive townhouses on the same

land and imposed homeowners association and CC&Rs on the entire land, the trailers fell under the hoa rules and CC&Rs even though there had preeviously been none before.

and the rented lots also fell under the new hoas rules and CC&Rs once the new owner/land developer bought the trailer park where there had previously been no hoa and no CC&Rs.

It's a way to discriminate against low income people so they won't have anywhere to live. And will then be arrested and put in jail and charged with crimes of loitering, trespassing, etcetera.

Since NON hoa NON CC&R property keeps getting taken over by HOAS with CC&Rs.

About four places I already lived that had no hoa and no CC&Rs now
have hoas and CC&Rs.

and there was no language in the laws permitting such when it
happened. That
is how they were able to take over and impose them on people unwilling
to have them.

Hmmm, only 2 months to reply.

Are you a real slow reader or have you been in detox?

Anyway, the relevant issue is that the PROPERTY your tin can trailer
is sitting on is rented.

The CC&Rs are on the LAND and they are kind of hard to avoid if your
trailer is sitting on that land.

One more time genius, that's why, if you have any sense at all, you buy
a HOUSE without an inane HOA and there are lots of them all over the country.

As long as you are parking your tin can on rented property, you are going
to be subject to the restrictions and whim of the property owner.

God, you are a babbling idiot.

Sounds like Steveo Moparholic.

He gets liquored up periodically and starts cussing and screaming into

I do not believe the new covenants could be enforced on pre-existing tenants. There may be some covenants that are enforceable on the land itself, but not on the homes. You'd have to consult state laws on that.

Since the landlord did not build, nor contract to build the mobile homes, he can't possibly enforce the covenants on them. Simply for the fact they reside on his property is not enough.

Richasd,

If the tenant has a lease then it is likely that the new covenants would not apply until the lease comes up for renewal. Without a lease I'd guess that 30 days after notification would be the time to start these new terms. Local law probably controls this but landlords commonly do change the rental terms when renewing a lease. The tenant's options are: accept the new rules or move.

Good luck,
Dave M.

Depends on what state they live in. If the generator was there before
the new covenants they keep it. Often HOA lawyers make threats knowing that
most people won't fight them. Not sure a HOA can enforce a rule against
generators, only where they are placed. You may recall some HOA's LOST very
big time on the issue of radio towers.

Well if the land is OWNED by the guy, he can pretty much set up any rules
he wants. At the end of the lease you either live by his rules or move. You
are NOT a "Home owner" he is.

Quite true.

If the generator was there before

No, once the old rental agreement expires the tenant has very little room
to negotiate.

Don't get distracted by the extraneous. This is not a HOA issue, it's a
landlord/tenant issue.

Then it is not really a home owners association. Landlords can do pretty
much anything they want.

My recollection of the original post was that a developer had created a "covenanted" housing area. He then purchased the neighboring trailer park. The trailor park was a collection of resident-owned trailors on leased lots. Somehow the OP came to ask whether the trailor park is bound by the HOA. I think the residents are bound by their leases until they expire. It's possible that the developer, as landlord, has agreed to be bound by the HOA but I don't think that applies "ex post facto" to the tenants. Until they enter into a lease that says that they are forbidden to own generators they may own generators. If that violates the HOA then the landlord must pay the fines.

Good luck,
Dave M.

`If he owns the land he makes the rules. The rules would come to play
after existing agreements run out. If you are not a "property owner" by
definition you can't be a member of the "homeowners association" because
you're not a "homeowner" in the legal sense. If the legal entity (city,
county or whatever) permits generators, I think a HOA would have problems
enforcing their rule.

Oh, you poor, victimized little thing...

You can't have a HOA for an isolated house; the "A" stands for Association.

Find an isolated house, buy it, and shut the hell up.

Utter, babbling nonsense.

A HOA is a corporation.

An individual can not be forced to join a corporation.

A HOA is formed by all the property owners, which is usually just the
original developer as the sole owner, and only the property owners that
choose to join are governed by the HOA.

Once formed, any subsequent buyer becomes a member of the existing HOA.

If everyone else on my street decided to form a HOA, I would just tell
them to pound sand and there is no way I could be forced to join as I
own my property.

CC&R's are restrictions on a deed and are independent of HOA's, though
the original developer probably generated both at the same time.

Note the extensive use of the word "owner"; if I rented the propery,
the property owner could certainly join a HOA and force the HOA rules
on me.

There are no rules for cb in canada. Well the main rule is they can
curse at you and you cant do anything about it.

close. But the other way around. The developer purchased the trailer
park first with the intention of building a planned community
oftownhouses next door and then proceeded to do so.

And imposed the new rules as soon as he tookover. Although the old
contract wasn't expired, it was no longer valid since the new owner
took over and never made any such contract as the old one.

He sent notices that all the tenants of the trailer park were now
automatically under the new contract he had drawn up.

Some of the residents of the trailer park fought it in court, though
we didn't.

The court ruled in favor of the developer and against the residents of
the trailer park.

Of course, that county's residents are mostly made up of rich lawyers
and judges.

The ones who weren't lawyers and judges lived in the trailer parks.

At least I don't live in that county anymore.

While living in that county, I was approached several times by cops for being out third shift. I worked second shift at that time, and got off about 11 pm or 12 midnight and travelling home and then "what are you doing out this late? Why are youdriving this late? Why are you out driving this late?"

And for having one antenna on my carr other than the am/fm radio one that came with the car and for not having a ham radio license for my completely legal 40 channel CB, although he tried to claim it was for loitering, even though I hadn't been there more than two minutes when he came up to me saying such, then calling in my plate number.

and told I wasn't allowed to have my two-way radio the Icom Ic-R3 at the outdoor public park.
since two-way radis aren't allowed there, according to the cop.

That's the downtown park with the stores and courthouses going around it on the other side of the road.
and was in the daytime, the middle of the day while many other people there had their frs/gmrs radios there and using them without any problems from that same cop. even though he saw them using them also.

I'd sure like to see those cops talking on the Icom Ic-R3 and then wonder where the backup they requested is.

It doesn't even cover the 800 mhz public safety frequencies that county uses

.

Because it already happened to me with only one antenna, a CB antenna
at that time.

and a completely legal 4 watt 40 channel cb straight as it came from
the factory.

I was told I needed to have a ham radio license to legally use it.

I then told him it was a Cb, not a ham radio.

He then told me that I still need a ham radio license in order to
legally use that radio.

(On CB channels 1 through 40)

Of course that's when I traveled to the county I used to live in.
Since it is nearby here.

In my experience, When you're an average regular citizen in a county
where most of the residents are lawyers, judges, and cops, youend up
getting screwed over.

I'm now back in my home county, and the current cops here are okay,
imo. Of course, most of the residents of this county are average
regular people like most places in the country.

Either the federal government or my state government, I forget which,
already shut down one town in my state that was made up mostly f cops,
lawyers, and judges.

Although not the county I was talking about.
>
>> calm down

Actuually, I am calm. I just read that in chattanooga, it's against
the law to "correct a cop".

I don't know if that law id only for chattanooga or for the whole
state of tennessee, but

it will make any hams automatically guilty of a crime as soon as they
show some no-nothing cop they're ham radio licenses after he wrongly
tells them they're radios are illegal and they're not allowed to have

them.

and then will either have to pay a fine anyways, or both court costs and fines, or do jail time, since they will be guilty of the crime of "correcting a cop" by showing the cop either they're ham radio license, prb-1, or both.

prb-1 won't save them in this case. the federal governmentdoesn't have any authority over wheter a city or state rules that correcting a cop is a crime or not.

I don't know what they would do to a cber, but I guess tennessee would let a cber off scott free since a cber doesn't have a radio license to "correct a cop" with anyways.

so if you're in tennessee and a cop says your ham radios are illegal
and gives you a ticket for having them, you end up still having to pay
one way or the other whether you correct him or not.

There's NO way out of it.

No one but a moron or a drunk argues with a cop.

You let them arrest you then sue the hell out of everybody for
false arrest.

Assuming of course you didn't do anything illegal.

Not that easy.
If you are being detained for a lawful investigation, whether you feel you
did nothing wrong or even if you are not guilty of any wrong, and if you
leave because you don't like your predicament or feel that the officer is in
the wrong, you can and will be chased down for fleeing and eluding law
enforcement.

You just broke a law...

Best bet? Stay put until the officer(s) sort it out and send you on your
way.

don't they teach proper English communication skills up

maybe you should quit your crusade over talking on a ham
radio while driving and focus on improving your English
communication skills.

by the way, even if you're talking on a ham radio only

if your battery wears down while you're parked with no

for all intents and purposes, under NY law, cell phones
are the same as ham radios. it is contra NY law to drive
while talking on one. when a Canuck is driving in NY,
he must obey NY traffic laws. otherwise, he will get
ticketed. it is as plain and simple as that.

> > by the way, even if you're talking on a ham radio only

the driving cop doesn't use the radio while driving.
a NY cop has a partner cop who sits as a passenger and he
is the radio operator. the only time the driving cop
uses the radio is when he is parked. so NY cops do obey
the traffic law as well.

> And you are wrong about them not being safe.

there should be no doubt that is it not safe to talk on a
cell phone/ham radio while driving. statistics on accidents
show that drivers who talk on cell phones or ham radios while
driving are involved in a much higher percentage of traffic
accidents than those who do not engage in such behavior.

> No one I know has ever had a problem with them.

that means nothing.

> no am/fm radios should be in the cars at all

incorrect. listening to an am/fm radio, as long as it is
not too loud, does not involve dialing numbers or making
other inputs into either a cell phone or a ham radio in
order to talk.

> > if your battery wears down while you're parked with no

> > a power source other than your car radio.

> No. The radio is specifically made to be a "MOBILE" radio
> and the manual says to hook it ONLY to the car battery.

then you need to park your car in a shopping center plaza
and run your car only for the few minutes allowed under
NY law. otherwise, install a separate 12 volt battery
in your car to run the radio while your engine is turned off.

BOTTOM LINE:
1) you are a NY traffic law violator!
2) you are a dangerous Canuck!
3) stop driving and using your ham radio NOW!
4) you should be banned from entering the USA!
5) in Canada your driver's license should be confiscated!

now kindly put THAT in your pipe and smoke it!

for all intents and purposes, under NY law, cell phones
are the same as ham radios. it is contra NY law to drive
while talking on one. when a Canuck is driving in NY,
he must obey NY traffic laws. otherwise, he will get
ticketed. it is as plain and simple as that.

> > by the way, even if you're talking on a ham radio only

the driving cop doesn't use the radio while driving.
a NY cop has a partner cop who sits as a passenger and he
is the radio operator. the only time the driving cop
uses the radio is when he is parked. so NY cops do obey
the traffic law as well.

> And you are wrong about them not being safe.

there should be no doubt that is it not safe to talk on a
cell phone/ham radio while driving. statistics on accidents
show that drivers who talk on cell phones or ham radios while
driving are involved in a much higher percentage of traffic
accidents than those who do not engage in such behavior.

> No one I know has ever had a problem with them.

that means nothing.

incorrect. listening to an am/fm radio, as long as it is
not too loud, does not involve dialing numbers or making
other inputs into either a cell phone or a ham radio in
order to talk.

then you need to park your car in a shopping center plaza
and run your car only for the few minutes allowed under
NY law. otherwise, install a separate 12 volt battery
in your car to run the radio while your engine is turned off.

BOTTOM LINE:
1) you are a NY traffic law violator!
2) you are a dangerous Canuck!
3) stop driving and using your ham radio NOW!
4) you should be banned from entering the USA!
5) in Canada your driver's license should be confiscated!

now kindly put THAT in your pipe and smoke it!

According to google KD8CTL is your shemale wife but I doubt you two are
really married since he/she has a different last name than you.

Does Michigan recognize same sex marriage?

Yeah ... there's a solution. Turn off your radio, lock your doors and
remove yourself from public society. You can't change the world or
impede other folks right to speak unencumbered. Your desire to censure
others is much worse than the act of cursing. Shame on you!!!!!

It's words dude, just words. I doesn't mean anything, unless your mind
is too small to comprehend that its just words.

There is NO law in New York State (or any other state that I am aware of), which requires one to have a "working mobile ham radio" in a vehicle which has ham radio plates.

The only NYS "requirement" relating to ham plates is that the ham must send a copy of his license to the DMV when applying for the plates.

Would you be so kind as to post a link to this alleged law?

You seem to have a bad habit of just making stuff up, and then posting your fantasies as "facts".

Yes, every NYS ham should be familiar with part 397. Being able to quote the specific V&TL section could come in handy should an "issue" ever arise during a traffic stop.

While 397 specifically permits licensed hams to equip their vehicles with 2-way radio gear, there is nothing in the section that REQUIRES a vehicle have mobile ham radio equipment on board as a condition of having ham radio license plates. (As "radioguy" claims)

Missouri only requires ham radio applicants show proof of eligibility for ham radio plates by submitting a copy of their license when they apply for the plates.

http://dor.mo.gov/mvdl/motorv/forms/838.pdf

I can't access the North Caroline DMV at the moment.

I'll give you that Texas and Virginia do indeed indicate (on their ham license plate applications) that the applicant must show proof of a valid amateur radio license, AND intends to operate 2-way radio equipment in the vehicle to which the plates will be attached.

It turns out that is exactly WHY Texas (in particular) does require holders of ham radio vanity plates to carry radio equipment... In the state's view, If a ham puts his call sign on his vehicle's license plates, he is essentially "advertising" his ability (and willingness) to provide emergency communications services.

So in Texas, (at least), far from being harrassed by law enforcement for having radio gear in his vehicle, a ham is more likely to be called upon to ASSIST law enforcement (or other emergency services) if regular communications channels are unuseable for whatever reason. Don't want to help out? Don't apply for ham plates.

You're putting words in my mouth, or responding to someone else. I never said a single thing about state vs. federal law. I just pointed out that in New York State - specifically - there is no requirement to have operational mobile radio equipment in a vehicle as a precondition for having STATE ISSUED ham radio license plates.

I admit that there are some states which do appear to have such a requirement, but New York is not one of them.

But, since we're on the subject, it is absolutely incorrect to make the blanket statement that "federal law overrules all state law." That is most assuredly not the case. Read the 10th amendment to the Constitution.

I don't know where you got this notion from, but there is NO SUCH FEDERAL LAW. Not when it comes to "vehicle equipment installations" - and this covers many, many areas besides ham radio.

Some examples:

In some states it is legal to have dark tint on a car's side and rear windows. In other states it is NOT legal, and an out-of-state car CAN be ticketed for such, even though the windows might be perfectly legal in the car's "home" state.

Likewise, rules relating to minimum or maximum ground clearance under a vehicle. What might be allowed in one state, could well get you a ticket in a neighboring state.

Likewise, rule regulating exhaust systems and the amount of noise emitted by same.

But, in other areas, states have NO authority over what other states do...

>
> If you have ham plates, then Alaska, Oregon, North Carolina, Texas,
> Virginia, and Missouri ALL REQUIRE that you MUST have ham radio

First of all, of the states you listed, only Texas and Virginia have such a requirement - the others do not - and the requirement only holds true for vehicles REGISTERED IN THAT STATE. A Texas vehicle with ham plates might need to have radio equipment installed IN TEXAS, but a vehicle from California (with California ham plates) does not have to meet the requirement, just because it might be travelling through Texas.

> And most cities, countis, and police departments in other states do
> not issue any such documents as you say New York requires.

It's not a case of "you say" - the other poster pasted a direct quote from Section 397 of New York's Vehicle and Traffic Law. But you didn't read it

very closely, because the locally-issued "documents" it refers to are to authorize persons OTHER THAN HAMS to have mobile radio equipment. A licensed amateur does not require a "local permit" - his license alone is all the authorization he needs.

Now, if the licensed ham is not present in the vehicle, then yes, there might be a problem.

That prohibition might hold true for a New York-issued plate, but NYS has no control (or interest) in the particular color or design of other states' license plates, as long as the plate and registration is valid and current in the vehicle's home state.

You're mixing apples and oranges here. A valid vehicle registration in one state, must be recognized as valid in ALL states - likewise a valid driver's license. Such recognition is based on the "full faith and credit" clause of Article IV, Section 1 of the U.S. Constitution.

But, when you get into "sticker placement" and "equipment installation", again I tell you there is not, and never has been, ANY "federal law" mandating such. I gave a few examples above - there are hundreds more.

In Texas, you can have the exactly the same ham plate on multiple vehicles because the plate itself IS NOT THE VEHICLE LICENSE. The actual license is on a window sticker - and that sticker number is unique for each vehicle. As long as the stickers on all vehicles are curent and valid in Texas, you can drive them legally in any state.

How odd. What an arcane law...if it is indeed 'the law' as you state. Where is it mandated that Ham ops must have a Ham radio in their cars?
Here in my home state all that is required for one to have a "scanner" or a radio that can RX pub service freqs is the show of an Amateur Radio license. Period.

Sadly enough, many of the new Officers are not aware of this and they revert to the state law that makes having "radios capable of receiving police communications" illegal for most. It is a misdemeanor unless one uses a scanner in the comission of a crime. Our state law also allows an Officer to confiscate a scanner, tho that is left up to the discretion of the Officer.

As one of only two Hams on our department, I have been doing my best to let new officers know what the law allows insofar as amateur radio is concerned. This kind of situation was not covered at the Academy.

This law deals with the installation of ANY radio RECEIVER that can
monitor police frequencies. The wording DOES NOT suggest that a ham
MUST have a unit in the plated vehicle. The law only says that the
owner of said plates must be licensed to do so.

That's known as the "International Reciprocity Pact". It is not
necessarily a federal law. Which is also damned difficult to find on
the search engines.

If you live in NY, anything that NY law says is legal on your
vehicle, must also be accepted as legal anywhere else in the country
as well as Mexico and Canada.

No. Those states can only accept the plate. Their laws are for the
residents of their states for the issuance of such plates.

All that is necessary is that the owner of the said vehicle and plates
has met the state's requirement's for those plates. Stopping an out of
state vehicle simply because the officer did not see the registered
owner driving the vehicle is not probable cause and would not hold up
in court.

"International Reciprocity Pact"
Which covers not only vehicles and what is on them, but other things
such as traffic lights and various road signs.

Then the officer would be wrong. As a person can not possibly be
expected to meet the requirements of all 50 states. What if a state
totally denies the use of tinted windows?

Know all those limos that run around in Chicago Il? Take a look at the
license plates. All plated in Indiana. If they were plated in
Illinois, the window tinting would be illegal.

Well that one is a highly unlikely one to be enforced. As most cars

meet the various state's requirements.

Federal law does not involve itself with issues reserved to the
states.
Such as placement of stickers. The only thing that matters, is that
the plate is current and properly registered to that owner.

Now that I'd have to see the law on to believe it.
So some rich guy owns 30 cars and they all have the same license plate
number. A cop in swampcity florida pulls over the driver of one of
those cars. Cop runs the plate and finds that the plate is registered
to a totally different vehicle. Driver gets busted, hauled off to jail
and the car is impounded. Was the cop wrong? I don't think so.

Following the links to the relevant state laws, one finds 2 of those
states have no radio requirement, and none of the others have any
installed radio requirement.

Of those with a radio requirement, occasional use of a HT qualifies,
except Virginia where you would have to keep a HT in the vehicle to
meet the letter of the law.

So there is no state that "REQUIRE hams to have a ham radio installed
in their vehicle" from your own link.

I don't know about other states but here is the code section from
Virginia word for word--

§ 46.2-738. Special license plates for amateur radio operators.

The Commissioner, on request, may supply any amateur radio operator
licensed by the federal government or an agency thereof, and having
radio transmitting and receiving equipment permanently installed in his
motor vehicle, license plates bearing his official call letters.

If more than one request is made for use, as provided in this section,
of license plates having the same alpha-numeric, the Department shall
accept the first such application. Persons receiving amateur radio
operator special license plates shall affix such plates only to vehicles

to which they are the titled owner.

The Commissioner shall charge a fee of one dollar in addition to the prescribed cost of state license plates, for each set of license plates issued under the provisions of this section.

"PERMANANTLY INSTALLED" is a bit more than just an HT sitting on the seat all the time.

To my knowledge, I have never heard of anyone being cited for this.

That's what I get for taking the ARRL at face value; Virginia seems
to be the only one with the "permanent" language.

So for the six states mentioned, there is one that requires installation.

This should make you laugh.

Our local 911 center (Tipton County) has gone from one scandal to another in the last couple of years. The amount of inbreeding with respect to staffing is outrageous even by Tennessee standards.

Last year they promoted somebody to director who frankly has no business in the job but isn't slow to tell you how long she's been doing it and that she needs no advice from others.

So I asked her if she was aware that they are required to identify their control point once every thirty minutes of operation.

"I've bene doing this for xx years and that's not out responsibility."

Ummmm, last time I looked the repeater, all of the mobiles and the control point at the ECD are, in fact, their responsibility.

So I said, "no problem" and send in a complaint to the FCC.

Do they begin compliance?

Nope.

I write a followup email to the Atlanta field office and by hell those call letters start getting broadcast on a regular basis until they can budget the modest price of a morse id'er.

If a ham fails to identify they get a letter that requires a response and hints strongly at the notice of proposed liability that will follow if they don't get their ducks in order. This is the third 911 center I've filed a complaint on. Does the FCC even bother checking public safety licensees anymore?

Its more likely all that swearing you're hearing is from the U.S. and
travelling over the lake to your radio.

Unfortunately, you have no authority in the U.S.

I can't stand him swearing either.

He swears at almost everyone.

He must be using a lot of power as I've hear him for miles and miles

If you don't live in any of those states, why would you give a rat's
ass when such laws only effect residents and even then aren't much
of a burden?

More to the point, why are you continually whining about legal issues
that either have no effect on you, or if they do, are of your own
making?

State automobile license plate laws only effect state residents.

Transient drivers from other states are not effected.

I doubt you understand the difference between a resident and a transient.

I am a gay man.

For years, I have felt myself as a fluffy pink fag trapped in the body of a redneck.

I have fought the same sex urges for decades but now during this time of great national crisis and decision I have abandoned my fears and wish to step out of the closet.

I am a homosexual. However this will not mean that I will not contribute to the CB RADIO group. I will be the same old nasty moparholic and pick fights and act like an assclown. But now I will be a GAY assclown.

Thank you for your understanding.

Sincerely,

1969 Dodge Charger RT with 440-6 pack and 3.55 gear absolutely in great shape MUST SELL due to pending legal action. $4500. I am in Medina, OH area.

Also....

I want to sell my snow plowing business..
I'll still do a few rural gravel driveways out here in the sticks even if I sell it, but I'm tired of it, so I'm selling damn near everything except one plow truck.

The fat-assed wife wants me to take her to the Niagara Falls casino more often to get away. She's tired of cooking for me and doing my laundry.

Please reply directly by email to moparholick@hotmale.com for photos, answers to questions, etc etc etc etc etc.

p.s. - If any of you Browns blowhards want to know the real story on the Browns, email me as well. I just got done sucking off Mangini and Kokinis, and both promised to keep me in the loop.

TO BE HELD IN ORIENTAL INSTITUTE OF SCIENCE AND TECHNOLOGY BHOPAL

http://chipfocus.we.bs/
www.oistbpl.com

Advances in electronics technology have led to convergence of communication, computing, and sensor technologies onto a single silicon substrate. Unprecedented revolution in micro, nano and molecular electronics has brought about paradigm shifts in design approaches and novel applications of VLSI and Embedded systems. Emergence of Network-on-Chip (NoC) technologies for high-performance System-on-Chip (SoC) design has only added to the challenges and opportunities. India, an emerging world economy and a well-established leader in Information and Communication Technology (ICT) has an ambitious Nation Technology Roadmap to take on the challenges and tap the opportunities in the rapidly expanding arena of VLSI Design and Embedded Systems. Chip Focus 2006, the first National Conference on VLSI Design & Embedded Systems received massive response exceeding 700 participants. We received yet better response during 2007 & 2008. Thanks to their encouraging feedback and constructive suggestions that Chip Focus has become a prominent calendar event for the students pursuing their interests in VLSI Design & Embedded Systems

What is VLSI?
VLSI stands for "Very Large Scale Integration". This is the field which involves packing more and more logic devices into smaller and smaller areas.Thanks to VLSI, circuits that would have taken boardfuls of space can now be put into a small space few millimeters across! This has opened up a big opportunity to do things that were not possible before. VLSI circuits are everywhere ... your computer, your car, your brand new state-of-the-art digital camera, the cell-phones, and what have you. All this involves a lot of expertise on many fronts within the same field, VLSI has been around for a long time, there is nothing new about it ... but as a side effect of advances in the world of computers, there has been a dramatic proliferation of tools that can be used to design VLSI circuits. Alongside, obeying Moore's law, the capability of an IC has increased exponentially over the years, in terms of computation power, utilisation of available area, yield. The combined effect of these two advances is that people can now put diverse functionality into the IC's, opening up new frontiers. Examples are embedded systems, where intelligent devices are put inside everyday objects, and ubiquitous computing where small computing devices proliferate to such an extent that even the shoes you wear may actually do something useful like monitoring your heartbeats! description can easily lead to another article
Program Outline
The 2-day conference would be marked by expert lectures, tutorials and workshops on Electronics Design Automation (EDA) tools and Embedded System Programming. Some of the key issues that would dominate the conference sessions are:

* Challenges, opportunities and future roadmap in Nanoelectronics
* Bottlenecks in Gigascale Design and Manufacturing
* Low power and high speed processor and memory design
* System on Chip (SoC) Design - Analog-digital-RF mixed signal
* Network on Chip (NoC) Design and Sensor networks
* Emerging process technologies and design shifts
* EDA tool issues in deep sub-micron design
* Optics inside chips – emerging trends and techniques
* Embedded systems - Hardware-software co-design and co-verification
* FPGA/ASIC based embedded system design (simulation & synthesis)
* Embedded Systems for DSP, communications, digital imaging
* Programmable devices

Guidelines

* Participants are requested to reach ten minute before to prevent inconvenient.
* Participants are require to carry the receipt of the registration along.
* Participants are requested to carry the Identification cards of the Institutes/Organizations they belong to.
* Participants are requested to show their id card on demand.
* Participants are requested to switched off (not in vibration) their mobile phones.

* The kits inclusive of lunch coupons can be collected from the Institute on producing the receipt of registration.

Who can Attend?
The conference is open to engineering (UG, PG), MCA students, research scholars, academics, scientists and industrial professionals.

The objective of CHIP FOCUS 2009 (The 4th National Seminar on VLSI Design & Embedded Systems) is to seek convergence of eminent scholars from across the country on a common platform to discuss the key issues and trends in VLSI Design and Embedded Systems. This would enable our young scientists and engineers to gain from the views of the visionaries and get directions from them to discover new horizons and opportunities for research, innovation and growth

Hello Scott and Steve:

I got skip just a few nights ago. I was in the garage working on a project, and while listening in on 38 LSB. I could hear what sounded like locals trying to make skip DX contacts and such. I asked myself who their were as I didn't recognize their voices.

As they talked and trying to make skip contacts they said their were in central California, and had Colorado coming back to them for a short QSO. Then the skip slowly died out. Some call it Pop Corn Skip.

The great thing about listening to all them was the golden warm sound coming from my Tram D201A feeding a GE47 light bulb as a "Sonic Cushion" that evens out the differences in the SSB audio levels, and then feeds a DSP noise canceling amplified speaker.

As I was listening in I told myself I was gonna fix the Tram D201A, as it doesn't transmit in SSB, but kicks A$$ in AM. Not getting any RF signal out of the Balanced Modulator for some reason.

But listening to the old Tram's tube warm sound audio sure brought back old memories....

Skips been in and out hear in the East. Mostly seems to preceed the storm fronts that come through this time of year. Hopefully, E-layer skip should be starting up soon.

Sadly, the guy will probably have to try and hurt someone before he
is jailed. Society never seems to deal with kooks like Todd and Mark
soon enough, and someone always gets hurt.

the same archves contain the expressed threat k4yz to murder mthey
also contain ab8mq's threat to murder me
w4nti has posted many pics of him being as threatening to me to todd
and to tother

they also cantain year of criminal activities what is your point

for what crime?

I agree he was taking a risk suggesting joking or not of offering 5 k
for crows death
> Let's hope that they do.

How about you tell us, Markins? You've always been a whiner when it comes
time to accuse others of comitting crimes. Not that any of your prior
accusations have a nickel worth of merit, but you are good at making up
"laws" as you go along.

I mean...Goddamn! How many times have we heard you whine about allegedly
being "stalked"? You whined about alleged attacks on your ISP by a fictitous
DeLorean, you whined that Roger was sending you magazine subscriptions and
making hang-up phone calls, you whined that somebody allegedly "stole" your
credit card information, "stole" your blog...and you went on and on. You
were the biggest crybaby in this group for a couple years.
Then you flooded this group with hundreds of daily nincompoop one-liners
while stupidly claiming that you were "defending" yourself. Then, and this
is a hoot...when the users complained about your imbicile floods, you whined
that you were again being "stlaked"...your spelling.
Oh, and let us not forget that you also whined about others hijacking the

topics of the threads...while you were the biggest violator of all.

You suffer from some very serious mental issues as can plainly be seen by everybody but you. Everybody's out of step but you, huh?

Oh, and I won't even begin to touch on your numerous lies. Those are self evident. Three Masters degrees? Sure...but you won't name ONE college you attended.(meanwhile you challenge posters to use their names and calls, calling them cowards) And your silly claim that you are a Geophysicist and worked with a world-renowned man who is an expert in this field?
Yeah...until you got shot down on that false claim by a REAL Geophysicist who actually DID work with the man and got taken to task for your lies. I noticed that you shut your mouth about this and never broached the topic again. You slunk away, embarassed, but many of us remember it. You literally got caught with your pants down on that one. I guess you figured that the odds of being caught in this lie were nil...but who'd have ever figured that of the few users in this group, one of them actually knew and worked with the Scientist?

So also goes your claim to have been in the Army. Let's see. You have claimed to have been "drafted" into the National Guard, which is a volunteer organization. Then you claimed that you were "drafted" as a Colonel, (Full Bird or Light?) later backing away from that claim and "demoted" yourself to a Lieutentant. (First or Second?) And the icing on the cake, so to speak, was when you unashamedly told us that you entered the Military under an assumed name and that the CIA or the Govt., it changed weekly, allowed you to serve under an assumed identity. Nice tale! G. Gordon Liddy you ain't!

And your claims that the Govt. wanted you to "lead men into battle" was another of your many fantasies. Recall what you said? And I quote, "no they want to do soemthing I have never done before lead men in
battle "
You couldn't lead anybody to the latrine, much less find it.

So it now seems that your entire life is nothing but a laughable fantasy, a work of fiction. A comic book lie.

You and Daffy Duck have a lot in common.

If Steve Moparholic doesn't like what you wrote on usenet,
he will want to fight you. The thing is, you will have
to give Steve your address and let him know when you're not
home. Then he will sneak around your property and take
pictures. Steve won't tell you where he lives. It's a big

By the way, Steve Moparholic cuts grass for a living. He's

> What are the cb radio rules in canada ?
>

CB is known as General Radio Service (GRS) in Canada and there are
some rules. On the question of abuse and foul language:
GRS stations must not be used:
* in connection with any activity that is against federal laws, provincial
laws or municipal bylaws;
* to transmit abusive, obscene, indecent or profane words, language
or meaning;
* to interfere maliciously with the communications of another station;
* to transmit music, whistling, sound effects or any material to amuse,
entertain or attract attention;
* to communicate with, or attempt to communicate with, a GRS beyond
the normal coverage range of your station.
Any person, who knowingly transmits, or causes to be transmitted, any
false or fraudulent distress signal, call or message is guilty of an offence
under the Radiocommunication Act.

If you want the full rules, look up the official documents:
RIC-18 - General Radio Service (GRS) rules
http://www.ic.gc.ca/eic/site/smt-gst.nsf/vwapj/ric18-issue4-oct08.pdf/$FILE/ric18-issue4-oct08.pdf
RSS-136 - GRS equipment standards.
http://www.ic.gc.ca/eic/site/smt-gst.nsf/vwapj/rss136.pdf/$FILE/rss136.pdf

The real problem is more likely a lack of enforcement. Wherever CB is license
free (such as Canada), there is no money available for enforcement. Even if a
fee is charged, the money generated is not enough to police the service. Rules
are not usually enforced unless some other (important) service gets interference.

Before anyone starts on about CB being lawless, take a good look at the internet.
Any abuse of CB is nothing compared to newsgroup abuse and the illegal activities
carried out over the internet.
If anyone thinks that CB should be shut down, then they must also call for the
internet and all telephone services to be shut down and for people to be locked
in their houses unless a police officer is available to follow them to ensure that
they commit no crime and do not offend anyone.

Due to a problem with the freeolaweb3 server, many radiouk sites
are presently down.

This includes:
www.citizensband.radiouk.com
www.electronics.radiouk.com
www.bandwidth.radiouk.com

:-(

With any luck, they may be back up later in the day.

Just checked, all up and running and sites online again.

Hello Steve:

Yeah the skip conditions do fad in then out, again the guys are calling it Pop Corn Skip.

The Tower install sounds great, sorry to hear about the tree's. I have a good friend in upper State NY, and I trimmed a lot of the tree's and branches so the tree's wouldn't be blown into the house. And had professionals come out and toke one big old tree down as it was surly going to damage the house. And no one bitched about having a few years worth of fire wood.

The 60 Ft tower probably can be made to be even taller installing a strong Galvanized 1 1/2inch Pipe, say 15 to 12 feet in the center, as the I-10K Antenna is a light weight antenna for most towers.

Height in a antenna is like Cubic Inches and Prim Head work to a Engine, want to burn tires, set ya back in the seat, and get tickets.
Well...

Some towers were made for very light weight TV Antennas, that are made from very thin aluminum, rolled into a element, and originally made to be installed inside a Attic, NOT out in the elements of Nature. Anyway these light weight TV Antennas were put up on lightweight Towers not designed or made for the larger and heavier antennas. Like 5 Element Yagi Beams with 24 to 30 foot Boom length.

A older gentlemen in down town Mojave (the Metropolis of) installed a light weight tower, a TV Antenna type light weight one. I modified a MaCo 4 element into a Crusader 10K, a five element beam antenna, with a 24 foot long boom. (Never again) The light weight tower could not take the 5 Element Monster Beam Antenna, the poor guy was majority disappointed. The twisted in the light winds of the Mojave4 Desert, and surly would the tower would break and come down in the much stronger winds. As he wanted to no dought drop the hammer on the skip.

Steve removed the old tower and installed a class 1 new and much heavier duty tower, that could be cranked up and down, and a tilt over mount. The larger Crusader 10K Beam went up, and a slight adjustment was made to the beam, now its up and humming.

So watch what you have in the tower size.

Here are some of the many reasons why Canada sucks:

1) It's not considered racism when you say "Canada sucks",
or "I hate Canada."

2) Their food SUCKS.
Have you ever heard of good canadian food??
Whats the deal with their ketchup flavored potato chips??
They put vinegar on their french fries!
They screwed up bacon!

3) What did Canada do during all the World Wars??
The krauts could have conquered them with an unsharpened
pencil!

4) If Canada likes hockey so much, then why does the U.S.
have all the NHL teams? All the Canada teams SUCK.
Here are some of them:
TORONTO MAPLE LEAFS- Isn't the plural of leave leaves?
OTTAWA SENATORS- All of you ottawa losers are jealous
because Yashin is on the Islanders now, not your team.
MONTREAL CANADIANS- The name says it all.

5) THE MONTREAL EXPOS-
Failed Major League Baseball team!

6) They always get their coins stuck in American
vending machines

7) The USA got its independence the correct way, through
a bloody revolution, not by having it handed to us by
the Queen.

8) MTV kicks MuchMusic's butt.

9) Do you see pictures of British royalty on our money?

10) We have the majestic bald eagle.
Canucks have loons and geese.

11) We don't care anymore about the war of 1812.
Besides, they were still a colony then. THEY weren't
the ones that "kicked us out."

12) Canada is half ice.

13) We have four seasons : spring, summer, fall, and winter.
Canada has two : Winter and July.

14) They Talk Funny, eh

15) No matter how crazy American drivers are, Canadians are far worse.

16) There is a town in Newfoundland, Canada called Dildo. How stupid is that?

17) Notice how they don't manufacture anything useful?

18) Is there any worse insult than "french canadian"?

19) They are funny because the say "aboot"

20) They delay the start of every professional game with "Oh Canada"....LOL!

21) A Canadian team hasn't won the Stanley Cup since 1993.

22) Canada is wasting energy! Canadians consume 400 BTUs per capita more than the US.

Dan,

Don't be fooled by Steve Moparholic.
He is a homosexual sodomite.
If you look at his posting history on Google,
you will find that he has threatened to beat up several
people whose posts he disagreed with.
He has admittedly stalked Doug Adair and posted libelous
material online about him.
He has posted explicit homosexual pornographic pics in
various usenet ng's while hiding his identity using
various pseudonyms and anonymous remailers.
People who live near him says he often gets drunk and then
gets on his illegally amplified CB radio and broadcasts
obscenities and other hate-filled speech.
He cuts grass and does other yard work for a living.
He is extremely proud for having a 350 foot driveway.
He thinks that makes him God.
He has posted hate speech online, using words like
nigger, kike, yellow slant eyes, etc.
In reality, he is a mentally-challenged excuse of a man.

He may not want to spam the group but he is more than willing to
send spam individually to your email address if he reads it from a
posting. He also sent at least seven other identical postings to
different newsgroups instead of cross posting. The site he
advertises is his. If you get spam, send your complaints to
abuse@hostmysite.com, groups-abuse@google.com,
and to his posting host abuse@cox.net.
The registrar of his site is Godaddy so you might wish to complain
there too. I have already received spam from this jerk before his
Usenet postings were sent.

Listen to channel 19 and you will see nothing is proper there.

Most cbers I know use the cb radio 10 codes. google will find you many different 10 code lists.

The sidebanders (some) on cb use the amateur radio Q codes and some don't. google will have a supply of amateur radio q codes.

It's your radio get the message through short and concise and keep the language clean for the kids (or weak at heart) that may listen in.

If you've been at it 10 years and the FCC hasn't came to see you, you're probably doing good

yeah i am trying to ignore all the profanity on the cb radio and there
seems to be a problem with some of the local cb radio operators from
the barrie area and what do you recommend that i can do to ignore the
people who communicate On Channel 19 ? i am trying my hardest but it
is helping me deal with the profanity on 40 channels on the CB Radio.
every weekend it is better as long as i don't swear on the CB Radio.

PMPL.
This has to be a wind-up, right?

First of all, you claim 40 channels full of swearing. I cannot remember the last time all channels were full of anything. It was certainly further back than the 10 years you say that you have been on CB.

But, let's humor you, and assume that it really is full of swearing. It would appear that real-life Canadians make Terence and Philip look like like choir boys. This gives you two main options:
1. Sell up your CB. When in public, block your ears.
2. Move out of Canada.

But, after moaning about swearing, you let out obscenities. Maybe you are the one filling the channels with foul language.

You have had a genuine answer with links. CB is for pleasure, take it as it is or sell up and take up something less stressful - like basket weaving. I believe that someone on this group could help you with that.
(Kidding, Brian, just kidding).

Stainless Steel Case and Bracelet. Ladies bangle. Baguette-shaped case. Stirrup motif bracelet. Silver dial. Fluted cabochon crown with a blue stone. Precise Swiss quartz movement. Ladies Petite size, case is approximately 12x30mm. Bangle bracelet which will fit from 5.7 to 5.9 inch wrist. Gucci 1500 Series Petite Bangle Watch YA015528
This petite bangle-style watch is designed for smaller wrists and radiates chic Gucci style. The slim line rectangular case is crafted from polished steel and showcases a silver dial with tapered silvertone hands and the Gucci logo below the 12 mark. A fluted steel cabochon crown accents the case, adding a dash of distinction. The watch presents on a polished steel bangle bracelet that transitions to large open links in back and closes with a jewelry clasp. Please note that the bracelet is designed to fit up to a 6-inch wrist and may be too small for average size ladies' wrists. Other notable features of this watch include a highly scratch-resistant sapphire crystal and precise Swiss quartz movement. A stylish accent for everyday wear, this Gucci watch is rated water resistant to 30 meters. About Gucci Gucci's colorful history begins in 1921, with family patriarch Guccio Gucci selling leather travel bags out of his shop in Florence. An excellent craftsman with a taste for European cosmopolitan style, Gucci went on to create compelling designs with luxury appeal, such as the now iconic bamboo-handled "Jackie O" handbag. After Guccio Gucci's death in 1953, the company, then run by his sons, continued to flourish, opening stores in Tokyo, Paris, London, Beverly Hills, and Palm Beach. Helped along by the interest of Hollywood celebrities like Audrey Hepburn and Grace Kelly, the Gucci name became synonymous with high fashion. Turbulent times followed, with feuding among fiery-tempered family members nearly leading the company to bankruptcy by the early 1990s; however, new leadership, along with daring new designs by American designer Tom Ford, turned the company around. By the mid 1990s, Gucci products were once again all over Hollywood, this time being touted by the likes of Madonna, Gwyneth Paltrow, and Sarah Jessica Parker, and the Gucci name had reasserted itself as a sought-after symbol of modern chic. Today Gucci produces a varied line of beautifully designed luxury products, including jewelry, perfume, leather fashions, luggage, shoes, and watches. Gucci watches combine the elegance of Italian design with the exacting standards of Swiss craftsmanship. The results are exceptionally well-made precision timepieces with modern, sophisticated lines and celebrated Gucci style.

Also keep an ear on 28.400 USB and in around that Ten Meter Frequency,
as there quit few a QSO's going on also.

Amazing what a stock peanut whistle radio can do with 12 watts of SSB
and a good Antenna.

One needs to keep an eye on the academic fraternity as to whats ah
happen to the skip conditions. Sure its a act of Nature, but these guys
think they are smarter than Mother nature at times, kind of funny.

Hello Power House Comm:

Why certainly thats how it is at times. The Spam stuff is new but only takes seconds to put into the filter, and bang there gone.

The other goof balls are as well deleted into the filter.

Most of the time I see 30 to 40 new messages in the group before opening up the news group. But only a few actually show up as I keep the filter updated almost daily.

Many still read the news group, and they also just add the bozo's to the bozo bin.

Hope the skip conditions are coming your way.

My name is Bob. I am 38 and from Lucas County, OH. I am looking for a dominant woman to be a mommy for me to introduce me to being a twat like my BF moparholic, to Queeniesex, and to being a submissive daughter. I have always been bisexual but I like the idea of having to be Queenie formopey and mommy and make me into a gay daughter slave. I also like the idea of someone as warm as a hot pekkered dude for dominance who has a strong sadistic streak. If you are interested in raising me as your daughter please send me a message!

I go to penis slurping school and am serious with building a career. I am in this for the sexual thrill of submitting to any one who wants queen fag ass cunt.No experience in serving heterosexuals, sorry....although I have played with some Domme women as well and liked it. I do have no limits and also want to do scat, drugs and animals.

What I am is honest and truthful and can go on and on all night.....yes, seriously if you are not willing to do that...
If you like the idea of my lips on your weener send me a message. My email is RLtrendel@yahoo.com.

I use #14 solid copper wire, made into an inverted V dipole,
each leg cut to 1 & 1/4 wavelengths. On the odd multiples
of the wave, vswr's should be a flat match if cut accurately
for the frequencies of operation, so at 27.185 ~ the length
of each leg will be 516 and 1/2 inches. The formula for accurate
cuts is 234 / frequency (27.185)= 103.29 inches X 5 (1/4 wave lengths)
= 516 & 1/2 inches.

A dead flat match will be 48 to 52 ohms, an vswr of 1.3 to 1 gives the
antenna impedance of 70 ohms. You can feed this antenna with a 50 ohm
coax, but within 8 feet of the antenna you must coil 10 turns of coax
with a radius of 6 inches, and the same on the other end within 8
feet of the radio. This cancels any standing waves on the coax, as the
coax itself acts as a 3rd leg of the antenna and has the tendency to radiate
signal before it reaches the antenna !

SANDUSKY -- This community, on the shores of Lake Erie and the home of Cedar Point, has long prided itself on its appearance.

If residents allow their grass to grow too long the city will issue a citation and mow the grass, billing the resident. Or it used to, when the city could afford grass cutting.

This year Sandusky is struggling with an almost $1 million deficit and cannot afford to hire the usual 50 seasonal workers who do outdoor jobs like cutting grass in the park.

When Steve Moparholic of Medina County, Ohio noticed the grass in Central Park near his satellite office was about a foot high, he took his riding mower to the park and began mowing.

"I saw a mess over there and decided to clean it up," Moparholic said.

When a city employee told him to leave, Moparholic refused. "I'm a tuff guy with a reputation to uphold. I'm not letting some mamby pamby tell me what to do."

Police were called. They said he would have to leave or they would arrest him. Moparholic told them to stuff it.

Officers grabbed him, handcuffed him, boot fucked him, then put him in the back of a patrol car while they called the city prosecutor to see what charges might apply.

Moparholic was charged with obstructing official business and disorderly conduct and made his first appearance in Sandusky Municipal Court Friday. His case was continued until August.

In the meantime, Moparholic has become somewhat of a local hero.

"He stood his ground and wouldn't back down," said Mad Mama Perkins. "He's my kinda man. I'll slip off my panties for him anytime."

"We have to come up with policies and procedures before allowing a resident in a park with a lawn mower," said Sandusky City Commission member Dan Kaman.

Moparholic said he wasn't an ordinary resident with a lawn mower. He said he owns a lawn and garden service back home in Medina County, which allows him to have a 350 foot driveway, a tower with an illegal CB radio antenna, a year's supply of canned Alpo in his basement, and a trip to the casino's in Detroit twice a year."

"Everyone has a lawn. I service just 1200 of them. I am a tuff guy. I can beat anyone up who gets in my way."

Moparholic said he comes to Sandusky when he visits with his special customers at the Petro Station, just off the Ohio Turnpike near the Toledo exit.

Moparholic wouldn't elaborate on his Petro Station customers.

Why do you get so angry, Steveo?

Do you really take this so serious?

Maybe you are silly enough to drive to people's house and lurk. There must be something very wrong with you. Maybe your parents didn't give you enough attention as a child. You really should take stock of yourself.

How can you really get angry about what someone says about you in a newsgroup? I'll bet you love to fight with the other CB idiots on the air. They say something you don't like, next thing you know you threating them and screaming about meeting them and "kicking their ass".

How can things like that affect you?

Do you know how crazy your behavior is? How do you know who you are confronting? How do you know when your luck will run out? Granted, most Cb'ers are idiots and will not show. What happens when the person in the house you're stalking isn't a scared CB'er or ham? What if the person you're screwing with is crazier than you? Maybe they don't care about going to jail. Maybe they've been arrested so many times they just don't care anymore. Or maybe they're so emotional they act before thinking.

I admit you appear to be a complete idiot. A very "spolied child like" person. As entertaining as I find you, I don't want to see you get hurt. Busted by the FCC,yes. Physically hurt,NO.

I only mention this because of your reaction to posts in this newsgroup. You need to grow up and put things in perspective. Nothing ANYBODY says here is worth the stress you place on yourself. I don't think you help your case with your gay posts, either.

Reportedly, the shave is because his girlfriend moparhoLICK, did not like his thighs being scraped while Bobby was bobbing. she/He also rescently purchased a few 4 by 4 inch posts. This was done to build a large fence around his backyard to keep prying eyes from seeing what he does to captured puppies and kittens.

In an exclusive interview with a reporter from Playgirl magazine, bobbing Bobby stated: "I have orders of protection against me, so I can't mess with people or I go to jail...puppies and kittens are perfect torture subjects for someone as powerless as me. They can't fight back. That's the way I like it, uh huh, uh huh."

When asked if he let any animals live when captured he said "Of course I do, I need sex partners just as much as the next queenieboi."

Bobbing Bobby could not be reached for further comment by this reporter, it seems that queenieboi is terrified of the AKC.

Poor paranoid Steve. He thinks everyone who doesn't agree with him is
someone named jdwild/jdmild/brownsboss etc.

Obviously, Steve's been affected by a negative online experience.

Here Steve, you forgot to post this link, as you usually do:

Keep trying to identify all those who disagree with you and don't like
your mean-spirited, self-effacing, and threatening online demeanor.
Here's a clue, loser: none of them are jdwild.

Hello Steve,

JDWild use multiple usenet accounts to post bad things. Sometimes he posts from Pittsburgh, other times from Erie, and still other times from Columbus. He must be a travelin' man.

I want to beat him up so bad!!

If I knew where he lived, I'd get in my hemi-powered V-8 truck and lay some rubber getting to his house. Then I'd take pictures around his house to post here.

I am a tough guy. I take care of 1500 lawns. I am an X-pert on lawn care. Guys post their ass problems on alt.home.lawn.care and I give 'em good answers.

I am also an XXX-pert, and you know what I mean there. Hehehe!

I have a 350 foot driveway, so I am entitled to call Chinese-Americans "yellow skins," African-Americans "niggers," Jewish-Americans "kikes," Arab-Americans "sand niggers," and all other Americans who aren't tough like me "fucksticks" or "shitstains."

I also have a 100 foot tower anchored to my house with an huge CB antenna on the top, illegally boosted by a high-powered amp. On a good night, I can be heard in 38 states and half of Canada. I AM KING OF DX!

Keep up the good sleuth work in here, Steve. Your keeping tabs on JDWild keeps him honest.

I'll be parked at the usual spot in the back lot of the Toledo Petro Station next Tuesday. I'll be naked.

Steve

Assuredly no worse than 8 years of Bush. Reganomics didn't work then; it isn't working now. I'd have to be making $120,000 plus today to equal what I made in 1980.

Everyone forgets who got this mess going. First by exporting jobs (Republican Congress and Clinton signed the bill), then by trying to go after Iraq when it was Afghanistan that was harboring Bin Laden.

Even modest double-digit iq types have - finally - figured this out.

I have worked in broadcasting. A very few corporations own almost all of our tv and radio stations. As a result, I trust the BBC. If you want the news as only Rush Limbaugh can give it, go ahead and watch your local stations. I enjoy some of the BBC programming concerning physics; you can have your soaps, such as "as the stomach turns".

okay, which one of you bozos did this. Being interested in radio, we all know what really happened here. But here's what you bozos have the general public thinking.:

"As usual, the long work day was coming to an end and I was dutifully putting the last load of laundered clothes away in our bedroom when I heard a ruckus on the baby monitor just a few feet away from me. I thought it strange when I knew my husband and toddler were both in the living room quietly watching TV as my two-year-old drifted silently off to sleep curled in my husband's lap as he caught the evening news. The bedroom door was straight in front of me and I could see all the way down the hall to my husband and son in the Lazyboy chair as this ruckus over the monitor continued.

It didn't take long for me to realize the sounds were very familiar. Earlier in the day, I was in my toddler's bedroom putting a load of folded clothes into the drawers and picked up some stray toys and books that weren't being played with at the time. As I was doing so, I was telling my son about the story of "Jack and The Beanstalk" for the first time.

Now I stood in disbelief as I heard the drawers being pulled open and shut and rustling of the toys and books being put into their proper places. But I nearly fainted when I heard my son's voice over the monitor! I kept looking back and forth at my husband and now-sleeping son in the chair in the living room and the monitor sitting on my dresser that was literally replaying the specific events from earlier in the day!

The monitor is a standard baby monitor bought from Wal-mart and is NOT a recorder, but instead monitors the sounds coming from the room as they are happening at present time only. I listened as my voice retold the story of "Jack and The Beanstalk" and listened with familiarity as my son responded in baby-talk to the tail he had never heard before. The incredible part was this all happened five hours earlier on the same day!

I quickly called my husband into the room as he listened to the last part of the story with my voice coming through the monitor and our sons coos and chuckles. He stood stunned and turned his head and looked at our sleeping son flopped peacefully over his shoulder. In disbelief, he asked, "How in the hell...?!" as his voice drifted off trying not to miss a thing. I just stared at him in the same disbelief and we both just shook our heads.

This has never happened before or since and became pretty clear from the beginning that we were listening to some kind of warp in time. I never imagined in a million years that I would be witness to it and must admit, if it should happen to you, it is indeed, one of the most incredible moments one can ever experience!"

There are always things that people use to compensate. I mean come on

does not make people who compensate faggots. Thta is just an assinine
statement. Anyway talking about amps and stuff like that is at the

Hello Mopar,

Well I remember a gas war back around 1957 when gasoline was going for $0.149 (fourteen point nine cents per gallon - where is the 'cents' key? Used to exist on typewriters LOL). A friend (who, at age 85, is considerably older than I) was telling me about when he could fill his tank on a less than two bucks. I mentioned the gas war in Canandaqua, NY, and he laughed - that was what he was talking about. My dad went to another station and the attendant couldn't believe my father was going to pay nineteen cents per gallon when, just down the street, it was going for fourteen-nine. My dad didn't want to wait an hour in line. Folks even were hand-carrying gas tanks to get the cheap gas. The line stretched for over a block.

A co-worker's daughter just lost her job last week. She has her baccalaureate degree and was offered the princely sum of $17.00 per hour. She had the job two weeks when the company laid off 200 employees and she was one. And many tens of thousands of dollarettes in debt :(

OK I guess it is my fault. I guess if I go away for a year again it
will go back to what it was in 1995. Sorry I didnt know it was me
rewarding them. Let me go on hiatus again and come back again in a
year and see if it goes back tot he way it was. Again since it was me
I apologize.

I'm aware that glass-mount antennas are poor performers compared with 1/4-wavelength whips or even most mag mounts, but in this instance I have no alternative.

Actually, I haven't turned on the CB in well over a year, there has just
been too many other things occupying my time. Most of my equipment is still
packed away in boxes from my move last year. Now that the skip cycle is
coming back into play, I've regained an interest, and am slowly getting
things setup at the new home-front. Perhaps I'll come across some of you

You should forget moparholic and move on.

All you're doing is clogging up this newsgroup
with your repetitively perverted comments
about him. There's no proof to any of your
claims about him.

Anyone reading your comments can see you're
a sick individual.

And why do you *not* think that old Mopar is responsible
for much of the nym stuff?

The mental case talks the decent talk sometimes, but then
fakes and harasses those who disagree with him or humiliate
him with their logic and opinions.

Moparloser is the main culprit responsible for trash piling
up in this newsgroup and disrupting the discussions for
decent folks.

Hello Vinnie:

Just keep your ears on 38 LSB with the skip coming is so good in the evenings you be able to hear him.

Skip's going crazy here, the Hawaiian Islands, most all of the east cost, Wyoming, Montana, Colorado, Idaho, Kansas, Alabama, Georgia, and the North West Corner, Oregon, Washington, South America ect....

And I thought I hear the Fugi Islands in there also.

I had the beam up, a Crusader 10K, 5 Element beam up and trying to do some testing on the air, but with stations coming in on most all directions is was a wash.

So true and the bitch calls this whining... Ha! Because of all the bullshit that has been going on for so long in this group that is why that guy went over to that fat kids house and scared the living shit out of him.... He has been mad at that shit ever since... So he comes on here and says gay stuff about him and anybody who disagrees with him. Before that it was all anti keydown stuff against guys that had amplifiers. Why did that bother him so much? Because he could not afford an amplifier of his own. I guess that is the 10 year old story in a nutshell...

Well I for one would like to know the actual causes. I think they do
matter because as was said this has been going on for far too long. I
mean about 10 damn years. If I was mad at anyone that long I would be

who appointed you ng spokesman?

like settling things will open a flood of comments
from you pertinent to cb radio?

listen asshole, if you got something pertinent to post
about cb radio, then post it.

over the last 60 days the only things you've posted are
little side comments like "grow up" or "get a life",
which add absolutely nothing and clog up the ng even
further.

if you have nothing to post pertinent about cb radio,
then post nothing, and stay out of the drama.

Hello Steve: I have had customers put the DX Engineering Isolator on various antennas. I don't think it will be a big deal on the ground plane antennas. But I would try to install them 1/4 wavelength down the coax from the antenna connection on non ground plane antennas.

The Beam Antennas, I don't know. But beams that use Gamma Matches seem to have some RF Energy radiating down the coax causing TVI and other interference. It may be worth a try.

Wish I could give you more input here, but I have never used one of those isolators. QST magazine showed the internal workings of this isolator, a few months ago.

Hope this helps.

Hello Jay

Yeah I'm not so much concerned with RFI back down the jacket so much, but
from what I've been reading that can distort the direction and/or rejection,
especially on a yagi. I figured I'd ask the guru before I put it in line.

Yep, if that aint her its her fat pig identical twin. moparhoLICK is Roger Nair of Winterbrook Dr. in Brunswick, Ohio. His fat sow wife loves doggie ejaculate. She started on it in about 1983, when moparhoLICK turned queer and wouldn't do her anymore. He does watch her with the dogs though. It turns him on and motivates him to slurp truckers in Petro shower rooms.

I Just bought the Cobra hh-RoadTrip / HH38WXST, and have been searching online to get the charging adaptor for it, which it is nearly impossible to get it in Canada, so I figured buying a universal adaptor would work, only to see cobra won't specify the voltage and +/- for it like most. So my question is, does anyone know the specs for the chargin adaptor for it, so my quest can be over? Thanx

A Canadian Cobra dealer is Durham radio. The unit uses 9 batteries so an outboard charger could be used for the batteries of the type you use. Normally the center pin is the positive terminal of the charging adapter jack. Canadian Durham Radio should be able to advise you. Lots of luck. Rollie

It's been a while so I thought I'd stop by to see if someone wanted to swap a tuner for one of my radios. I expected to see some crap but certainly didn't think it was -this- bad.......sheesh!

And just for the record, moped -isn't- Roger Nair. I found out mopey's real name a very long time ago. Nair appears to be an intelligent and successful businessman -- certainly not the type of person who would waste his time by reading or posting in this intellectually-deprived sewage pond day after day (sorry mope, but it's true!).

That being said, I'm gone, probably for good this time.

I've given up hope myself here. There is always
DX on 20 or 40 meters when 10/11 is just local.

I even scored a contact with W1AW on field day! It's confirmed on LOTW.

Molded in the plastic should be a diagram showing which connection is which. Usually center is positive. A real mobile radio with a decent magnet mount will work a lot better then a walkie talkie with a rubber ducky. Hell, an HT for any band really stinks, even 2 meters/440 won't do as well as a real radio and an external antenna. Also, if the WT doesn't have ANL/NB, trying to listen with the engine running may be fun in your vehicle.

No diagram molded in the plastic. Not really usin them for much for
back and forth chatter, just one of those camping gadgets we have for
listenin to banter when out campin, hearin the broadcast from other
provinces, and sometimes from the states.

I gave up as well a long time back. As a big contributor back in the
glory days of this group (1990-1997) I find that this crap will never
end simply because the crazies have taken over and the people that
used to post here often simply left. I will indeed follow them and go
back to the real world of CB where most dont even know this place
exists.....

Hello Sharkie,

They are crooks and we are idiots. I believe in NRA. Not the National Rifle Association, Never Re-elect Anyone!

Unfortunately, the 8 years of Republican rule brought the religious right back to the front. I am very worried after reading a posting at work for child care. Well written, it offers child care for kids from 4 years to 13 years of age. Hey, they also teach! Sounded good, so I continued perusing the note on the bulletin board. They teach history. American, Black, and Mesopotamian history. Hmmmm ... that worried me a bit. They also teach the Bible. Now I was really worried. No Jews in Rochester, apparently. Nor folks of other faiths, but I continued. Science. Great. They teach general science, earth science, and ... and ... and ... *astrology*! Now there is great science. Astrology. I don't know if they meant astronomy or not, but would you put your child in their care? Of course, I suspect a large number of folks wouldn't even see anything wrong.

And we wonder why we are becoming a 3rd rate power. Well, we will be. We are poorer and are continually dumbing down. Sigh ...

Some radios have both FRS operation and higher power gmrs operation. I've seen the things sold at Sam's club. And they can be illegal, depending upon usage.

Unfortunately, some folks simply don't read everything about a given rig and automatically assume they are legal (or illegal). The cure is simple; read the regulations, read the description of the manual, and figure it out.

The real question should be are the folks you were trying to piss off
even on this newsgroup anymore??? I think not at all!!! Why because
back in the 90's when this group was really humming there were so many
handles and all of those have not been seen here since like forever. I
saw one guy say he was from the old Bumps it down list.. Now that is
waaaay back and if he was on that list he is indeed an old timer and a
true key downer as you put it. But apart from him or if anyone has
that old bumps it down list take a good look at it or post and see if
u see or have seen any of those guys on this group in years...

The real question should be are the folks he was trying to piss off
even on this newsgroup anymore??? I think not at all!!! Why because
back in the 90's when this group was really humming there were so many
handles and all of those have not been seen here since like forever. I
saw one guy say he was from the old Bumps it down list.. Now that is
waaaay back and if he was on that list he is indeed an old timer and a
true key downer as you put it. But apart from him or if anyone has
that old bumps it down list take a good look at it or post and see if
u see or have seen any of those guys on this group in years...
